## Glenn's Message

Welcome to the 2016-2017 Lions Year! It is an honor to serve you as District Governor. Lion Gail and I had a unique and thrilling experience attending the Lions International Convention in Fukuoka, Japan.

Many thanks to our immediate Past District Governor James "Jim" Coverdale and to his dedicated and supportive cabinet.

Our new International President, Chancellor Bob Corlew's theme is New Mountains to Climb. We as members of District 22D are excited about his theme and the challenges presented as we begin the 2016 – 2017 Lions Centennial Year.

I'm looking forward to working with FVDG Charles Taylor and SVDG John Burris to keep District 22D strong. Thank you to Cabinet Treasurer Richard Gackenbach and Cabinet Secretary Gail Krebs for accepting their very important positions.

Please take time to look at the District Events List and the scheduled club visitations for 2016 – 2017. One event that needs emphasis is the USA/CANADA Forum being held in Omaha, NE September 15 – 17, 2016. Please see the Information enclosed in this Newsletter. If you have questions please contact Lion Cheri Bragg who is the District and Multiple District Chairperson for this major event.

Believe in the Power of Service. Let's work together to grow this district!

DG Glenn Williams

## From Our Vice District Governors

### Moving Forward to Score

*Hello Fellow Lions, Lioness and Leos,*

*It is July 2016 already and time to start a new cabinet year. Time moves so fast that it is hard to keep up with nowadays.*

*Our new District Governor Glenn Williams is extremely enthusiastic. He is looking forward to this new year for Lions which we plan to make our best year yet!*

*There isn't much going on for the Cabinet in the summertime, but we will joyfully be visiting all of you shortly!*

*Please join us at the Banner Transfer on July 19, 2016 at Modern Maturity Center. We can't wait to get started on our journey to build Lions in District 22-D.*

*Thank you Lions, Lioness and Leos of District 22-D,*

*1st VDG Charles Taylor*

### Having the Courage

Fellow Lions,

Another lions year has started and I look forward to serving the district as 2<sup>nd</sup> Vice District Governor. I just finished up a wonderful year as the district's Cabinet Treasurer. Having done this has afforded me the insight to grow into my new elected position.

As many of the clubs know, my theme for my campaign is "Having the Courage." I got this from one of my club members because she just loves the movie "The Wizard of OZ" and so it was a great fit. The lion in the movie wanted courage; the lions of 22D already have that courage. We show that courage by doing the wonderful projects we do for so many that cannot do for themselves.

As your 2<sup>nd</sup> Vice District Governor I am looking forward to carrying on the theme and growing the district in size and the number of projects we do for the wonderful people across the state of Delaware as well as across the world.

SVDG John Burriss

# 99th International Convention

Believe in the Power of Service

Fukuoka Japan opens its arms to Lions from all over the world!

Ready for the Parade!

District Governor Elect School Celebration with PID Ted and Ann Reiver.

The instructor from DG Glenn's class. Rajinder "Pape" Sembi from Kenya.

# 99th International Convention

At the Final Plenary Session in Fukuoka, Bob Corlew from Milton, Tennessee, became our 2016-17 International President. His theme for this year is NEW MOUNTAINS TO CLIMB!

President Corlew and his wife, Dianne, also a Lion and a Progressive Melvin Jones Fellow, have five children and four grandchildren.

A member of the Murfreesboro Noon Lions Club since 1978, he has held many offices within the association.

Most recently, he worked to charter a new club comprised of lawyers and judges, which gained more than 75 members during its first year.

More Hands Grow More Service

Also, at the Final Plenary Session, as you can see, the ELECT ribbon has been removed.....

It is OFFICIAL!

Congratulations District Governor Glenn and First Lady Gail!

# Centennial News

Dear Lions,

For 100 years Lions have answered the call to serve those who need us most. We have made it our mission to reach out to the poor and underserved, to promote peace and understanding, and to bring help and hope to humanity.

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association, but every Lion and club who has made a difference in the world. No matter where you are, there's an opportunity for each and every Lion to join the celebration.

This year, I encourage you to continue strengthening your communities by helping us achieve our Centennial Service Challenge goal of serving 100+ million people. I invite you to celebrate our Lions legacy by planning a Centennial Legacy Project in your community. And I'm asking you to take our clubs and association to new heights by chartering new clubs and inviting family, friends and neighbors to join us in service.

As members of the world's largest service club organization, we change lives. We serve because the world needs us now more than ever. And we can achieve so much more when we work together. I hope you'll join me as we celebrate our storied history of service, look toward our second century of service and show the world that wherever there's a need, there's a Lion.

Very truly yours,

International President Bob Corlew

## 100th Anniversary Commemorative Coin

WASHINGTON, D.C. - Designs for commemorative coins honoring the 100th anniversary of the founding of Lions Clubs International were unveiled at the organization's 99th annual convention in Fukuoka, Japan.

Public Law 112-181-the Lions Clubs International Century of Service Commemorative Coin Act authorizes the United States Mint to mint and issue \$1 silver coins with designs emblematic of the centennial of Lions Clubs International.

The obverse (heads) design features a portrait of founder Melvin Jones paired with the Lions Clubs International logo. Inscriptions are "LIBERTY," "IN GOD WE TRUST," "MELVIN JONES," "FOUNDER," and "2017." The obverse was designed by United States Mint Artistic Infusion Program (AIP) Designer Joel Iskowitz and sculpted by United States Mint Sculptor-Engraver Joseph Menna. The reverse (tails) design depicts a male and female lion with a lion cub superimposed over a globe. Inscriptions are "UNITED STATES OF AMERICA," "\$1," "E PLURIBUS UNUM," and "CELEBRATING 100 YEARS OF SERVICE." The reverse was designed by AIP Designer Patricia Lucas-Morris and sculpted by United States Mint Sculptor-Engraver Don Everhart.

Pricing for the Lions Club International Centennial Silver Dollar will include a \$10 surcharge for each coin, which the public law authorizes to be paid to the Lions Clubs International Foundation to further its programs for the blind and visually impaired in the United States and abroad, invest in adaptive technologies for the disabled, and invest in youth and those affected by a major disaster.

The United States Mint will announce the release date and additional pricing information prior to the coin's release in 2017.
