## Glenn's Message

As your District Governor, I want to thank the entire District for your support and your intense loyalty in making clubs stronger and serving your communities. My wife and partner in Service Lion Gail thanks you as well for your support and kindness extended when we visited the clubs and District events.

The MD22 convention was a success and the Wyndam Hotel offered a nice venue for the event. International President Bob Corlew and his wife Lion Dianne attended for the entire convention. This was a great opportunity to hear from them both about their experience traveling and their perspective on how Lions are doing with service to their communities. Their comments were informative and encouraging.

Lion Gail and I had the honor to escort in a team for the Special Olympics opening ceremony on June 9<sup>th</sup>. The Lions of 22D were recognized for their support of the Special Olympics. What a proud moment to be a Lion!

On June 10<sup>th</sup> the Leadership training school was held on the campus of the Delaware State University. Thank you to all of the Lions who were instructors this year. It requires a lot of personal time to prepare for this day. Also, thank you to all of the Lions of 22D who attended. Our newly elected officers for 2017-2018 are enthusiastic about their roles.

I hope everyone shows the same support and kindness extended to me and Lion Gail to our incoming District Governor, DGE Charles Taylor and his partner in Service Lion Kathleen of the Harrington Lions Club. DGE Charles has been hard at work preparing for his year and a great year it will be. My congratulations and best wishes to DGE Charles and Lion Kathleen.

First Lady Gail and I are looking forward to attending the 100<sup>th</sup> celebration of Lions at the International Convention in Chicago.

Thank you again. It has been a wonderful experience and an honor to be your District Governor.

Respectfully,

District Governor Glenn

## District Governor Elect

### Moving Forward to Score

Hello Fellow Lions, Lioness and Leos,

The new year is coming fast; this past year was filled with a multitude of learning experiences to prepare me for my upcoming duties.

From May 15 -18, the Multiple 22 District Convention was held in Gettysburg, PA at the Wyndam Hotel. There were district and multi-district meetings along with informative seminars. Lots of food, fun and fellowship occurred during this event!

At the convention, I was elected to be your District Governor for 2017 through 2018. What a great honor this is to work with a tremendous bunch of Lions, Lioness and Leos of District 22-D. John Burriss was elected to First Vice District Governor (FVDG) and will be a great asset to the district and my cabinet. My only wish is that more Lions from our district were in attendance at the convention to meet other Lions.

On June 3, 2017, Lions from 22-D went to an orientation for LVRF. Our district contributes generously to this cause. Thank you to Rodney and Sue Timmons for graciously holding this event at their home, and a big thank you as well to PDG Karl Gude for being Chairman. It was a wonderful event!

Leadership school was held on June 10<sup>th</sup> at DSU. There were about 60 to 70 Lions present to learn. My class consisted of Region and Zone. The great turnout led to some intriguing and stimulating discussions. Thank you to GLT Tee Bell for setting up the building at DSU, so we can have a place to hold it. Thank you to DG Glenn Williams and FVDG John Burriss for their assistance.

I wish to thank District 22-D for being so selfless and motivated to assist others. Thank you for making DG Glenn's year a memorable one.

Blessings to All,  
DGE Charles Taylor

## Having the Courage

Greetings Fellow Lions,

Well fellow Lions, the District ended on a very positive note in many ways. So let us count the ways in which our District has come out on top. The biggest is that the membership is at 1250 or above; which has not been seen in a few years. Then there is the new Branch Club that was started, with the help of the members of the Claymont Lions Club. But, we cannot forget the true reason we are all Lions and that is to serve the people of our communities. That being said, the clubs in our District have raised countless funds to help the people throughout the state to have a better life for their families. We also cannot forget the long hours the members of the clubs have given to support the numerous projects that our District is able to do for others.

We are getting ready for our new District Governor, Charlie Taylor. I know he is going to have a great year coming up! He will be working with the clubs in the District to grow them, as well as grow the projects that we all are able to complete throughout the year. This has been self evident in the past year as he has worked with District Governor Gle(nn).

FVDGE John Burris

# Centennial News

The Lord Baltimore Lions Club has made its' mark in many, many ways over the years. A lot of the things we do are personal and intangible in the form of money, gifts or services.

The Centennial Legacy Project items are ones that will be used by school children and adults for years to come. Lions Janet and Jack Bauer and KL John Monahan and others have, through the LBLC and DLF, purchased great looking benches for the Lord Baltimore Elementary and the Clayton Elementary Schools. On May 23rd, the benches were dedicated at the Lord Baltimore Elementary School. (picture below)

On May 22, after about a year of planning, Frederica Spring Creek Lions have placed a new Centennial sign near the Frederica Pizza and Pasta House. This sign is at the North entrance to town. We have also replaced our sign by LF East Elementary School with a Centennial sign, at the West entrance to town.

# Centennial News

Clayton Lions Club has placed two benches at the local ball fields: one at the Little Lass field and one at the Little League field as a Legacy project. Dedication of the benches was held on Friday June 9th.

## DELAWARE LIONS SIGHT TEAM

The DLST recently cleaned the storage unit in Milton. Glasses were selected for transport to the New Jersey Lions Eyeglass Recycling Center in Trenton and sun glasses were sorted into

prescription, which will go to Dr. Rios, and non-prescription. Clubs need to do the presort at the club level as we had

literally thousands of pairs to sort thru. It is not difficult to do, just hold the glasses up and see if there is any magnification to them, if so, they are prescription. Also, the DLST will no longer be taking eyeglasses in any bags; they tear and rip, causing glasses to fall out of them. All glasses need to be

in a box, of any kind, marked with the type of glasses inside. Please separate the prescription glasses from the sunglasses and then separate the prescription sunglasses from the regular ones. This will greatly facilitate the processing and shipment of the glasses. The DLST thanks all clubs who have participated in this program; your efforts are helping other people to see, and that is why we are LIONS!

### Seaford Lioness Club donates to Pretty in Pink

The Seaford Lioness Club presented a \$250 check to the Seaford Ladies 9 Hole Golf Association's annual "Pretty in Pink" member-guest tournament. The tournament raises awareness and funds for the Nanticoke Cancer Center. This year's proceeds will benefit a breast cancer program for women in the community that do not have the resources for their screening and diagnostic mammograms. Early detection is key. The Seaford Lioness Club host events throughout the year to support local community projects. Plans are underway for their 2017 New Year Eve's dance at the Seaford Fire Hall featuring the talented and local band, Chain 'n' Time. To learn how you can help make a difference, visit [www.nanticoke.org/community-support](http://www.nanticoke.org/community-support). Accepting the check from the Seaford Ladies 9 Hole Golf Association is Cathie Jo Jones (first row left) and Renee' S. Morris (second row left) executive director of the Nanticoke Health Services Foundation.

### From the Desk of the Editor/Publisher

This is my last issue of the 22D Bulletin. I want to thank PDG Cheryl, PDG Jim and (almost) PDG Glenn, for giving me the opportunity to serve the District by being Bulletin Editor for the past 3 years. I have learned a lot about many of our fantastic 22D Lions clubs and met numerous amazing Lions through this endeavor !

I would like to extend a **HUGE** thank you to the clubs and individual Lions who sent ads, paragraphs, newsletters, articles, publicity and other information every month.

Without all that wonderful information, the bulletin would not have existed !

It has been **GREAT** fun (most days) at least until **CRUNCH** time !!!!!

BE Sheila

Starting with the July 2017 Issue, Lion Gail Krebs will begin serving as 22D Bulletin Editor. Please send her your paragraphs, Club Bulletins, Ads or any information that you would like to be included in the July Issue, by the **15th** of each month.
