### FROM OUR LEADERSHIP

## DISTRICT GOVERNOR JOHN BURRIS

Dear Fellow Lions,

The year as District Governor is fast closing out. Man, where did the time go? It seems like yesterday that I started the visitations at the Murderkill Lions Club. Speaking of visitations, the District was able to finish up all the clubs in the early part of March. The weather was great in that we got all the visitations in but one due to weather. Looking back on visiting each club, I am very humbled by the great work the Lions do for their communities.

It goes without saying that I believe we have one of the best

Districts within the Lions. Not only do we lions have great service projects, we also have great fundraisers. With these fundraisers the Lions are able to donate their money to many different foundations. Some of these donations go to Leader Dog; this year the district (year to date) has given over \$20,000 to Leader Dog. Then I heard a report from Past District Governor Ken Chew (LCIF Chair) that the district has given more than \$45,000 to LCIF thus far. Part of my message was to make sure clubs donate to the foundation of their choice. We can see the clubs surely have done this just by looking at the amount that we as a district have giving to the different foundations.

Let's jump on the SS 22D Courage and see where we have been in the past month. My partner in service and I had a wonderful time at the Delaware Valley Eye Bank luncheon. Here we got to meet people who had the opportunity to see again as well as hear all the new things they are doing at the eye bank. Next stop the SS 22D made was at the 22C social. A great event this was -- to hear the lions honor band of 22C was just so nice, as was hearing the message from Past International President Al Brandel.

The second-to-last port that the SS 22D Courage stopped at was on April 9th at Legislative Hall for Lions Day in Delaware. I would like to thank the following for coming out to this event: First Vice District Governor Kenny Vincent and his wife Cindy, Cabinet Secretary Delores Springer and her husband GMT Ed Springer, Cabinet Treasurer Regina Daniels, Zone Chair John Monahan, Diabetes Chair Tony Lee, and of course my partner in service PCS Joan Bestptich. I have attended this event for the past three years and it is always so nice to be there and have the lions of Delaware be known for all the hard work that we do.

The last port stop for this month was the LVRF breakfast. This was a great event and to see the entire donation being given is once again truly humbling for me as the district governor.

Moving forward with what port stops the SS 22D courage has left, the first one is the final cabinet meeting. It would be good to see many of the Lions at this event to hear all the year-end reports of just how good a district we have here in 22D. The event flyer has

already gone out so I do hope you sign up for this event. The next port stop, which in my eyes is the biggest one, is the MD22 convention. I do hope all have gotten to register for this event. This year there are going to be some great seminars, our own International President will be speaking at the banquet, you will get to see other lions from other districts, and just enjoy the beach.

In closing, Lions, I would like to thank each and every one of you for all the hard work you have done and will do.

-- District Governor John Burriss

## VICE DISTRICT GOVERNOR KENNY VINCENT

Greetings Fellow Lions,

MD Lions Institute was held last month from March 15–17 in Bowie, MD. The institute was a learning experience that one could use in all walks of life. Many participants said they had no idea what to expect but that it was well-planned with meaningful topics. Some of the sessions were: Collaboration to Promote

Harmony, Writing and Speaking for Effect, Marketing & Communications Ideas, Leadership, Promoting Hands-on Service Projects, and much more. Although these topics were instructed by Lions for Lions, much of what we learned could be implemented in the workplace. I heard participants say they were going to use what they learned with their clubs as well as at work. I want to thank PDG Bob and PDG Cheryl Jones from the Laurel LC for being instructors from 22-D.

The following Lions from 22-D were participants: Hayat Omar-Hubert, Thomas Foreman Jr., & Jessica Graham from the Bellefonte LC; Beckett Wheatley from the Laurel LC; Bob Wheatley from the Seaford LC; Esosa Iriowen and William Mudiwa from the Dover LC. I was so glad to see we were represented at the Institute and felt the above Lions should be recognized for their time away from home. When the next MD Institute is offered, I highly recommend attending. If you don't believe me, ask one of our members above!

**Multiple District Convention** Annually MD-22 holds a convention. This year the convention will be held at the Princess Royale Hotel in Ocean City, MD from May 13-16. The convention includes business sessions, seminars, exhibits, golf tournament, elections, and much more. There is so much to learn about Lions. Meeting Lions from other districts is very rewarding, sometimes making lifelong friends. Last year our district won with the highest percentage of members attending the convention. Let's do that again this year. Whether you attend one day or the entire period, your attendance will be counted. Register now! I hope to see you at the convention.

**Lion in the spotlight!** King Lion Daniel Elkins of the Bellefonte Lions Club has recruited 73 individuals to become members of his club. KL Daniel has been a guest speaker at other clubs' meetings, district meetings around the country, and LCI events. He wrote an article that was published in the March 2019 LionsMagazine.org. He has accomplished all of the above, and has been a Lion for just over two years. His journey as a Lion is remarkable! I congratulate him for his enthusiasm and dedication to Lions. I believe his mission has only just begun.

**Trivia question for this month!** Next month (May) is the MD-22 Convention in Ocean City, MD. What are the dates? This time the 9th person to email me will be the winner. Good luck to all! I am looking forward to seeing you at the convention. Last month's winner was PCS BJ Ryder of the Frederica Spring Creek Lions Club. The answer for last month was Milan, Italy.

**Looking Ahead:**

April is Environmental Awareness Month

April is Family and Friends Month

April is Leo Club Awareness Month

April 22nd is Earth Day

April 27th is Lions World Wide Induction Day

May 4th: Introduction to Lions Quest at the Dewey Beach Clubhouse - all Lions are welcome

Yours in Service, VDG Kenny Vincent

# Campaign 100

A Campaign to Empower the Service of Lions

**\$300 Million / \$97,669**

**We Have Another Model Club – Pike Creek Valley-Hockessin!**

The bar has been set high by LCIF for District MD 22 – D and as of the end of March, the district has donated \$51,614.86 toward this year's LCIF goal. There is still time left in the 2018/2019 Lion Year. This new donation figure is more than what was donated all of the last year. The best way that Lions can help the victims of the floods in the Midwest is to donate to LCIF and this year make a personal pledge to "Campaign 100". Where there is a need there is a Lion ready to help!

The Honorary Committee Challenge headed by PDG Jim Minnich and PDG David E. Jones have asked all 36 PDG's to pledge \$1,000 toward "Campaign 100" and 7 PDG's have pledged already. Also, eighteen other Lions have made their pledges. See the Lion Wall of Honor below. Please, make sure that you let me when you have made a "Campaign 100" pledge.

Thank you all for what you have already done to support LCIF, your foundation, and what you can do to support Campaign 100.

Yours in Lionism,

PDG A. Kendall "Ken" Chew, III, LCIF Coordinator

### Dear Lions,

Disasters strike all over the world, seemingly every day. Sometimes, significant disasters occur in different areas all at once. During times like this, Lions Clubs International Foundation (LCIF) is able to offer support to local Lions Clubs for their disaster relief work.

In the past few weeks, several of our constitutional areas have experienced devastating tragedy. Catastrophic floods are overwhelming the central United States and parts of Mozambique, Malawi, and Zimbabwe.

In the US, hundreds of levees were breached and entire towns have been destroyed. The land and the farmers whose livelihood depends on it are devastated. In Nebraska alone, livestock and crops losses are expected to reach \$1 billion. It will likely take years to recover from this disaster.

In the days immediately following the disaster, LCIF awarded five Emergency grants totaling US\$50,000. The gravity of the situation has become more apparent, and your foundation has responded with another US\$50,000 Major Catastrophe grant for all affected regions.

In Mozambique, Malawi, and Zimbabwe, thousands of people are missing in the wake of Cyclone Idai. The death toll cannot even be estimated right now. Residents of these countries are in dire need of food, water, medical supplies, shelter and sanitation.

To assist local Lions in their relief efforts, LCIF initially awarded two US\$10,000 Emergency grants. As the devastating effects of this disaster have become more apparent, your Foundation has responded again with a US\$50,000 Major Catastrophe grant for the affected countries.

We are only able to offer this assistance because of your generous support. Your donations to LCIF's disaster relief fund enable us to provide Lions with the tools they need to help those who need us most.

For all the reasons you serve, please give.

#### LIONS DAY IN DELAWARE

A group of 22-D Lions enjoyed Delaware Lions Day at Legislative Hall on Tuesday, April 9, 2018.

There, Lions of Delaware were honored with a Resolution from both the Senate and the House of Representatives, and the District Governor

spoke briefly in both Houses.

Every year the District Governor seeks out a Senator and Representative who will bring forward a resolution to call a day in the spring Lions Day in Delaware. This year Senator Dave Lawson and Representative (Lion) Earl Jaques took a lot of time to research what Delaware Lions do so as to make a good resolution.

Many thanks to those who attended and those who worked to recognize the Lions of Delaware in this way!

**CALLING ALL PIN TRADERS AND ENTHUSIASTS:**

After 40 years of collecting and trading, Lion Bill Sour is reducing his collection by 90% and will be selling the pins individually. He has tried to collect all the US MD pins, MD pin club pins, and MD pins from a few select countries outside of the US. He has a very nice collection with many variations.

Those interested are asked to send him their want lists either by email or regular mail. Requests are being reviewed first come, first served. He will respond with a price quote that includes shipping for the pin(s) that are available. After agreeing on a price, payment can be made by check or PayPal.

**LIONS CLUB INTERNATIONAL****PRESIDENT'S MESSAGE:  
NEW MEMBERS, NEW SERVICE GRANTS**

A MESSAGE FROM YOUR INTERNATIONAL PRESIDENT

Gudrun Yngvadottir

### Add New Members to Qualify for Service Grants

Worldwide Induction Day is almost here, and that means there's not much time left to qualify for a special service grant for each new member reported by April 30. These service grants will allow you to invest directly in your new members so you can make their first year a memorable one.

Don't miss this incredible opportunity to grow your club's impact by inviting new members and inspiring a lifetime of service.

Welcome, and Resources, for New Members!

You know that increasing, retaining and engaging your members is the key to a

healthy club and impactful service. With the right resources, your club can celebrate new members and current members while engaging in meaningful service in your community. That's why we're offering you a special opportunity to receive a service grant when you add new members in April.

Here's how the service grants work:

- **Add new members in April** – Clubs will have an opportunity to receive a special grant for new Lions who are reported during April 2019.
- **Apply for a grant** – Clubs can apply for a Service Grant for New Members, which awards a total of US\$35 for each new member in two equal installments on December 31, 2019 and June 30, 2020 club statements if new members stay active.
- **Engage new members** – Funds should be used to plan activities that engage new members in service so they have a great onboarding experience in your club.

These service grants will allow you to invest directly in your new members so you can make their first year a memorable one. Don't miss this incredible opportunity to grow your club's impact by inviting new members in April and inspiring a lifetime of service.

In friendship,

Gudrun Yngvadottir

Your International President

**LCI INTERNATIONAL CONVENTION 2019: MILAN**

**Dr. Denis Mukwege to receive  
Lion Humanitarian Award**

Dr. Denis Mukwege is a world-renowned gynecologist, human rights activist and Nobel Peace laureate from east Congo. He has become the world's leading specialist in the treatment of wartime sexual violence and a global campaigner against the use of rape as a weapon of war. Due to the high level of sexual violence in the region amid a war that has shaken east Congo for more than two decades, Dr. Mukwege specialized in providing care for women affected during the conflict.

As a child, Dr. Mukwege accompanied his father, a pastor, to visit the sick in Bukavu, a city in the eastern part of the Democratic Republic of the Congo (DRC) on the shore of Lake Kivu. One day, they went to see a terminally-ill boy. They prayed for him but were unable to do more.

Mukwege was eight years old at that time and decided after this experience that he would become a doctor, telling

his father: "You can pray, but I will give medicines."

For his many remarkable contributions to the protection and enrichment of human life and dignity, Lions Clubs International will present Dr. Mukwege with the Lions Humanitarian Award at LCIcon 2019 in Milan, Italy. The award is our organization's highest honor, given to an individual or organization with exemplary humanitarian efforts.
