Glenn's Message

My Official visitations to all the clubs have been completed and I am now revisiting the clubs to celebrate a charter anniversary or to induct new members. The energy present is strong.

Thank you to all members of the cabinet who have tirelessly traveled with me this year. Thank you CS Gail Krebs, CT Richard Gackenbach, AA Ron Pierson, FVDG Charles Taylor and SVDG John Burris. A special thank you, also, to my wife and Partner in Service, First Lady Gail.

The wonderful Delaware Lions Foundation breakfast was held on February 18th at the Rookery North. It was organized by PCC Don Lecates and PCS BJ Ryder. We heard an inspirational testimonial from a family and their daughter that are being helped by the foundation with special communication technology.

The Mid-Winter Social held in Felton on March 4th was fun and well attended. Thank you to the Co-Chairs PCC Don Lecates and PCS Carol Lecates for a great evening of food and entertainment.

The LVRFB breakfast on March 11th chaired by Lion Mel Nace was a huge success. We heard informative comments from Dr. Dagnelie and an inspirational testimonial from Louie Konstantopoulos. Thank you again for the many club and personal donations to LVRFB.

The district bowling tournament was held in Milford on Sunday, March 12th. The bowlers and the people there to just cheer had a great time. Thank you to Lion Barry Munoz for organizing this event.

In closing I want to remind everyone the 4th Cabinet Meeting will be held April 2nd at the Modern Maturity Center and a membership summit is being held in Maryland on March 25. Both of these events are listed in this newsletter. The 22D District membership is at +26 members. Thank you and continue to ASK ONE. Our ability to serve is growing stronger.

Believe in the Power of Service

First Vice District Governor

Moving Forward to Score

Hello Fellow Lions, Lioness and Leos,

On Saturday, February 18, we had our DLF breakfast. There was a nice turn out for this event. The speaker had an inspirational message discussing a machine that enables a young girl to communicate more effectively with others.

The last of the club visitations for the cabinet took place at Claymont. We had generous attendance and participation. DG Glenn was honored by his home club.

On February 24 and 25, all FVDG, SVDG and Candidates attended District Governor's Elect School for instruction of our duties and expectations once elected. This was held before the 22-B Social for DG Ben Cassell. It was a great time being among friends from the Multiple 22 District.

The Mid-Winter Social was held on March 4, to honor our District Governor Glenn. The food was delicious and abundant. The entertainment was eventful when the Cabinet had to get up and dance.

On March 11, the LVRF breakfast was held at the Modern Maturity Center in Dover. The speaker was extremely informative discussing new options for vision. If you missed this event, you missed out on a lot of important information.

The bowling event took place on March 12. It was a fun recreational event. I'm not a good bowler, but I had a blast still. Great job by all who participated!

Don't forget that we have a Membership Meeting in Sudlersville, MD on March 25th. Please try to attend to see how we can make 22-D and 22-B even more impressive districts. Please be willing to share ways that you believe would aid us in obtaining new members and retaining them.

Leader Dog North will be held on March 27th. I hope many will attend this great experience with a talented speaker. Leader Dog South will be held on March 28th; please try to attend if you are able to do so.

Blessings to you for believing in "service,"

FVDG Charles Taylor

Second Vice District Governor

Having the Courage

Greetings Fellow Lions,

This year has whizzed right by me and the end is upon us. But year to date, the district is up in membership, conducting great projects and raising money for all.

Almost every club within the district has inducted at least one new member; which in turn has grown the district to be even stronger than what it has been in the past. The great part of this is that many of the new members are younger people. As DG Glenn has stated with every new member that club is able to bring in, the club is able to serve at least 50 more people within that community. Please keep this momentum going and before long the district will be well above 1300 members.

As I read the newsletters and reports from the different clubs, I know the district is out and about all the time. We are serving the communities up and down the state of Delaware with a force that can't be stopped. The projects that are being done have helped many people that are in need in one way or another. It fills my heart with joy knowing that the Lions of Delaware are a shining star in their communities.

The amounts of money being raised for the many needs or projects are way beyond anything I could have imagined. This goes to show that, "*Where there is a need, there is a Lion*". The monies being collected have helped many people and I would like to say THANK YOU.

So, as we all can see, it is a great day to be a Lion and we serve with pride. Always climbing new mountains and bringing people along for that great climb to the top.

Once you get to the top of the mountain shout it out that you're proud to be a Lion.

SVDG John Burris

Dear Lions Family,

We would like to thank all of you for your phone calls, cards, flowers, visits and donations to Special Olympics in memory of our daughter and granddaughter Lisa. Thank you for being the wind beneath our wings at this very sad time for our family.

Sandy and Barbara Spence

DLF Breakfast

The annual DLF Breakfast was held on February 18th with about 100 people in attendance. Lyndsey Warnick, (recipient of an augmentative communication device purchased by Dover Lions and DLF) and her parents, Robin and Allan Warnick attended, and spoke about how using this machine has impacted Lyndsey's life. Lions Joyce Damask, Warren Fariess, Maureen Yocum, Sherry Clark, Donna Salerno, and Cheri Bragg received Fellowship recognitions that morning. Club donations for the day totaled \$12,000! Ron Pierson of the Claymont Club won the 50/50 drawing.

Dear Lions,

What seemed like routine flood warnings to the community of Rapid City, South Dakota, USA, soon turned into ravaging floods that took the lives of more than 200 people, left more than 5,000 people homeless, and created more than US\$100 million in property damage. Local Lions did what would soon become our legacy, being among the first to arrive with relief. This event also marked the first grant ever awarded by Lions Clubs International Foundation (LCIF), US\$5,000 to help the community rebuild after the catastrophic floods.

Since then, every day, LCIF works to fulfill its mission: "To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants." Serving alongside many dedicated Lions, LCIF has made a significant impact on the world. In fact, I am proud to announce LCIF has awarded more than 13,000 grants totaling over **US\$1 billion** since being founded in 1968.

We reached this milestone through our continuous efforts to support Lion-led initiatives in the areas of sight, youth, disaster relief, and other humanitarian initiatives. Every day, Lions are working to make a difference. Whether you are helping a grandparent see their grandchild for the first time, educating school children in your town, cleaning up a community after a flood, or working to end measles, you are making this world a better place.

Sincerely,

Dr. Jitsuhiro Yamada

Chairperson, Lions Clubs International Foundation

LVRF Breakfast

About 70 people attended the LVRF Breakfast held on March 11th at MMC in Dover.

Lion Dr. Gislin Dagnelie, guest speaker, spoke about the strides that have been made in Retinal implants to allow limited vision qualities such as light and moving objects in patients with retinitis pigmentosa. "You don't turn the system on and then everything is visible, but after intensive rehabilitation and practice, patients learn to understand what they are seeing", stated Dr. Dagnelie. 'Louie' Konstantopoulus has had the surgery and spoke about the effects it had on his life.

Donations in the amount of over \$9,000 were received from clubs. PDG Karl Gude of Lord Baltimore Club won the 50/50 and returned half to LVRF.

LEBDV

Each March we especially honor cornea donors who donate their corneas upon death. Without their generosity, cornea transplants would not be possible. Some cornea recipients celebrate #NationalEyeDonorMonth by writing thank you letters to their donor's family.

My Donor Family,

The past two years has been such a wonderful and grateful experience. Your loved one gave me my sight again and that's one of the greatest things on earth. I have my license and car now. This is my last year at Newark Charter High School. Without the help of your loved one, I wouldn't be able to have a license, car, complete high school or go to college.

Thank you,
Cameron, 18 years old

Leo Club members serving the community

Formed at the Indian River High School in Dagsboro, the Indian River Leo Club continues to help out in volunteer events across the county. LEO stands for leadership, experience and opportunity. Through their leadership and advisory under Abigail Givens and Michele Elliott, the organization volunteers in various places in need of their assistance.

The group has taken advantage of many community-service opportunities this past winter. They participated in the Dinner for the Visually Impaired in Laurel in early December. They made crafts and ornaments for the guests in attendance. They participated in "Wreaths across America" in early December, honoring fallen veterans and their families.

The Leo Club participates in monthly movie nights and family events at elementary schools, such as John M. Clayton and Lord Baltimore Elementary, and members were also able to do-

nate Christmas gifts and wrap them for families at Clayton and Phillip C. Showell elementary schools. The Leo Club plans to continue to spend

their time at those schools year-round.

Also, many of the members volunteered at the Hair of the Dog 5K

Race that took place in Bethany Beach on New Year's Day.

A major event on the Leo Club's calendar is the "Night to Shine" event, which took place on Feb. 10. The Tim Tebow Foundation founded the night for people with special needs of a variety of ages to enjoy the prom night of their dreams. The young Leos assisted as buddies, enabling their partners to have the times of their lives.

The 146 members of the Indian River Leo Club volunteer in events year-round, to strengthen their community and assist those in need. They are sponsored by the Fenwick Island Lions Club, one of more than 46,000 Lions Clubs worldwide that sponsor approximately 5,800 Leo Clubs in 140 countries.

For more information about the Leo Club program or to request service, contact Abigail Givens at Indian River High School at (302) 732-1500 or by email at abigail.givens@irsd.k12.de.us.
