DG Charlie's Message

Hello My Fellow Lions, Lioness and Leos,

At the end of August, we had the official District Kickoff Dinner/ Meeting (PSTM.) The District had a fantastic group of Lions that attended. It was a great time of learning and fellowship.

The visitations have started this month of September. We have been to two clubs thus far. They were both great clubs to visit; we all had a wonderful time at each.

As our clubs in the District start meeting and planning what we are to do for the year, always remember that “We are here to ‘Serve.’” We need to be out working in the communities to aid those who are not as fortunate as we are. Spreading the word of what we do and who we are is a great opportunity to show what we stand for out in the community.

Let us work in helping those who suffer from diabetes, pediatric cancer as well as hunger, environment, youth and vision.

As we go about our daily lives, let us not forget the fellow Lions that we have lost. They are the ones that have kept Lions in our District strong and together. We thank them from the bottom of our hearts.

Do not forget to give to LCI donations for the disaster victims!

Blessings to All,

DG Charles Taylor

Remember “We Serve” and “The Power of We”

First Vice District Governor

Having the Courage

Dear Fellow Loins,

Without a doubt I know that everyone in this district has touched my life. With great joy and warmth I would like to thank each and every Lion that said a prayer for me, sent me a get well card or called me to see how I was doing when I had my surgery and my little set back. All these combined have allowed me to heal and get back on track with the district.

There have been two visitations that have been completed so far this year. I can already see that DG Charlie has a great message to put out to the clubs. So listen very closely as he travels to your club and really take it to heart what he has to say.

I have seen greatness in this district through the reports, newsletters and the first two visitations. All of these say that every club in the district is on a road that leads them up a great hill. But this hill is not a smooth one by any chance. There are many rocks that make the road rough; like how to keep our members, get new ones as well as other membership problems. Then there are the bumps in the road as far as fund raising. I have heard of clubs having to rethink some of the fund rising that they do. Spare not; all clubs will come through with great valor and do many great this in this Lion's year.

So my fellow Lions let us not sit in the darkness of the eclipse but yet push forward with our hearts for the many great things I know this district can and will do.

First Vice District Governor

John Burris

Notes from the Editor

Dear Lions:

I'd like to remind everyone to send me your news from your club. Whether it is in the form of a newsletter or you designate someone in your club to send me an email with information about what your club is doing I'll do my best to get it in the Bulletin. Also don't forget to send me the information about your fundraisers. There are 7 pages of fundraiser in this issue of the Bulletin and there are club happenings for 20 of the clubs in the district including the Bellefonte Branch of the Claymont Lions Club. That means 16 clubs did not send me anything to put in the Bulletin. You will notice only 5 clubs sent pictures. Again send me pictures they really make the bulletin more interesting to read.

THIS IS YOUR BULLETIN!!!

Please send me information about what your club is doing and your upcoming fundraisers.

The email address for sending information to me is **begailkrebs@gmail.com**. Please send your information in word and **NOT in PDF**. This makes it easier to copy as I am not a computer geek.

On pages 7 & 8 are corrections to the roster book. Page 8 needs to be inserted into the roster book as it was left out. Correct information for Frederick Spring Creek Lions Club and Glasgow Lions Club is on Page 48 and on page 49 insert the information for Green Hills and Geewood.

Please do not hesitate to contact me with any questions.

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

Bulletin Editor

Additional Information

CLUB HAPPENINGS

BELLEFONTE BRANCH CLUB

The Bellefonte Branch of the Claymont Lions will be involved in several community events this month. They are co-hosting the Town of Bellefonte's Annual Picnic on Saturday September 16th and will be hosting the Fall Harvest Market at the Bellefonte Farmer's Market on Friday September 29th from 4:30pm to 7:30pm. Every Tuesday from 6pm-8pm they continue to facilitate the Lion chess club at the Bellevue Community Center in partnership with the Delaware Prevention Coalition and the New Castle County Community Intervention Team!

BRIDGEVILLE LIONS CLUB

In the past two months, the Bridgeville Lions have had our concession trailer(featuring great crab cakes) at 4th Friday events in Bridgeville, Frog Float in Federalsburg, Big Saturday in Greenwood and at Church of God's Community Days in Bridgeville. We will also be at the Wings & Wheels event in Georgetown on Oct. 7 and Apple Scrapple Festival in Bridgeville on Oct.13-14, 2017. In June, we were able to assist a client in obtaining a prosthetic eye replacement with the aid of a grant from DLF.

BROOKISDE LIONS CLUB

Brookside Lions have eye screenings scheduled for this month. We gave a donation to the LCIF Disaster Relief Efforts. We are selling Boscov's Friends helping Friends 25% discount cards for a \$5.00 donation to use on October 17, 2017 at any Boscov's, contact Sabie. We are selling food at the Pencader Heritage Museum located on Rt 72 and Old Baltimore Pike on October 7, 2017. On October 26, 2017 we will be cooking and serving the Chicken BBQ dinner for the Newark Senior Center's Fall Sale.

If any club is planning to visit in October our dinner meeting has been changed to Monday, October 16, 2017.

CLAYTON LIONS CLUB

The beginning of September is when the Clayton Lions club slowly begins to begin to roll along. The club has completed four visitations and will be working at the Coastal Cleanup on Saturday. Two of our members will be going to the USA Canada Forum next week. More to come as we roll along.

CLUB HAPPENINGS

CAPITOL CITY LIONS CLUB

The Capitol City Lions collected 322 pairs of used eyeglasses and 57 pairs of sunglasses during the month. We also collected over 23 pounds of food for a local pantry.

Left, Lion Pat Disharoon, Public Relations Chairperson for Lions District 22D, visited the Capitol City Lions meeting on 16 August. King Lion Melvin Nace of the Capitol city Lions welcomed her. Lion Pat explained what the district is doing to increase public relations and gave suggestions on what clubs can do to inform the public of the many things that the lions do to help the community.

We collected donations of \$392.00 at the White Cane fundraiser at Camden Redner's on 5 and 6 August. Also sold \$124.00 worth of car tickets.

At our monthly table at the Spence's Bazaar and Flea Market on 25 August, we added \$72.00 to our activities account.

We had 5 members attend the Kick-Off Dinner.

Due to the 2nd District Cabinet Meeting being the same night as our regular meeting in October, we have changed our meeting to 25 October at the same time and place.

CLAYMONT LIONS CLUB

We had our first dinner meeting of the new Lions year on September 13th. Lion Frazier Van Velsor is busy scheduling Lions for our White Cane Fundraiser on September 28th thru October 1st. Lion Fred Powell is busy getting ready for our Pancake Breakfast on October 28th at Claymont Fire Hall (see flyer on Page 35)

DELAWARE CITY LIONS CLUB

On Sunday, August 13th Delaware City Lions Club (DE), in partnership with LabCorp (a national diagnostic testing company), held their 2nd Annual Back to School Back Pack Drive for local children in front of Delaware City Fire Company. The Back Pack Drive was advertised throughout the community and on social media for one month prior. This year's drive surpassed last year's back pack give-away figure of 86. A total of 143 filled back packs were distributed.

Free hot dogs and drinks were also provided. A big 'thank you' to members of all three organizations who helped to make this event a success.

MIDDLETOWN LIONS CLUB

We recently completed our first fundraiser of the year—the Middletown Peach Festival. Unfortunately attendance seems to be decline so that means our profits have also declined. We are looking forward to our next fundriser—ART ON THE GREEN– on September 23rd. We will also be having a fundraiser and info night at Friendly’s on October 4th. During the month of August we collected 220 eyeglasses—130 regular eyeglasses, 65 sunglasses and 25 child eyeglasses.

MILFORD LIONS CLUB

The Milford Lions enjoyed an evening of fellowship with a trip to cheer the Shorebirds which included dinner in the Executive Dining area. The

Shorebirds lost this game, but the evening was a winner. At our first meeting in August we said Aloha to each other wearing our favorite Hawaiian outfit. Tony Glenn of the DFRC was our guest speaker at our second meeting. He talked to us about the impact that the Blue-Gold Football Game and the Buddy Program has on all participants, both high school students and their buddies. “Every life that comes into this world is sacred” is the guiding light of this program

NEWS FROM LCIF

6306 Multi Disaster Appeal Sep 2017 - EN

Page 1 of 2

Dear Lions,

Thank you for your most generous donations to LCIF. Just this year, your donations have enabled LCIF to respond to the disasters from Japan to South Asia to the U.S. Gulf Coast, Mexico and several Caribbean islands.

Earlier this month, Hurricane Harvey devastated the south central coast of Texas and areas of Louisiana. More recently, Hurricane Irma struck Florida and other areas of the Southeast United States, and laid waste to islands in the western Atlantic and Caribbean Sea. Mexico has been rattled by its strongest earthquake in 100 years. Together, LCIF and Lions are supporting relief efforts for all of these disasters.

We have been working directly with Lions in the affected areas to ensure they have what they need to respond in these emergencies, and disaster relief funds have been made available for Lions in all of the affected areas. In turn, Lions are coordinating their efforts with local agencies to determine the greatest need and how Lions can address those needs.

Your donations allow LCIF to respond to disasters at the moment they happen, and ensure we can respond when called upon for future emergencies.

[DONATE NOW](#)

Together, we are making a significant difference.

Sincerely,

Chancellor Bob Corlew
Chairman, Lions Clubs International Foundation

ENVIRONMENTAL NEWS

Lions, as Environmental Chairman for District 22-D, I look forward to visiting your clubs to talk about "What we can do to help our environment and natural resources". To set a date, call Lion Jack Bauer at 302-537-5175 or e-mail jebatbeach@msn.com.

The International Environmental Photo Contest is currently under review and this year's requirements will be decided by LCI at their November Directors meeting. I would still encourage Lions to continue taking your great pictures and hold a club contest to select one winner. This can be a fun activity and we will still hold a District Contest. One 8 x 10 photo from participating clubs can be sent to me by December 1, 2017, to 30854 Hidden Lane, Ocean View, DE 19970.

Looking forward to visiting you,
Lion Jack Bauer
Environmental Chairman, 22-D

PEACE POSTER TIME "THE FUTURE OF PEACE"

You still have time to order Peace Poster kits. They are available until October 1, 2017, if you are interested in participating. We will be collecting winning poster of each club immediately after November 15, 2017. We will make arrangements with each club to collect their poster. They will then be judged and returned to DG Charlie Taylor. They will then be judged at the Governor's Ball

December 2, 2017. The winner of the multiple district will then go on to International for judging. This is a great way for Lions to be seen in their Communities requiring only one or two lions. There is a possibility that we may have an essay this year. The essay is for the visually impart child in the age group of 11, 12, 13 years. MOVING FORWARD TO SCORE**NEWS FROM THE DISTRICT****Would You Like To Have Some Fun?**

Submitted by: LBLC Member Larry Smith

A few weeks ago, I was talking to a fellow Lion about his interest in helping people in Delaware that have an opioid problem. He had an idea that Lions could be a big help in preventing the use of this killer drug by becoming mentors for school children who are identified as being at risk. (Not just the Lord Baltimore Lions but, all the Lions in Delaware that want to serve in this role.)

This is when I told him about my mentoring at the Indian River School District Lord Baltimore Elementary School. I got started doing this fun work after I was part of the Lions eye screening with other Lions at the L.B. school. Sitting at the table looking at and talking to these little angles across from me was just so much fun that I wanted more, so I signed up to be a mentor. I must say that I am getting more out of helping my mentoree, Austin then I could have imagined.

Now, I'm sure that being a mentor to a young adult who is addicted to these drugs is not the same as mentoring a 10-year-old but, think about it. Isn't that the point? Drug addiction is preventable and the most effective education strategy is to help young people early before they lose their way. Mentors can make all of the difference in the world to help prepare them to set goals and make important life decisions.

If this would not be a kick and make you feel great then I don't know what else to tell you.

Can you schedule/volunteer an hour a week to help a child in one of your area schools?

Check out the below website and call them with any questions.

NEWS FROM THE DISTRICT

Hello Friends,

Eight Lord Baltimore Lions attended this event to raise awareness of the opioid epidemic in Delaware and in the country. There were 308 overdose deaths last year in DE. There were over 30 men, women, addicts in recovery, children of addicts, parents of addicts, friends and family of those in addiction and those that have overdosed. There were testimonials of recovery and the struggle to stay sober. There were announcements of recent deaths because of overdoses.

The Chief of Ocean View PD Kenneth McLaughlin spoke and acknowledged our presents at this event. He told of what it was like only a few years ago when the opioid problem increased dramatically when addicts would be encountered or ask, no make that plead for him and his officers for help. It broke his heart, he said because then there was very few treatment facilities or medical help available. The hopeful news is that today there are more places addicts can get help in Delaware. The Chief of the Georgetown PD was also there for this event.

I was very proud of our Lions that attended this event and for the support of the Lord Baltimore Lions Club, form 22-D and especially the clubs in our area and their Zone and Region chairs. There is plenty of opportunity across the state of Delaware for the Lions, as the worlds largest service organization to get out in front of this crisis and help to make a difference. In association with Attack Addiction we are exploring ways to help the community especially the elementary and middle school children and their parents to become better educated on the death and brain damage caused by these powerful drugs. Addiction is preventable and education is the key. If you have ideas, suggestion or contacts that will help us to accomplish this please contact me.

Thank You,

Lion Paul Bolton 301-774-5084

Lions Club Mentors for Delaware Students who are at risk? Submitted by: Paul Bolton LBLC

This idea came up in a conversation with the Indian River School District Curriculum Development Coordinator Dr. Luanne Hudson. What is a mentor?

“A mentor is a person or friend who guides a less experienced person by building trust and modeling positive behaviors. An effective mentor understands that his or her role is to be dependable, engaged, authentic, and tuned into the needs of the mentee.”

“Today, most youth development organizations recognize the importance of a child having a caring responsible adult in their lives. For children who come from less than ideal circumstances, mentoring can be a critical ingredient towards positive youth outcomes.”

“The word mentor comes from the character "Mentor" in Homer's epic tale, *The Odyssey*. Mentor was a trusted friend of Odysseus, the king of Ithaca. When Odysseus fought in the Trojan War, Mentor served as friend and counsel to Odysseus' son Telemachus. *Riverside Webster's II New College Dictionary 1995* defines a mentor as “a wise and trusted teacher or counselor”. The act of mentoring is a series of ongoing and little successes. You will be able to make a real impact through consistent and ongoing relationship building. Source <http://www.oypc.com/MentorTraining/3/m3.html> “

Many of the Delaware schools need mentors and I feel that Lions Club Members would be ideal mentors. We have one in our club and he said that he gets way more out of the experience than you could imagine. If you are up for the challenge here it is-Contact **Creative Mentoring at 100 West 10th Street, Suite 1115 Wilmington, DE 19801 phone: 877.202.9050**. You will need to fill out a registration form, there is a background check and a 3 hr. block of training in Frankfort. The program kicks off in Oct. when you will begin meeting with your mentee for 1 hr. a week. The emphases is on relationship and character building rather than academics. If you have the heart to serve the needs of these young people and just perhaps make a major difference in their lives and the choices that they make DO IT! I hope that I will see many you Lions in October in the mentoring program.

MILFORD CHRONICLE

LION'S DEN

Milford Lions Club examines sight screenings

The Chronicle

In 1925, Helen Keller attended a Lions Club International Foundation convention in Cedar Point, Ohio. In her presentation about the American Foundation for the Blind, she closed with this remark: "I appeal to you, Lions – you who have your sight, your hearing, you who are strong and brave and kind, - will you not constitute yourselves Knight of the Blind in my crusade against darkness?"

Now, with that goal in mind, the Lions clubs all over the world do just that. They collect unused eyeglasses and redistribute them. They develop "Sight Screening" processes in which young children are screened to measure the alignment of their eyes.

The Milford Lions Club uses a device named

"PlusOptix S-12 Vision Screener" to screen the eyes of children from 6 months through 8 years. In an average year 600 or more children are screened. All children need signed permission from their parents. If the screening indicates additional measures are needed, parents are given the results of the screening to take to an optometrist.

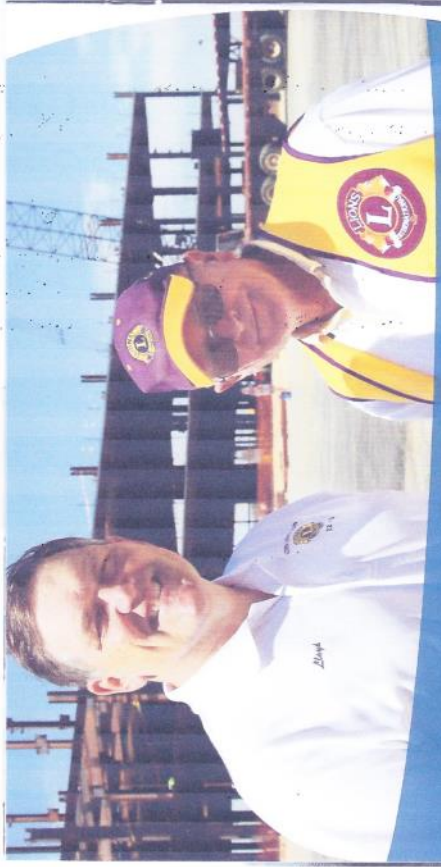

Milford Lions do the screening at various locations in and around Milford: Avenue Pre-School, Head Start, Morris School, and others. In addition to local screening, the Milford Lions assist Frederica-Spring Creek Lions screening at Lake Forest kindergarten students and the Harrington Lions with their kindergarten youth.

In addition to the vision screening, the Milford Lions have several locations here in Milford where unused glasses can be dropped off

– Senior Center, Delaware Eye Care, M & T Bank, Halpern Eye Care, Nemours Senior Care, Dr. Stump's office, Make Waves Salon, Rogers Funeral Home, and Village Optical.

The donated glasses are picked up by Lions members on the Delaware Lions Sight Team. The glasses are then sent to Sussex Correctional Institute where inmates determine the refraction and mark them. Following this, the glasses, about 300 per month, are taken to a location in Milton where Lions sort the glasses by refraction strength, lowest to highest. After this process, the glasses are boxed and taken to third world countries such as Nicaragua, Santo Domingo, and the Dominican Republic by Lions volunteers.

MILFORD LIONS CLUB INVESTS IN THE FUTURE HEALTHCARE OF THE COMMUNITY

The mission of the Milford Lions Club is to give back by meeting humanitarian needs of the community. Many nonprofit organizations benefit from the hard work and generosity of this group of volunteers. Recently the club made a significant pledge to the Bayhealth Foundation towards the *Campaign for Bayhealth — Phase III* in support of the new health campus in southern Delaware.

The Milford Lions Club was established in 1946. One of the main projects of the club is providing free eye exams and glasses to those less fortunate. In addition, the club has donated books to the Milford Library, assisted low-income families with utility bills, held numerous food drives, and provided scholarships to local students. "There is so much we do, it's a tremendous amount of work, but incredibly rewarding," said Clyde Bragg, Milford Lions Club secretary. "We are always in need of new members and encourage anyone to apply. It feels good to be a part of a club that does so much to improve the quality of life and wellness of the people in the community."

Milford Lions Club President Lloyd Webb said the new health campus is going to be a huge benefit to Milford residents. "We serve and take care of those in need in the community," he said. "Superior healthcare is always a need

and especially important as the Milford population continues to grow. It is an investment in the health and well-being of the people in the community."

Bayhealth Foundation President Lindsay Rhodenbaugh said the partnership was brought about by an initial conversation with Robert Voshell, a member of the Milford Lions Club and the *Campaign for Bayhealth — Phase III* campaign committee. "This generous expression of support from the Milford Lions Club is particularly gratifying. Like Bayhealth, the Lions are focused on serving the critical needs of citizens in our area," said Rhodenbaugh. "Their philanthropic commitment to the health campus is a tangible demonstration of the kind of partnership that makes everyone in Sussex County stronger. We're very grateful to Bob for his outstanding work in this instance and many others."

The \$300 million health campus project in southern Delaware is well underway thanks in part to generous donors and supporters like the Milford Lions Club. The 445,000 square foot health campus is scheduled to admit patients in the first quarter of 2019. "As Lions we always look to the future," Webb said. "The future of healthcare in our community is going to be cutting edge superior care, and that's something worth investing in."
