## From Our Leadership

### District Governor John Burris

Dear fellow Lions,

It is hard to believe this is my fourth article already this year and the year is steaming right along.

Over the past three and half years I have seen some amazing things being done within this district.

There are clubs starting new service projects as well as keeping the older ones, clubs raising funds for the many different projects that help others in need; it all could not be done without the courage to look beyond the horizon. Doing this has afforded the clubs the opportunity to serve the people that cannot serve themselves. To me this is a very humbling experience to see the great work that is being done up and down the

state.

We are doing very well in getting new members to join and for that my sailor's hat is off to each and every one of you for working so hard to grow the district. In doing so, we are able to serve many more people. But we still need to work hard to continue to grow as well as to make sure we hang onto our new members. Those new members come in looking for a job so give them something to do within the club. One never knows if that new member will become a great leader within this district.

Speaking of never knowing who may become a great leader, I would like to thank Tony Lee for running for the position of first vice district governor. I have gotten to know him over the past few years and I know he will serve this district with pride. He will be a great leader as well as carry this district forward to many great things beyond the horizon, because he has the courage to step up.

As a final note, please let us not forget the foundations that we can give to in order to support projects in the district and beyond. Just think of the good it does to give back someone's independence by donating to Leader Dog or the DLF. So I hope the clubs have put in their budgets this year to help these foundations.

Yours in Lionism, DG John Burris

## **1st Vice-District Governor Kenny Vincent**

Greetings Fellow Lions,

**Cabinet visitations have begun!** We are off to a good start with cabinet visitations. As tradition has it, we started with Murderkill Lions Club. I am looking forward to visiting all the clubs and I always come away learning something new. I strongly recommend your club participate with club visitations. You too will most likely learn something new or how to do something differently with your club. And remember visitations are part of the Lions Contest and Awards Program. See your roster book for details.

**Delaware Lions Foundation Inc. (DLF)** The foundation was created for District 22-D clubs to take advantage of when they need monetary assistance in order to satisfy a financial humanitarian service project through matching grants. Click on the following webpage <http://www.delawarelionsfoundation.org>, then near the top of the page click on "Forms". Here you can complete the appropriate form. This website is user friendly and includes DLF history, pictures, as well as other information for your review. I encourage you to take a look!

**Lion in the spot light!** One of the best Lions' investments Cindy and I have made is purchasing Delaware Lions' vests. Recently, we attended the USA/Canada Forum wearing our vests and to our amazement we received many encouraging compliments. **CS Delores Springer** of the Milton Lions Club is the "Vest Lady". She has ordered vests for several clubs. Wouldn't it be great if every Lion in 22-D wore a vest? Individually, or as a group, wearing vests out in the public promotes Lions! If your club is interested in ordering Lions' vests contact CS Delores at [csdelores@gmail.com](mailto:csdelores@gmail.com). She is

willing and ready to take your order. *If you have an idea or are providing a service that I can share with the Lions of 22-D, please let me know.*

**Trivia question for this month!** On what pages of the 2018 - 2019 Roster Book are the rules posted for District 22-D Lions Contest and Awards Program? The third Lion to reply will be the winner. Is your club participating in the Contest and Awards Program? Last month's winner was Zone Chair Sheila Schieferstein of the Frederica Spring Creek Lions Club. The answer was: **Diabetes, Environment, Hunger, Childhood Cancer, and Vision.**

### Looking Ahead

**Veterans Day is November 11<sup>th</sup>.** Veterans Day is a time to honor and thank those who are serving or have served in the military. Please say "thank you for serving" to someone who has served or serving in the military.

**World Diabetes Day is November 14<sup>th</sup>, 2018.** Diabetes is one of the most pervasive and fastest-growing diseases in the world today. It affects people of all races, income levels, and ages. Lions Clubs around the world are responding to this global epidemic by committing to help prevent diabetes and improve the quality of life for those who have been diagnosed. What is your club doing for diabetes? Please let me know.

**Yours in Service, VDG Kenny**

## Special Projects

### Why is District 22-D Unique?

22-D is unique and exceptional in many ways, but two reasons stand out. First, Delaware is small in size but strong in service and commitment. The State of Delaware is one of a few states that makes up an entire district. 22-D is part of Multi 22, consisting of Delaware, 22 -D Maryland, and the District of Columbia 22-A, 22-B 22-W and 22-C.

Second, and this is the most unique reason, Delaware's Department of Motor Vehicles permits Lions Club members to select a tag number that is special and unique to that member rather than a random number chosen by a clerk.

The process is easy and fast. It begins with contacting the License Plate Chairperson by phone or email. The Chairperson keeps an updated list

with eligible and non- eligible tag numbers. After the number is selected, a one page DMV form is completed by the member and returned to the Chairperson together with a copy of the vehicle's registration card that the LC tag will be placed on. This is important as the LC tag cannot be placed on *any* vehicle, only the selected vehicle.

Once this information is received by the Chairperson, it is hand delivered to the DMV. After approximately four weeks, the new Lions Tag and registration card is issued and mailed directly to the Lion Member. The cost is a one-time fee of \$12.00. Many times as a special recognition, the District Governor will cover the fee and present the tag to the deserving member.

The “non-eligible” tag numbers are numbers that follow District 22-D policy which reserves tag numbers LC 1 thru LC 10 for the District Governor, Vice District Governor, current and past International Directors, and Cabinet Members. LC 11 thru LC 99, are reserved for Past District Governors. LC 100 thru LC 9999 are “eligible” numbers and available for Lion members of District 22-D.

Traditions run strong is Lionism and the same holds true with 22-D. Tags LC 1 and LC 2 are passed down each year from the outgoing District Governor and Vice District Governor to the Incoming District Governor and Vice District Governor.

It is always gratifying to see LC 1 and LC 2 on the respective vehicles along with all the other LC tags of District 22 - D members in parking lots at meetings and other events within our District, not to mention on the Delaware roadways. This is one of the greatest and least expensive forms of advertising for Lions.

As an example, during a recent visit from 1<sup>st</sup> Vice President Jung-Yul Choi of Korea, he noticed LC 1 on District Governor John Burris's car. Vice District Gov. Kenny Vincent explained our policy and of reserving tag numbers 1 through 10 for our top officials to honor them during their time in office. 1<sup>st</sup> Vice President Choi thought that this was a great idea and was impressed with the policy.

**Diabetes Awareness: Tony Lee**

Club Presidents,

One of our main themes this year is Diabetes Awareness. I would like to encourage each club to research the LCI Diabetes Resource site to explore opportunities to provide awareness and information to your community. I would ask you focus on Nov 14th as a target date, but it doesn't have to be just one day. It could be as simple as including diabetes information within your white cane or provide literature at club meetings. I'm also available to come to your club and provide a quick brief or help brainstorm with your Diabetes Awareness committee.

If you need more information just email or call me - [tleesports@gmail.com](mailto:tleesports@gmail.com); 302 698-5144

## VDG Kenny's Pin Design 2019 - 2020

1.5x1.0 Gold Metal

-  Raised Metal
-  Hex Black
-  287 C
-  7406 C
-  1215 C
-  Red 032 C
-  2272 C
-  5435 C
-  417 C

I have been working for a while designing a pin. I am happy to say I am presenting to you the pin design for the year 2019-2020. I began with the background being the buff diamond. Delaware is sometimes referred to as the diamond state and the diamond is displayed on the Delaware state flag. The shape of Delaware is located in the middle of the diamond and colored colonial blue. These two colors are the state colors. Next, you see three icons: Blue Hen, Holly Tree, and the Horseshoe Crab. In my mind these three state symbols represent the three regions or counties of Delaware. The word Delaware is vertical going through all three counties bridging us together. The years 2019-2020 represents when the pin was the official pin. The Lions logo is included representing who we are. I hope you like this design and concept.

At the Second Cabinet Meeting the pin will be presented for discussion and approval. Sending this now so you can have better knowledge of reasons for the pin and view the design in advance.

Yours in service,

VDG Kenny Vincent

Tom Ramsay, Bulletin Editor

### CLAYMONT LIONS:

We began our annual fund-raising with FALL WHITE CANE DAYS under the leadership of Chair Frazer Van Velsor. Lion Frazier is to be commended for the time and effort he gives to this activity. Our income of \$4,340 resulted in \$4,202 for the club after expenses. We had budgeted \$4,159, resulting in a positive difference of \$52 for the club. Thanks to all who participated.

A Club Budget for the 2018-2019 Lion Year will be prepared and presented to club members in October for consideration, prior to adoption by the Board. It will provide direction for club activities during the Lion Year.

Please note the change from usual meeting dates (listed in this issue) brought about by another activity at the Waterfall.

Lion Fred Powell has scheduled our first PANCAKE DAY for Saturday, October 27 at the Claymont Fire Hall. More information will be given as we approach that date.

Co-Chairs Lee Bird, Dick Gackebach and Tom McDonough have announced that the annual Christmas Tree Sale will begin with the unloading of trees on Friday, November 23, at the Claymont Fire Company Sub-Station at Marsh and Naamans Roads. Please note this date and plan to participate. More information will be provided.

Lion Randy Keim is participating in another Bike-To-The-Bay fund-raiser to benefit Multiple Sclerosis. Commendations to Lion Randy.

Plan to attend dinner meetings regularly. Participation in fund-raising activities at dinner meetings provides financial support for our administrative account.

King Lion Sue's Message

Dear FSC Lions,

Happy Fall -- well, if you like weather that's too warm and too rainy! Of course, there are many great days interspersed in the less than perfect ones. This can be the same for Lion events, some are more successful than others, but they are all important and help our club to move forward toward our goals. The positive is that no matter what the event "weather", so many FSC Lions are always there and willing to step up and help SERVE!!

This is the time of year when our club is super busy. Our service projects such as Senior Citizen Aid and Adopt-A-Highway are still ongoing, and Pre-School Vision Screening and RAP are just beginning for another school year. Next month even more of our yearly services will begin! The fundraising continues with Car Raffle ticket sales and our own \$8 for Scholars raffle, plus the Boseov's Friends Helping Friends Day is rapidly approaching (October 16<sup>th</sup>). Don't forget our Vision Day fundraiser at Texas Roadhouse on October 25<sup>th</sup>! Give out those coupons!! And our biggest fundraiser of the year, the Quarter Auction, is just around the corner on November 3<sup>rd</sup>!! Sell your tickets and let's make this a huge success!! Thank you!!

Since I began this letter referencing weather, I'd like to finish by asking everyone to keep all of those affected by Hurricane Michael in your thoughts and prayers as they move forward to recovery and healing.

Yours in Service,  
KL Sue

In September Middletown successfully held a new fundraiser at the Townsend Fair. The weather cooperated with plenty of sun. There were many young families enjoying the parade and festivities. We enjoyed a fair profit selling our crab cakes, hot dogs and drinks. As it was our first time participating, we plan to tweak our menu to accommodate the young

crowd next year.

We did our first preschool eye screening of the new Lion's year testing 16 children and referring two for further testing by a specialist.

We also had the honor of hosting a visitation from District Governor John and his cabinet. We wish him much success. Many neighboring clubs joined us to hear his message.

**Message from our Club President**  
Hello My Fellow Lions,  
Thank you for such a great showing of our members for the Governor's visit. As always a very good time. Well, we had our first try at the Townsend Fair, and I believe it was a worthwhile event. Best of all we were working in our service territory in front of the people "We Serve". Thank you to Lion Desiree for the potential for a new event for next year in the spring. These are the types of things that will get our club exposure, as well as keep our service projects growing.  
Thank you District Governor John for attending our meeting. Your Cabinet and the district around us helps us to continue to do the good works here in Delaware.  
Well, we're not done yet!! Blackbird Creek Festival is the 20<sup>th</sup> and it's all hands on deck as usual. If we can have the same showing as the last event we should be in good shape. Again, thank you to Lions Desiree, Don, Aimee, Dennis, Carolyn and Rita for a job well done at the Townsend Fair. A crab cake workshop will be scheduled soon to replenish our supply.  
Keep those eyes and ears open for a new Lion, they are out there!

**Thoughts from KL Fran**

The month of October is when you start noticing that the trees are changing color. Days are pleasant and the nights are cool. It is also the month when Halloween is celebrated and it is "trick or treat" time. Please take time out from your busy schedules to "treat" yourself. We all need a little boost.

As we head into the fall months, Wheel Barrow of Cheer ticket selling is going very well. We only have a few weeks to finish up one of our main fundraising events. Please see Lion Annemarie to get your name on her calendar--guys too!!

I would be remiss if while we are talking about ticket selling a GREAT BIG THANK YOU needs to go out to Lions Walt and Joe for making sure everything is set. While I am thanking them, I haven't forgotten those of you who have taken time to do the selling.

The strength of our club is that we each must carry our load to make an impact on the community. However we need to attract new members and I would encourage you to ask someone to visit our club and encourage them to join. Please check elsewhere in the newsletter for important information and dates and mark them on your calendar. Please remember that the first and third Monday of each month are VERY important days.

So as we enjoy this beautiful time of the year, think about what the Midway Lions Club and each member means to you and how it can be an even better club.

KL Fran

**OCEAN GRILL - SHOPPES OF LONG NECK!**  
at 6:00 Board Meeting - 4<sup>th</sup> Tuesday at 6 P.M. - Ocean Grill beginning September 11.

Greetings Lions and Friends!

With the Fritter Shack in full swing we need to be sure we have all shifts covered. Fridays are good thru October, but Saturday cooks are needed. If anyone is willing to learn to cook, please speak up; we have several excellent instructors that will teach you.

A special thank you the Lions and friends that helped skirt the ramp at The Sanzone's last Saturday.

It may sound crazy, but we need to be thinking about Christmas. How would you like to see our club celebrate the season? Ask your significant other for suggestions. Since we meet only once a month, there are only 2 meetings to make these decisions.

As I have indicated at several meetings, I feel we should make an effort to visit the other 12 clubs in our region. Lion Bob Patterson has agreed to head up this plan, so please let him know if you are willing and able to join a visitation team.

King Lion David.

## LCIF CAMPAIGN 100 Update

October, 2018

# Campaign 100

A Campaign to Empower the Service of Lions

**\$300 Million / \$97,669**

The bar has been set high by LCIF for District MD 22 – D and as of the end of September we are behind having only donated \$4,416.48 well below what the district donated this time last year - \$11,303.00. There still is a lot of time left in the 2018/2019 Lion Year and there is also some good news about donations.

There is an Honorary Committee Challenge headed by PDG Jim Minnich and PDG David E. Jones to have all 36 PDG's to pledge \$1,000 toward "Campaign 100" and 6 PDG's have pledged already. See the District Governor's Wall of Honor. Also, six other Lions have made their pledges. See the Lion Wall of Honor below.

Thank you all for what you have already done to support LCIF, your foundation, and what you can do to support Campaign 100.

Yours in Lionism,

PDG A. Kendall "Ken" Chew, III

LCIF Coordinator

**LIONS RESPOND**  
We see the effects of devastation every day. Many say the world's needs are too great. Many say there's nothing we can do. Lions say, "We Serve." We are Lions, 1.4+ million men and women strong. We are Leos, Alpha and Omega. We are Lions Clubs International Foundation, the only foundation to empower the service of Lions on a global scale. Together, we offer hope and impact lives.  
We will continue our shared commitment through **Campaign 100: LCIF Empowering Service**. Our foundation's **US\$300 million** comprehensive capital campaign launches in July 2018. From there, it will span three years, but its impact will last generations. Campaign 100 will enable us to serve more than 200 million people a year by 2021 and ensure Lions have resources needed to expand our global causes and impact.

**It's time to plan your diabetes service activity.**

**Our [Diabetes Service Journey website](#) has been informing and inspiring Lions and Leos worldwide for two months now. We've given away two Fitbit Charge 2 wristbands, and you're responding to our poll questions in record numbers.**

**With World Diabetes Day just weeks away on November 14, it's time to start planning your club's diabetes service activity if you haven't already. We're here to help you with valuable planning resources, and when you get them through our [Diabetes Service Journey website](#), you'll automatically be entered into this month's contest.**

**Please encourage your club members to get involved by entering our contest and participating in at least one diabetes service activity. Through your leadership, we can fulfill our mission to reduce the prevalence of diabetes and improve the lives of those diagnosed.**

**Thank you for taking steps to fight diabetes.**

## **In Memoriam**

It is with great sadness that the Camden-Wyoming Lions have to report the death of Lion Tom Dawson. Lion Tom passed away Monday night October 8th. Please keep his family and the Lions of Camden-Wyoming in your prayers.

ALSO ON A SAD NOTE, Lion Michael (Mike) Scott of the Dewey Beach Lions passed away on Sept. 28<sup>th</sup>. Mike had been a member of the club since 2008. He fought the good fight and will be missed.

## **22-D's New Members 2018-2019, Q1**

As you may already know, District Governor John Burris will reimburse Clubs for the first 50 new members inducted this year by paying

their LCI \$35.00 dues.

As of now, six Clubs have brought in 16 new members and are currently waiting to process six more. So, if you have a potential member, please do take advantage of this program, as 22 of the 50 new members to be reimbursed have already been signed up.

Please email CT Gina Daniels at [ctgdaniels@gmail.com](mailto:ctgdaniels@gmail.com) with names and enrollment/induction dates of new members you would like to have reimbursed.

### A Poetical Postscript:

**MILTON LIONS CLUB FITNESS PROGRAM:  
Or, how to get fit with the Milton Lions.**

In the park triathlon -- Milton Express, Raffle Tix,  
Fried dough & Lemonade -- do all three for kicks.

It is time to grapple with getting teams of six  
To share and prepare the mix -- funnel cakes without scrapple!

Sit in pre-school chair, and get pics of the eyes  
Walk for Sight and dollars, collect and sort glasses by size.

What's that you say? Things pass you by?  
Lions have a test so you hear best.

Electric chair to repair, can bring out in anyone the bear,  
Assemble and deliver a bed, one can look ahead for cred.

Measure, cut, nail, bolt, drill, dig, do not hamper,  
Strain. Screw. Clean up -- you've become a ramper!

Sweet potato fries, sweet potato pies,  
After all the bending will we be able to rise?
