“Moving Forward to Score”

DG Charlie's Message

Hello Fellow Lions, Lioness and Leos,

Time is moving fast for my end as District Governor. I have enjoyed this year tremendously. My fondest memories are of visiting clubs and meeting Lions from all around.

On March 23, 2018, Kathy and I along with our great friend from 22-A DG Paul Rafe visited New York City. Friday night was very interesting meeting friends new and old from different regions and districts. The purpose of our visit to New York City was to attend Lion's Day at the United Nations. We heard many comments on the subject of diabetes. Leos from all over the United States shared great stories on how they are working with diabetes. If you have never been, it would be enjoyable for all to go to the United Nations.

Leader Dog North took place March 26, 2018 at Delaware City. The meal and dessert were fantastic. The speaker was very entertaining and knowledgeable. Leader Dog South took place on March 27, 2018 at Milford Firehouse. The speaker was the same for this event as well providing such informative and interesting information. Thank you PDG Bob Jones for all your hard work. Nicely handled!

A wonderful time was had on March 28, 2018 celebrating 80 years with Claymont Club. The installation of the Bellefonte Club occurred at this celebration.

Wilmington Manor held their 75th anniversary on April 7, 2018. A long history of when the club started and what they have accomplished over the years was celebrated. All attendees appeared to have a lot of fun and participated in great conversation.

I also had the pleasure of attending Delmar's 80th anniversary on April 11th.

Visitations are now complete with Pike Creek-Hockessin being the last one. The last Cabinet meeting took place at Modern Maturity Center on April 15, 2018. Thank you for all that came out for that event.

Don't forget the Delaware Lion's Foundation walk will take place on April 29, 2018; we will be looking for a great turnout.

I want to thank all of District 22-D for all they do for their fellow man and their communities.

Blessings to All,
DG Charles Taylor

MOVING FORWARD TO SCORE

First Vice District Governor

Having the Courage

Dear Fellow Lions,

It is once again time to see the wonderful port calls the SS 22D has made and will be making.

First was the Leader Dog North and South with Kim and Gemma leading the way. Kim gave a wonderful presentation on just how Leader Dog took her on a life's journey that has only begun. Just how it took her from a country setting and dropped her in the heart of New York City. Plus many other things that she has accomplished over her life now that she has Gemma leading her through her life.

The next stop was the Claymont Charter Night that was also the first Charter Night of the NEW Bellefonte club's Charter Night. This was a wonderful night with PDG Cheryl Jones not only giving the wonderful history of the Claymont Club but also the way she ended her speech with the last ten years themes of each past International Presidents theme. The speech set the tone for all the wonderful awards that were handed out that night.

The biggest joy was seeing all the new members of the Bellefonte club receive their charter stating that they are now the 36 club in District 22D. They already have 47 members and are going to be adding more as time goes on.

The last visitation port call was completed this week by stopping back to the Pike Creek Hockessin Club. It was a wonderful meeting and great to see all the members of that club.

Now the last big port calls before the convention was made at the last Cabinet Meeting. This Cabinet Meeting is always a joy in seeing all the awards given out for all the hard work the Lions have done over the past Lions year. The reports that were presented go to show just how strong this District is in how we are serving the people of Delaware.

In closing let us all remember that the MD22 convention is coming up. It would be so great if we all could go to show our support for the district governor and vote the new ones in. Let us not forget that the district with the most members attending the convention gets to hold onto a trophy. So Lions let show the district 22D pride and let's make some roaring noise at the convention.

First Vice District Governor John Burris

Notes from the Editor

Dear Lions:

There's a lot of photos again in this issue. We had Leader Dog North, Leader Dog South, Lions Vision Research Foundation Breakfast, the 4th Cabinet Meeting and two visitatons.

Again this month we had 23 clubs submit articles or newsletters for this bulletin. I try my best to get what you send me in so everyone will know what the other clubs in the district. There are still about 10 clubs in the district that I do not hear from. If you are one of these clubs I really would like to hear from you either by you sending me a bulletin or and email with a summary of what your club is doing. You've got 2 months left to get your club in the Bulletin.

In addition to the bulletin I have included two additional attachments. One is about the Memorial Day Parade and the sign up sheet for it and a very informative newsletter about the upcoming convention in Ocean City, MD.

Don't forget to send me flyers about your upcoming fundraisers!!!

Also included in this bulletin are several sign up sheets including the Officer Training on June 2, 2018.

The email address for sending information to me is **begailkrebs@gmail.com** Please send your information in word and **NOT in PDF**. This makes if easier to copy as I am not a computer geek. For some reason Publisher does not work with PDF's.

Please do not hesitate to contact me with any questions.

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

Bulletin Editor

DG Charles Taylor requests to please include him in any emails informing the Cabinet Secretary of club functions and notices. He especially wants to be notified when you have a member who passes away.

Membership Summit

MD22 began the Lions' Year on July 1, 2017, with 6,813 members. After six months, as of December 31, 2017, 22A has 801 members in 29 Clubs, 22B has 1,320 members in 46 Clubs, 22C has 1,337 members in 47 Clubs, 22D has 1,263 members in 35 Clubs, and 22W has 1,929 members in 59 Clubs. We have added 283 new Lions in the first half of the Lions' Year, but have dropped 442 Lions, for a net loss of 159. We have 216 active Clubs, but have cancelled 3 Clubs and have one in status quo. We have no pending new Clubs.

What are we going to do? Are we going to wait for our five Districts to be reorganized with all of the Districts impacted? Or, are we going to take action in each Club and each District to slow the loss of members which will allow our organization to grow?

At the request of the Council of Governors and the Long Range Planning Committee, MD22 Global Membership Team Coordinator PDG Dee Hawkins and MD22 Global Leadership Team Coordinator Lion Martin Bonura are hosting a Membership Summit to be held on two different dates and at two different locations. This is the third and final step in a two-year process. The Summit will be an interactive event with action plans provided to each participant to bring back to their Clubs and their Districts. These action plans will emphasize how to succeed in retaining members, as well as action plans for recruiting new members.

The first Summit will be held on Saturday, April 14, 2018 from 9:00 a.m. to 5:00 p.m. at the Elks Annapolis Lodge #622 at 2 Pythian Drive, Edgewater, MD 21037. The second will be held on Saturday, April 28, 2018 from 9:00 a.m. to 5:00 p.m. at the Myersville Fire Department Hall at 301 Main Street, Myersville, MD 21773. Coffee and donuts, as well as lunch will be provided.

We are asking each Club in each District to send two or more attendees to either of the two Summits. We ask that each Club or individual Lion RSVP to md22membership@gmail.com with the names of those who will attend and which Summit they have chosen.

Come and be a part of the solution! Take home tools that you can use to help grow your Club, your District, and MD22, and expand service in your communities.

Dear Participant,

Your participation in the Walk for Sight enables the Delaware Lions Foundation to continue to support the Lions, Lioness and Leo clubs of Delaware in their efforts to help those Delaware citizens who need assistance. This is made possible by way of grants that the Foundation issues to the local clubs enabling the clubs to provide service projects they may not be able to do otherwise.

NEWS FROM THE DISTRICT

Delaware Lions are Serving the Community and Making a Difference in Substance Disorders

submitted by: Lions Paul Bolton Lord Baltimore Lions

Lions Clubs in Sussex County are starting to educate themselves about the epidemic of opioids and the deaths and devastation of families in their communities that it is causing. The first thing that the Lord Baltimore Lions Club did months ago was the look around for organizations that have programs that help raise awareness of the problem and that supports those suffering from this disease and their families. We found two groups one is **atTAcK Addiction** <https://www.attackaddiction.org> and also **Delmarva Team Challenge** of Seaford, <https://www.teenchallengeusa.com/center/1700> We had a speaker from atTAcK Addiction speak at our club meeting and later at the zone meeting. We visited the 40 bed Teen Challenge women's recovery facility in Bridgeville which should be opening shortly. Our club and some members have been contributed to these programs financially, with wish list items and also attended meetings and events. Lion Daniel Elkins who is the President of the Bellefonte Branch of the Claymont with a LCIF grant is implementing the Lions QUEST program and has arranged for the training of several Lions in the state including District Governor Charlie Taylor and 1st. Vice District Governor Joh Burris.

On March 12th our club organized and sponsored a Drug Use Disorder Awareness Panel Discussion for parents at the Indian River High School Auditorium. We had a great panel and the information was helpful however, the attendance was light. There must do more programs. The Coastal Point reporter Mari Counts did a great job covering the main points that the presenters made.

We also found the DE. State **Connecting Generations** mentoring program to be a good program but, they are in a critical need of more volunteers especially males. We have a few mentors in our club. The list of students waiting is long and the program can use many more Lions to volunteer. Lions are ideal as a mentor in my opinion and if you have the time and the desire to help our youth contact www.connecting-generation.org or call 302-656-2122.

To recap Lions please get on board. We cannot afford to miss this train because to many of this generation is being lost to these substance disorders. Look for organizations and speakers in the community who can speak and answer substance disorder questions from your members. Find groups who have successful programs that your club can work with and which you can support financially and with some of your members as volunteers. Look into the mentoring program and talk about it in your club. Lions Clubs can make a difference. Any questions call me at 301-774-5084.

Note: atTAcK Addiction is having it's 2nd Annual RUN FOR RECOVERY 5K on Sat. May 5th at Cape Henlopen High School. They need volunteers and financial support. For more information or to register go to: www.seashorestriders.com/race-schedule/2nd-run-recover-5k-runwalk

If it is important to you, you will find a way. If not, you'll find an excuse.

Press Release

Lions help us see clearly

The Seaford and Laurel Lions Club's provided vision screening in connection with Nanticoke Health Fair this past Saturday at the Laurel High School. In a combined effort, these dedicated Lions screened about 150 members in our communities. While most of those screened were satisfactory, 30 participants were referred for further evaluation. In one instance, a 16 month old child had multiple anomalies. Without this basic screening test, the conditions observed would continue to worsen during this critical growth period.

In the true humanitarian concept, these fellows maintain everyone should have the opportunity for proper eye care. While the screening process these Lions offer represents a wonderful first step in good eye care, they recommend an annual evaluating by an eye care professional. Those with financial need or otherwise unable to afford proper care, help with finding Professional Health Care and financial assistance was offered.

Hats off to the Lions, in the true sense of giving, this World Wide organization continues to help the less fortunate in all our communities. In addition to providing Vision Screening they help with diabetes, hearing difficulties and many other needs in our communities. New Castle Displays Its Easter Finery

It's a tradition in New Castle. After church on Easter Sunday morning, you come to the Green to show off your Easter outfit. Maybe they did the same in Colonial times but at least for the last few years, the Easter Parade on the Green has been sponsored by the New Castle Hundred Lions Club. And, though it was a bit cool and cloudy, the people showed up on Sunday morning to compete for prizes for the best outfits. It was a tough competition, but the winners were chosen. *Their names appear on the back page along with many more pictures of New Castilians in the Easter finery.*

Left: The Easter Bunny leads the parade. Right: Marrisa and baby Mia take in the festivities
