From Our Leadership

District Governor John Burris

Dear Fellow Lions,

I am very pleased and humbled to see so many members attend the Banner Transfer. 30 of the District's 36 clubs and almost 200 people were there that night. This in itself showed me that we are a strong district that has the courage to look beyond the horizon to see what awaits us on our many

ports that we will be stopping at this lion's year.

By the time the district bulletin is put out, 22-D will have had its first cabinet meeting completed. I can say that by the number people that have registered -- over 90 members -- I know this district is going to have a great lion's year. The reports that the cabinet members have prepared are right in line with what our

district needs to do in this lion's year.

As anyone knows, there could be an unscheduled stop by a cruise ship to see something magnificent so that all the passengers can see the marvel. Well, such a thing has happened with the SS 22-D. The Vice President from Lions Clubs International, Dr. Jung-Yul Choi is coming to visit the lions of Delaware. I will be sharing his visit with all of you in next month's bulletin.

We are also preparing for a stop of the SS 22-D on August 28th with the annual kick off (PTSM). I am so excited to have the whole Global Action Team (GAT) speaking that night. I know that in past years they have spoken at the first cabinet meeting, but I really believe that as a team, we need to stand together to deliver the great news as to what we have planned for this lions year. It is almost like hearing a good chorus singing when you hear all about the plans underway. The cabinet is looking forward to getting the visits to all the clubs going so that we can hear firsthand from the clubs just what they are doing for their communities, as well as what new projects they are thinking about undertaking.

Fellow lions, I leave you with a quote from Winston Churchill: "success is not final, failure is not fatal: it is the courage that counts".

Yours in Lionism, DG John Burris

1st Vice-District Governor Kenny Vincent

Greetings Fellow Lions,

As we all know, "We Serve" is the Lions motto. I've been thinking of ways to increase "service".

Here is my proposal: Why not include Lions from one club helping Lions in another club with service projects / activities and include this as a visitation. This would be a way for clubs to do a visitation along with serving. In our roster book, the purpose of visitations "is to encourage the exchange of ideas and fellowship with other Lions." I can't think of a better way to share ideas and fellowship. Imagine that two or more members from a club attend another club's service project and work along with them; learn how the project is planned and performed; and meet and work with your fellow Lions to share a bond. A visitation certificate would be issued as customarily done for dinner visitations and be counted as a "visitation". In addition, the visiting club would earn service hours for their club! We may need to tweak this thought, but I am sure you get the idea. Working together, we can accomplish more and at the same time make it easier on each of us. What do you think?

My title is 1st Vice District Governor. For many, including me, it's a mouthful. Often Lions stumble over saying the title. Currently we do not have a 2nd Vice District Governor. So does a number matter? Not for me. I feel it is okay for you to call me Vice District Governor with no disrespect applied to the position. Please feel free to address me with either title. Use the title that you are most comfortable saying.

The first Lion who emails me the correct answer to this trivia question will win a prize: What is the name of the University of Delaware student, featured in the May

2018 Lions Magazine, who wants to spearhead a Lions club at the university?

I have been in contact with this UD student. He is excited to get started with Lions. I suggested creating a Branch Club on campus and he thought that was a good idea. Does anyone know of a Lion UD faculty member or employee who may want to help? Also, we need a sponsoring club, which I feel should be located in the area. Any clubs interested? Let's make this happen!

Many thanks to all the Lions who purchased raffle tickets to support my campaign while I was running for 1st Vice District Governor. At the Banner Transfer, DG John Burris drew the lucky ticket. Congratulations to PDG Glenn and Lion Gail Williams for winning.

Yours in Service, VDG Kenny Vincent

atTAcK Addiction: International Overdose Awareness Day

atTAcK Addiction just sent out an e-mail announcing an event. Last year 9/2/17 several Lord Baltimore Lions Club members went to the Circle for this event. More and more sons, daughters and friends are still overdosing in Delaware. Mark your calendars and let's make sure the community sees a bunch -- no, make that a big bunch of Lions and concerned citizens -- at this event on 8/29.

International Overdose Awareness Day
to be held on The Circle,
Georgetown, Del.,
Wednesday, August 29th, from 7:00 - 9:30 PM."

Time to Remember, Time to Act

International Overdose Awareness Day is a global event held on 31 August each year and aims to raise awareness of overdose and reduce the stigma of a drug-related death. It also acknowledges the grief felt by families and friends remembering those who have died or had a permanent injury as a result of drug overdose. International Overdose Awareness Day spreads the message that the tragedy of overdose death is preventable.

CAPITOL CITY LIONS

We had one member attend the DLF meeting, 7 members attended the Banner Transfer and one member attended the LVRF meeting at the Wilmer Eye Institute.

We collected 143 pairs of used eyeglasses for recycling and 30 pairs of sunglasses. We also provided 7 pounds

14 ounces to our local church pantry. That brings the total for the Lions calendar year to 171 pounds 5.9 ounces. We also completed a fundraiser at Spence's Bazaar on 13 July and added another \$88.00 to the activities account. Also had a White Cane Fundraiser 14 & 15 July and collected donations of \$403.00 and sold car tickets and added \$64.00 to our Activities Account.

CLAYMONT LIONS CLUB

SCOOP

PROVIDING 80 YEARS OF SERVICE-TO-OTHERS IN THE CLAYMONT AREA
Fran Hershberger, President, Lee Bird, Secretary, Dick Gackebach, Treasurer
Tom Ramsay, Bulletin Editor

CLAYMONT LIONS:

Enjoy the last month of summer before we begin a new year of Service-To-Others in our community. Mark your calendar for **Wednesday, August 8**, the date for our annual club picnic in Bellevue State Park. Lions are asked to bring a side dish serving at least six people. The club will provide meat, corn and soda. The cost is \$10 per adult and \$5 per child under 10 years of age. Treasurer Dick Gackebach will accept picnic checks that evening. Remember to bring knives and forks. Food for the Community Center can be brought that evening, also.

Our first dinner meeting of the 2018-2019 Lion year will be held on Wednesday, September 12 at the Waterfall. The cost of dinner is \$25. Treasurer Dick is now collecting dues: \$70 per member, \$8.50 for each additional family member. Checks are to be made out to the Claymont Lions Club.

Committee chairs will be planning for our fundraising activities: Fall and Spring White Cane Days (Franz Van Velsor), Three Pancake Days (Fred Powell) and the annual Christmas Tree Sale (Lee Bird, Dick Gackebach and Tom McDonough).

Committee chairs need to forward budget requests to Lion Glenn Williams for his use in developing a proposed club budget that will be reviewed by the Board of Directors before adoption for the 2018-2019 Lion Year.

It was an enjoyable evening when we hosted our Community Partners in June. Their support is essential to our raising of funds to help others.

Plan to attend dinner meetings regularly. Participation in fund-raising activities at dinner meetings provides financial support for our administrative account.

FENWICK ISLAND LIONS

award \$13,500 to Indian River High School Seniors

Each year the Fenwick Island Lions Club sets aside, as part of their annual budget, funds to recognize the accomplishments of outstanding seniors of the Indian River High School. To choose the recipients of these scholarships was a challenge because of the extraordinary accomplishments of the applicants. There never seems to be enough money to award the unusually outstanding students. The club is very proud of these young people and wishes we had additional funds. Funds are raised by the club in such Community activities as the pancake breakfast at Harpoon Hannah's and the annual Spaghetti Dinner at Warren Station.

The Scholarship Committee consisting of Sharon Schoonover, Linda Urban, Pat Guy, Donna Carotuneto, Tom St. Clair, Carolyn Pierce, and Lee Summerville interviewed applicants in April. In awarding these scholarships the committee considered academic standing, financial need, community service involvement, extracurricular activities, and the applicant's ability to communicate. The Scholarships are awarded at the Indian River awards program in the school auditorium.

-- Receiving the \$4000 scholarship named in honor of John Furlow, a recently deceased Lion whose career was in education, was Olivia Garvey who excelled in drama, cross country and volunteer projects through the Indian River Leo Club.

-- Receiving the \$1000 memorial scholarship in memory of John Furlow given by his friends and family was Peyton Beebe who excelled academically as well as being drum major, member of the Student Council and the Marching Band.

-- Receiving the \$1000 scholarship in memory of John Carroll was Benjamin Sean Wilson, who has been a member of the Allstate Honors Band for two years, the Allstate Jazz Band and The National Honor Society.

-- Receiving the Noble Simpson, founder of the Fenwick Island Club, \$1000

scholarship is Dahria Kalmbach, who has excelled in concert band, marching band, county band and the Leo Club.

-- Receiving the \$1000 Lions club scholarship was Kealey Allison, who has excelled in sports, lacrosse and basketball, academics, and plans to go to McDaniel College.

-- Receiving the \$1500 scholarship in memory of Luke Martin by family and friends is Joud Dabaj who has been on the Student Council, part of the Choir concert, and a volunteer at Atlantic General Hospital.

-- Receiving the \$1000 Jane Sorrows Family memorial scholarship is Emily Tharby who has maintained all honors, AP and dual enrollment courses as well as an interest in technology and the FFA Indian River Chapter.

-- Receiving the \$1000 Lee Summerville scholarship is Samantha Whelen who has excelled academically as well as in field hockey and soccer. She has been the Special Olympics School Leader Coordinator for the past two years.

-- Receiving the \$1000 Bruce Schoonover scholarship is Kennedy Butch who has an extensive sports background, soccer, swimming and cheerleading, was chosen for the Delaware Girls State Leadership Conference Delegate, and plans to major in pre-med.

The Fenwick Island Lions Club is honored to award the outstanding seniors of Indian River these scholarships for the year 2018.

AUGUST 2018 LORD BALTIMORE CLUB HAPPENINGS

Lions of Lord Baltimore are gearing up for another productive year. Our Car Raffle sales are over the top and donations have been extraordinary. We had 6 of our members attend the Banner Transfer and as President, I had the privilege of bringing in our club banner (see picture). We all enjoyed the night and took back to the club many awards earned last Lions year. Our members continue to help out at the soup kitchen every Thursday at Mariners Methodist Bethel Church at lunch time. With PDG Karl doing a lot of cooking and Lion Paul Bolton assigned to cut up numerous chickens for the soup. We also work at the DE Food Bank in Milford the last Friday of every month doing whatever is needed that day thanks to Lion John Monahan our chairman. In July 8 members worked from 5 pm to 8 pm helping out at the refreshment stand at the Pyle Center fields for the World Series Girls Softball Games. Enjoyed the time there and even got to see some terrific soft ball players. On August 5th and 13th we gathered our grills, cooking utensils and Lions aprons and headed for Camp Barnes to cook hamburgers and hot dogs for the Special Olympic athletes. What a great way to serve.

Two members of our club attended the Banner Transfer last month. VP Lion Dennis Krause took the place of our KL and marched our banner to it's position among the 30 banners in attendance.

We participated in Middletown's Night Out Against Crime, August 7th, many people attended, we handed out alot of club brochures and held a free Back-to-School Raffle, backpack filled with school supplies, to draw people to our table, and it worked..

Our club picnic will be held on the 12th under a beautiful large oak tree at a member's home. Beautiful weather, good food and no bugs is always appreciated.

This is a busy time of the year with all three of our fundraisers quickly approaching. A summer Board Meeting was held at KL Bob LeSieur home with a to-die-for delicious dessert.prepared by his wife Rita. The Peach Festival is our first big event, all details and the menu have been carefully worked out. We hope the weather will be in our favor.

We meet on the fourth Monday of the month, 6:30PM at Grotto's. starting Sept. and always welcome visitations.

NEW CASTLE HUNDRED LIONS

New Castle Hundred Lions News
August 2018

Eight members of the Club attended the Annual Banner Transfer which officially transfers the District Governor's Banner from the "Old" to the "New". The Club was recognized at this event for their work during the 22017-18 Lion's Year in the following areas: Community Service, Membership, Communications and attendance. Our Club also received the Bulletin Editor's Award for Region 1.

Plans are being finalized for the Club's major fundraiser – the 48th Annual Art on the Green art and craft show on September 22.

Other activities:

- Club members delivered and picked up folding chairs for the New Castle Summer Concerts on Battery Park.

-- The medical equipment committee is very active this summer.
-- Lion Dave represented the Club at the Lion's Eye Bank's Annual Golf Outing. Lion Dave handles the putting contest for the event.
-- One issue that that Club is facing is that we do not have a place to meet at this time. This may be resolved by the time you read this. We will advise promptly once this problem is resolved.

LCI has partnered with the International Diabetes Federation to make

fighting diabetes, one of the world's most widespread diseases, a top priority for 2018.

As we count down to World Diabetes Day on November 14, 2018, we're counting on you to mobilize your fellow Lions and Leos. Please send them to our [Diabetes Service Journey website](#) for fun ways to get engaged and learn about the disease's impact.

Of course, we want you to participate too! Check out the website now to:

1

Enter a monthly contest for a chance to win a Fitbit Charge 2

2

Share your views in our first monthly poll and see what other Lions and Leos think

3

Learn how to better manage or prevent diabetes

4

And much, much more!

Thank you for taking steps to fight diabetes as an LCI leader.

CENTENNIAL CELEBRATION *Newsletter* #Lions100

You Are the Reason for Our Centennial Success!

From July of 2014 through June of 2018, Lions and Leos from around the world celebrated a century of serving humanity. This was truly a celebration unlike any the world has ever seen. We recently wrapped up our four-year celebration in grand style at the Lions Clubs 101st International Convention in Las Vegas, Nevada, USA.

Centennial Highlights:

Centennial Service Challenge

To celebrate 100 years of serving humanity, we challenged Lions from around the world to serve 100 million people during our celebration. In true Lion fashion, that number was more than doubled—with more than 246 million people served.

Centennial Membership Awards

We created awards to inspire Lions to increase membership in their clubs so we would be ready for our next century of service. As a result, Centennial membership exceeded expectations, bringing in hundreds of thousands of new members and thousands of new chartered clubs that are making a real difference in their communities.

Centennial Legacy Projects

We connected more than ever with our communities through Centennial Legacy Projects. They not only provided real value, they were also a visible reminder of the contributions that Lions make. With more than 32,000 Legacy Projects completed around the world, the members of our communities will benefit for years to come.

Featured Centennial Resources

Share the following Centennial resources with your clubs—and celebrate your life-changing achievements with other Lions and Leos!

Our Centennial Celebration produced some impressive accomplishments. A big thank to our Centennial Club Chairpersons, District and Multiple District Coordinators, Centennial Action Committee, Executive Officers and all the Lions and Leos who participated. You showed the world, "Where there's a need, there's a Lion."

Lions and Leos, thank you for making the Lions' Centennial Celebration a resounding success!

"Lord Baltimore Lions Recognize the Lion of the Year 2018"

Submitted by Lion John Monahan

At the Lord Baltimore Lions Club Meeting on July 11, Lion President Janet Bauer recognized Paul Bolton as the "LBLC Lion of the Year 2018". Lion Paul, an 18 year

lion, has been a member of the Lord Baltimore Lions for 4 years but previously served as a member of the Olney Lions Club in Maryland since 2000.

During his 4 years with our club, he has served as a member of the Board of Directors and contributed to major LBLC club initiatives in all 5 service areas of Vision, Youth, Diabetes Awareness, Hunger and the Environment. Lion Paul has brought a number of community needs to the attention of the Lions and he has been a club leader. On March 12, 2018, Lion Paul organized a community wide "Drug Use Disorder Awareness Discussion Panel" to bring forth information on how the Opioid Crisis and Drug Abuse is impacting our citizens. He invited speakers from all areas to articulate the current issues and to provide solutions on how to combat this modern day scourge. The panel discussion was extremely effective as evidenced by the many questions from the audience. Our LBLC continues to support the efforts of AtTack Addiction and others.

According to King Lion Janet Bauer, "Lion Paul is never a stranger when it comes to volunteering. He is available for service projects, fundraising efforts and he works tirelessly toward addressing how we can further serve those less fortunate in our community".

Since the first LBLC Lion of the Year Award was given to Lion Norm Justice in 1990, twenty-one (21) Lord Baltimore Lions have received this award. Congratulations Lion Paul.

Would you like to mentor a student in your Community?

Submitted by Lion Paul Bolton

The Lord Baltimore Lions Club has three male mentors in the Sussex County Schools and I'm proud to be one of them. This is a hands-on, face to face

commitment with our future generation. Lions, especially retired ones are ideal for this program. This is a no cost program to the clubs. It has been proven that mentoring makes a difference in helping young people make smarter life choices. This is a statewide program and should be in all of the schools. The commitment is about 1 hr. a week at the school you chose during the school year. Here are some of the measured outcomes.

How does mentoring help?*

The benefits of mentoring are well documented. Studies by Big Brothers Big Sisters of Delaware and Creative Mentoring have found the following improvements by youth:

- 81% exhibit improved self-confidence, self-esteem, and self-control
- 61% show an improved attitude toward learning
- 46% are less likely to start using illegal drugs
- 52% are less likely to skip school
- 27% are less likely to start drinking

What are the benefits to the mentor?

- You have an opportunity to give something back to the community.
- You learn how to better communicate with young people.
- You are doing something very positive and you feel better.

THINK ABOUT IT! THIS IS A WIN-WIN PROGRAM FOR THE MENTEE, FOR YOU, AND FOR OUR NEXT GENERATION. It takes time to get the application processed and there is required training to get you up to speed, so get started early for the 2019 school year.

Mentoring is the best kept secret in DE.

Go to www.connecting-generations.org or contact your local school for information on the program.

In the Press

Editor's Postscript:

It's too darn hot
It's too darn hot

I'd like to sup with my baby tonight
Refill the cup with my baby tonight
But I ain't up to my baby tonight
'Cause it's too darn *hot!*
