## DG Kenny's Message

Greetings Fellow Lions,

**Milan, Italy** is where the 102<sup>nd</sup> Lions Clubs International Convention was held. I want to thank all the Lions from 22-D who attended the convention. I felt your attendance personally supported me as the incoming District Governor in my Lions journey. The convention was an experience I'll never forget –one I will cherish for the rest of my life. As you may recall, I attended a three day training in February with a final day in Milan. This day of training was very valuable moving forward. With some last minute changes in plans I was inducted on July 5<sup>th</sup> with a reenactment on July 9<sup>th</sup>. I was told this was done due to many Lions conflicts with scheduling, returning air flights and having to stay an extra day without compensation.

Some personal convention highlights for me were:

Meeting and working with incoming District Governor's from around the world wanting to help improve those who are less fortunate.

Cindy and I attended the Mid-Atlantic Breakfast. During the breakfast all the candidates running for an international office gave a two minute speech. This opportunity truly provided us with an idea who to vote for. If you ever attend an international convention, I strongly recommend attending the breakfast.

Marching in the "Parade of Nations" was now our third year. Seeing the costumes representing cultures from around the world was fascinating. A special shout out to the Wilmington Gateway Lions Club with the most club members in the parade from District 22-D. The Bellefonte Lions Club was right behind them with one less. Past International President Clem Kusiak and his wife from our Multiple District 22 joined us in the parade.

Pin trading was so much fun!

Our authentic Italian meals at local restaurants were superb.

By the numbers:

600,000 Peace Posters were submitted for the contest.

One billion dollars has been used in aid in the past 50 years from the Lions Clubs International Foundation.

**Welcome to a new Lions year. Let's make it the best we can!**  
**Please see below the new initiatives that I envision will lead us forward**  
**creating new ideas for the future.**

### **New Initiatives!**

- ◆ Clubs visiting clubs: Visitation team shall give advance notice of ten (10) days to the host club, and shall remain in attendance for the meal and the program or assist with a service project/fundraiser for a mutually agreed amount of time. The underlined part is new. We are a service organization and I want to promote service. LCI is promoting collaboration with other clubs and organizations. Let's give it a try.
- ◆ I have included two Leo ambassadors to the District 22-D Cabinet Committees under LEO Liaison. This models LCI under the leadership of IPP Gudrun Yngvadottir. I believe we need to get the LEO's involved with our decisions as well as hear what they are doing. End result, more LEO's becoming Lions.
- ◆ 100% Club Presidents Award. See 2019-2020 Roster Book for details.
- ◆ 100% Club Membership Award. See 2019-2020 Roster Book for details.
- ◆ The "Club Administrative Contest Reporting" form has been tweaked to emphasize who is attending. Thanks to PCC Ralph Schieferstein's formatting.
- ◆ The "Monthly Club Service Activities Report" form has been tweaked and aligned with LCI target areas of service along with our District's areas of service and concerns. Thanks to PCC Ralph Schieferstein's formatting.
- ◆ To promote service activities this year, when the District Governor's cabinet visits your club I am requesting your members bring can goods or children's books. By bringing these items to the "Cabinet Visitation", your club will be participating in District Service Projects. However, your club may use these projects when completing their Monthly Club Service Activities Report. (more details to follow)
- ◆ LCI Reporting Guide: What is a reportable service activity? Straight from the LCI website in part "Number of volunteers who participated (Lions, Leos, and non-members). Yes, **non-members** are to be included. This subject has been debated within clubs for years. LCI says include non-members. I recommend we follow LCI guidelines, however your club may do as they please.

**Trivia question for this month!** Who is our new Vice District Governor for 22-D? This time the 7<sup>th</sup> person to email me will be the winner. Good luck to all! Last month's winner was Lion Beckett Wheatley of the Laurel Lions Club. The answer was [www.golions22d.org](http://www.golions22d.org).

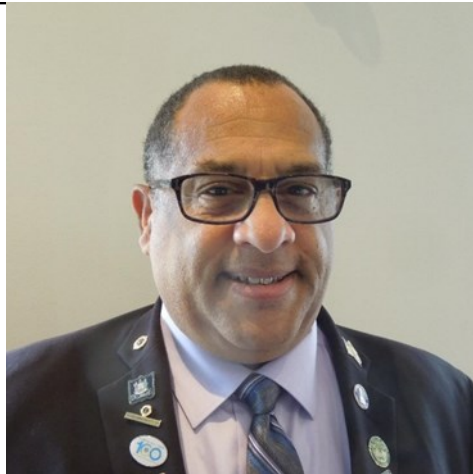

### **Looking Ahead**

August 18: 1<sup>st</sup> Cabinet Meeting – Farmington Fire Hall

August 27: Pres/Sec/Treas/Mem Dinner – Modern Maturity Center, Dover

Yours in Service,  
 DG Kenny Vincent

## Vice District Governor

Greetings and Thank You Lions

A new Lions year is upon us once more, with it a new District Governor and Cabinet, which I am proud to be part of. I extend my congratulations to District Governor Kenny Vincent, our 65<sup>th</sup> District 22D Governor. I look forward to a prosperous year of learning and exploring the many great attributes within District 22D.

I'm so excited to begin my journey as your Vice District Governor and extend a gracious thank you to all the clubs for your vote of confidence. In return, I offer my facilitation skills help the District flourish with growth and service to the community. We are a great and diverse District with talented Lions, and I had the pleasure to meet with you during my campaign and at the MD22 Convention in May. My personal admiration goes out to my club, Dover Lions, your support and dedication to service makes me proud!

Our commitment to service is strong and I believe each club strives to meet the challenges of your communities. We share great stories of achievement and new ideas presented in Lionism. We must continue to embrace emerging technology and new member ideas to move us into today and tomorrow. Let's review the five LCI Causes and make efforts to touch each one in your own way. I encourage each club to reach for the star of excellence and most importantly have a lot of fun getting there!

One of focus in office is on the theme of emergency preparedness. I tell the story in my travels of how the Federal Emergency Management Agency (FEMA) looks for Lions when a disaster strikes a community because we are organized and will get the job done. That's a tall order to fill and I want our District to answer the call for our communities and State when a incident happens within Delaware. I look forward to exploring ways to train and educate clubs to be a stronger part of the emergency team.

Finally, I'm here to listen to you - I'm anxious to hear of new ideas, trials and tribulations, successes, and our path to the future. Make your voice heard – I'll listen!

Yours in Lionism!

VDG Tony Lee

# Campaign 100

A Campaign to Empower the Service of Lions  
**\$300 Million / \$97,669**

**Congratulations – Disrict D has doubled what was donated all of last year!**

The bar has been set high by LCIF for District MD 22 – D and as of June 30, 2019, the district has donated \$71,766.34 toward this year's LCIF goal. There is still time left in the 2018/2019 Lion Year. This new donation figure is more than what was donated all of the last year. The best way that Lions can help the victims of the floods in the Midwest is to donate to LCIF and this year make a personal pledge to "Campaign 100". Where there is a need there is a Lion ready to help!

The Honorary Committee Challenge headed by PDG Jim Minnich and PDG David E. Jones have asked all 35 PDG's to pledge \$1,000 toward "Campaign 100" and 12 PDG's have pledged already. Also, twenty-one other Lions have made their pledges. See the Lion Wall of Honor below. Please, make sure that you let me when you have made a "Campaign 100" pledge.

Thank you all for what you have already done to support LCIF, your foundation, and what you can do to support Campaign 100.

Yours in Lionism,

PDG A. Kendall "Ken" Chew, III, LCIF Co-Coordinator

PDG Karl Gude, LCIF Co-Coordinator

**HLADE DELAWARE MONTHLY CHAT/SUPPORT GROUPS**

The Hearing Loss Association of Delaware (HLADE) has 3 CHAT/SUPPORT groups statewide that offer help and hope to people with hearing loss, their families and friends. HLADE, an affiliate of the Hearing Loss Association of America (HLAA), has opened the world of communication to people with hearing loss in Delaware since 1984 and has support groups in Wilmington, Newark and Smyrna Delaware. All are welcome to attend, help one another, meet new friends and learn more about hearing loss. Support/Chat groups meet monthly and groups decide whether to meet in the summer.

**The Wilmington Chat Group** meets at the Kirkwood Highway Library, Community Room, 2nd Saturday of every month from 1:00pm - 3:00pm.

**The Newark Chat Group** meets at the Newark Senior Center, classroom wing, on the first Wednesday of every month from 10:00am to 11:30am. The Senior Center offers transportation.

**The Kent County Chat Group** meets at the Mamie Warren Senior Center, 1775 Wheatleys Ford Rd, Smyrna, DE 19977 from 10:30am to 11:30am on the second Tuesday of every month. The Senior Center offers transportation.

The **Sussex County Support/Chat Group** will begin meeting in September 2019 at the Lewes Library in Lewes, Delaware.

Chat groups offer information, education, support, assistance and speakers of special topics for anyone interested in learning more about preventing, understanding or treating hearing loss. Linda Heller, M.A.C.C.C.A., C.M., CAP-S, audiologist, consumer and President of HLADE will answer questions on hearing loss. We welcome everyone to join us!
