“Moving Forward to Score”

DG Charlie's Message

Happy New Year Fellow Lions, Lioness and Leos:

A new year has started in 2018; District 22-D is still moving on to having a year with new things happening. Hope everyone had a great holiday season and time to rest and rejuvenate. Now is the time to get back to work serving our District, the community and the world around us. The visitations by the District Governor and District Cabinet have started once again.

The first District event for the New Year was the Melvin Jones Breakfast celebrating his birthday and the start of the Lions Club Organization. IPDG Glenn Williams had a very nice program. The breakfast was delicious, and the turnout was great. Thank you Lions!

There will be a new Leo Club in our District at the First State Military Academy thanks to 1stVDG John Burris. I am sure he would be honored if there were to be a great turnout for the event on January 25, 2018 at 6 p.m. The address is 355 W. Duck Creek Rd, Clayton, DE 19938.

February 4, 2018 is the Polar Bear Plunge taking place in Rehoboth to benefit the Special Olympics. Water time is 1:00 p.m. Hope to see Lions there! My granddaughter will be taking the plunge with me! Make Lion Barbara Spence proud. Thank you, Barbara, for all you do for the Lions.

Lions of District 22-D ~Thank you for all you do for Lionism. Thank you for the support and donations for a fellow Lion who was having difficulties.

Our Motto-(We Serve)

May God Bless all Lions, Lioness and Leos of 22-D

First Vice District Governor

Having the Courage

With only 174 days left in this Lion's year I know clubs are starting to look for their next slate of officers. As with the Clayton club there are many of them that are taking the same offices. There are a few reasons for this and they are that we are a smaller club, it is getting harder to get members to step up and lastly is that person really likes to the office. When you do look at the new slate of officers for your club make sure it is someone that is willing to make their club the best that it can be as well as someone that might aspire to go to a higher level office within the district.

Over the past three years travel as a cabinet member I have seen many good Lions that know they will do a good job for the district but just don't think that they can do a good job. But each club knows that member is a good Lion and can handle the job that is being asked of them. These may be newer members in your club but from life experience and work experience they have the ability to get the job done.

The district is sitting very well as the number of members for this Lion's year. But that does not mean to stop looking for that new member. PDG Glenn Williams stated that for every new Lion a club gets they are able to serve 50 more people with in your community. We all know there are many people in this district that need a loving and caring help in one form or another.

As we serve our communities let us not forget that could be a new project to be done. Maybe a club could reach out to a grocery store to bag for them for a 4 hour period or clean up a city block (when it gets warmer). We as Lions need to show communities that the Lions are well and alive. By doing these new projects you might even get a new Lion from it.

Notes from the Editor

Dear Lions:

I would also like to thank all the clubs who do send me information for the Bulletin. If you send me a newsletter I try to get something out of the newsletter to put in the Club Happenings. If you prefer you can designate someone in your club to send me an email with information about what your club is doing and I'll do my best to get it in the Bulletin. We had 24 clubs plus the Branch Club submit either a newsletter or summary for the Club Happenings this month. We also had 10 clubs submit pictures with their write-ups. I love being able to print these in the Bulletin. Lets try to have more of the clubs submit pictures!!

This is an especially lengthy bulletin this month. There's a lot going on in the next several months. Please pay attention to the District Events as there are several sign up forms including the MD 22 Convention information.

FUNDRAISERS

Don't forget to send me flyers about your upcoming fundraisers!!! I can tell the clubs are back getting busy for their late Winter an early Spring Fundraisers as I received many flyers for this issue.

The email address for sending information to me is **begailkrebs@gmail.com** Please send your information in word and **NOT in PDF**. This makes if easier to copy as I am not a computer geek. For some reason Publisher does not work with PDF's.

Please pay close attention to page 8—Corrections to the Roster Book. There are quite a few very important changes relating to the club's officers and meeting places.

Please do not hesitate to contact me with any questions.

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

Bulletin Editor

DG Charles Taylor requests to please include him in any emails informing the Cabinet Secretary of club functions and notices. He especially wants to be notified when you have a member who passes away.

LEOS

The Clayton Lions Club is pleased to announce that as of December 6, 2017 there is a new LEO Club. With the great work of First Vice District John Burris he was able to start a new LEO club at the First State Military Academy. FVDG John Burris started this project back in September by contacting the commandant for the school. When talking with him his own kids were LEO's in the CR high school club so he knew all about what the LEO's do for the community. As well as these students making their next rank have to do community serve; a win, win for all.

When the club chartered they have twenty members and have done a few projects already. Since they are a marine based school one of their first projects was toys for tots. They have also completed their first food drive and helped serve the community with a town wide Thanksgiving meal served at the Smyrna fire house.

The Clayton Lions Club looks forward to partnering with them in the future and with many other projects.

MILLSBORO LIONS CLUB

Millsboro Lions had a great year at their Fritter Shack. We only had one really bad weather weekend - and that was the final weekend. Thanks to all who came out to support us in this endeavor. On January 9 our speaker was Lion Albert O'Neill of Glasgow. He explained his role as the chair for the district on International Understanding and Cooperation. The question was raised to how it relates to Appalachia, which he explain. He also shared what he needs, and can use from our medical equipment surplus, how he can use books, and used clothing. He also takes diapers, and other items to the local community centers in the area. Lion Rhoby accompanied Lion Al and she also shared how she helps with the project. In addition we had visitation from Lion Kenny Vincent and Dewey Beach as they make the campaign rounds. Lord Baltimore also was present, and shared how they take their newly sponsored Lion on visitation to other clubs in area. Great idea! Visitations are a great way to share the wealth from one club to another - but is hard to get clubs to come out anymore. Millsboro meets the second Tuesday each month at Ocean Grill - gathering at 6 -- order off menu. Come visit us, share with us, and join the fellowship!

NEW CASTLE HUNDRED LIONS CLUB

Happy New Year to all of our 22D Lion friends. We are looking forward to the second half of the Lions year and all the upcoming activities. Three of our members attended the Melvin Jones Breakfast where they presented the Club's annual donation to LCIF. We had a successful distribution of our food baskets for the needy project prior to Christmas. Stay warm.

NEWARK LIONS CLUB

CHRISTMAS AT LONGWOOD While enjoying the splendor of Longwood Gardens during the Christmas season, we came across a display of trees decorated by various schools in the tri-state area. One of those schools was the Delaware School for the Deaf. While all of the school trees were unique and had different themes, we found this one to be truly exceptional. It wasn't the "professionalism" of the ornaments but rather that some of them were done in the form of signs. What a great opportunity for the students of Delaware's School for the Deaf to show off their talents to literally thousands of people. We always enjoy going to Longwood throughout the year but thought that this was definitely something worth sharing with our Lions' friends.

LEADER DOG

TRAVELING IN AN URBAN ENVIRONMENT

In 2013, Leader Dog conducted our first urban travel guide dog class in Chicago. Designed for people who live, work or travel in large city environments, this specially focused training helps clients and their Leader Dogs learn how to safely navigate crowded streets, subways, elevated trains and other elements unique to large cities.

Catalina Martinez lives in downtown Minneapolis which is quite busy, so training in Chicago was very helpful for her and her Leader Dog Elroy. Especially learning how to safely navigate street construction. "Minneapolis is just finishing remodeling the downtown for the Super Bowl in February. Elroy's an expert at moving through the construction—orange cones, broken cement, temporary sidewalks and having to go into the street.

Like all Leader Dog's programs, Urban Environment training is provided free of charge to clients thanks in part to the continued support of Lions.

Catalina Martinez and Leader Dog Elroy train in Chicago under the supervision of Guide Dog Mobility Instructor Jamie Tegal.

IN EVERY LEADER DOG LIES THE HEART OF A LION.

A Leader Dog partner since 1939.

CLUB HIGHLIGHT

Our First Ever Leo's Top Dog Club

The Walkersville Leo Club (District 22-W) set a goal to raise \$2,000 for Leader Dog through their first Dinner in the Dark fundraiser. With the support of the Glade Valley Lions Club and their local town government, both financially and through attendance at the event, the Leos ended up making a \$9,527.13 donation to Leader Dog's annual fund!

Lion Jennifer Smith, who is also a LDB puppy raiser, stated, "[This] wonderful group of kids were so excited they oozed energy everywhere they went." Obviously, that energy was contagious.

We congratulate them for becoming our first Leo's Top Dog Club!

Lions Clubs International
FOUNDATION

January 15, 2018

District Governor Charles Taylor and I have set this year's LCIF goal at \$30,000 and 100% club participation and the clubs and the Lions have stepped up having donated \$18,320.04 as of the end of December. Also 25 of our 35 clubs have made a donation to LCIF which 71.14% of the district clubs. The number that makes me most proud is the large number of Lions who given donation to LCIF from their own pockets.

This past Saturday our district held a very successful Melvin Jones Breakfast with another \$3,000 in club donations and \$490 in Contributing Member donations. The grand total of donations this year to LCIF is \$21,810.04 which is almost 73% of our district goal of \$30,000. Thank you, Lions of District D!

The LCIF need continues to be great especially with the recent mudslides in California after the fires and the earthquake in Peru. Puerto Rico still has not recovered from Hurricane Maria. Please continue to help those hurting by donating to LCIF. Especially, during this the 50th Anniversary of the start of your Lions Clubs International Foundation.

Our MD 22 LOVRNET project, funded by LCIF Sight First grants, continues to serve those people who suffer from low vision. Lion Kate Roshon of the Smyrna Lions Club has donated over \$1,000 to LOVRNET from royalties from her book, "Haven". Thank you, Kate Roshon and the Lion volunteers who are doing interviews or direct service for LOVRNET.

ENVIRONMENTAL NEWS

As I start a new year, I want to know what ever happened to Glob-

At the beginning of our Lion year, I reported that LCI was undecided about the Environmental Photo Contest. Technology is changing the way we take photos, how we share them with our communities and the world. To take advantage of social media and exciting new tools like the MY LION APP, they are developing contests that are designed for our mobile friendly, instant sharing culture. Because of this new direction, LCI will no longer host the Environmental Photo Contest or any other photo contests at this time. They will be announcing a brand new contest hosted in the MY LIONS APP after June.

I want to thank the four Lions Clubs; Capital City, Frederica Spring Creek, Glasgow and Lord Baltimore who entered great photos in our district contest this year. They will be judged at the February 7th Cabinet meeting. The winner will be announced at the last Cabinet meeting on April 15th. I am disappointed there will not be a contest at the International Convention, because it was great seeing a photo from District 22-D at last year's convention in Chicago.

MEMBERSHIP

We celebrate the Lions, now 101 years have gone,
With some leaving, some diligent and some tagging along.
Many handshakes were given with much volunteering,
With helping so emotional you might see some tearing.

As Lions we do what is necessary, making lives better,
We think that the numbers make us all a go-getter.
Our organization considers volunteering a necessity,
You can see by that date, we survive with longevity.

The years will go, and the new ones will come,
We who sustain know our mission's not done.
To always assist families and communities in need,
Is what we're about so follow us I plead.

Our membership is lower than we would like,
Not because no concern, no lacking or dislike.
To many duties, children and always a chore.
But I ask that you try it and see what's in store.

Much love, much caring, and more than expected,
We know all the reasons but still hear the neglected.
As we all come together to assist those without protection,
From lives hardships, from illness and some just rejection.

For all out there, I ask you to consider,
Joining the Lions to make our mission much bigger.
Let's help where we can and never forget,
We could all be like many with later regret.

So again, I ask please consider our quest
Help sign some friends and make Lions better then best.

DELAWARE LIONS SIGHT TEAM

This Wednesday, 17 January, Lions Walt Roshon, Bill Walls and myself will depart for Managua, Nicaragua, where we will once again be working with the Promise In Sight Brigade. Our initial destination will be Rivas, where Bill, Walt and I will help dismantle the ophthalmology equipment, crate it for shipment to San Carlos. An overnight stay in Rivas will be required! We will then depart for San Carlos, a trip of over 8-10 hours by the "famous" Nicaraguan roads. Once we get to San Carlos, we will unpack the equipment, reconfigure it and then await the arrival of the other PISB members. On Monday we will be seeing patients, lots of them. The San Carlos area has not had any mission groups visit in over 6 years, so there is a huge need that has not been met! The sunglasses that the Delaware Lions Sight Team has collected, as well as the reader glasses, will augment the ones that are already in country. I want to thank each and everyone of the DLST for their support! Without you, the Lions of Delaware, this mission would not have occurred!

YOU are the key!

YOU are important!

THANK YOU FOR ALL THAT YOU DO!

This is from me but it is also from the people of Nicaragua, where WE SERVE is more than mere words.
