DG Charlie's Message

Hello Lions, Lioness and Leo's

On May 28, 2018 our Clubs and Lions around the United States honored our Veterans. Our Club went to our cemetery and held a nice program. Afterward all of us went to the Legion in Harrington to have lunch together.

Then June 2, 2018 District 22-D held their Training for Officers, Region and Zone Chairs for their clubs and the District. The turnout was really appreciated and we saw quite a few new Lions. Thank you PDG, GLT Cheryl Jones and your committee for all the hard work you have done.

DGE John and I met with the State Leader for the 4-H of Delaware. This took place on June 4, 2018 The reason was to try and establish Lions and the 4-H organization working together, DGE John will be working on this in the future

The Eye Bank of Delaware Valley held a luncheon on June 16, 2018. CEO Lion Jim Quirk informed us of how the Eye Bank was doing and what the Lions do for the Eye Bank. The biggest thrill was installation of our own Lion from 22-D PCT Ann Reiver as Chairman of the Eye Bank. Congradulation to a wonderful and dedicated Lion

At this writing membership in District 22-D is at 1281, we are the only District in the Multiple with a plus. Our District as of today have 33 Lions who have passed on. Please remember them in your prayers. I am sorry for our lost, may God Bless their souls.

This is my last letter for the District Bulletin it has been a great honor to serve the Lions of District 22-D as your District Governor.

Lion Kathy and Myself have been truly blessed to have visited all 36 clubs and to learn what great Lions we have in our District.

I will always be around for Lions is my great compassion and (LOVE)

May God Bless everyone of District 22-D

First Vice District Governor

Having the Courage

Dear Fellow Lions,

This is the last article that I will be writing as your First District Governor. I would like to take a minute to thank all the Lions that voted for me at the MD22 Convention. When you casted your vote for me that showed me that you have great trust in me to guide this great district. Yes I said "guide" You as Lions are the great ones that are out there doing all the projects that you do to make a better community for where you live. Each and every project you do has touch some many other lives that I feel very humbled by all the wonderful projects that each club is able to perform.

But lets us not forget the new position that LCI has created and that is the Global Service Team GLT. This is to ensure that our district creates more service projects. The Lions of 22D need to go out there and get deeper and dirtier to ensure that our district is very pretty. So create a community clean up so that your club is show cased in a great light that has always shown upon you.

Now, I would like to thank our District Governor Charlie Taylor for a wonderful year. It was five years ago that DG Charlie and I started working together. Over these five years I not only have a wonderful leader that has thought me through so much I have made a wonderful friendship. There are so many times that we have been able to laugh and enjoy what we have done during our five years of working together. DG Charlie enable attitude kept me grounded so that I was able to see the good in everything that happened to our district. By keeping me grounded he showed me that I am a person that keeps this district going in the right direction. So for that I thank you District Governor Charles M. Taylor for all you have thought me.

In closing I am truly humbled to be your next district governor. Please continue all the great work you do for this district and your communities.

John Burris

MOVING FORWARD TO SCORE**MESSAGE FROM 1VDGE**

Greetings Fellow Lions,

It was a pleasure campaigning up and down the state this past year. The fellowship, words of encouragement, and sincere welcoming at each club was heartwarming. I want to personally thank everyone for their support from the beginning of my campaign all the way to the MD 22 Convention, when I was elected to be your next 1st Vice District Governor. It is truly an honor to serve District 22-D.

The Officer Training recently held at the Delaware State University was very encouraging. The attendance was outstanding with so many new faces. This participation proves we have Lions who care and want to learn more about their particular position. PDG Cheryl Jones and the presenters should be commended for their time and effort in making this a successful event. I recommend Lions attend this training in the future to further understand their duties and responsibilities as officers or if you are considering holding an officer's position. The classes are open to all Lions.

I look forward to visiting you this year as part of the Governor's Cabinet. Together we can make a difference. I would like to challenge you and/or your club to accomplish one new goal. This goal can be anything that has not been completed before or it's been a while since it has been done. Allow me to suggest some ideas: recruit a new member; volunteer to run for an office at the club level or district level; or perform a new service project. Of course, this is a suggestion not a requirement. When we are visiting your club, I would love to hear what is "new."

Yours in Service,
FVDGE Kenny Vincent

Notes from the Editor

Dear Lions:

The 2017-2018 Lion Year is almost over so this is the last bulletin for the year. It is also my last bulletin. There will be a new Bulletin Editor for the 2018-2019 Lion Year.

I want to Thank all the clubs who supplied their information for the bulletins.

I have enjoyed being the Bulletin Editor this past year. Thank you to the Lions of the District for your comments whether they were good or bad. I hope you have enjoyed the bulletins as much as I have enjoyed getting the information out to you.

Thank you DG M. Charles Taylor for allowing me the opportunity to serve as Bulletin Editor and on your Cabinet. At several meetings during the year I mentioned how you asked me to be the Bulletin Editor and I always ended by saying "I never told you I would be the Bulletin Editor". So to continue this running joke "DG Charlie it will be a pleasure for me to be your Bulletin Editor!!!!"

ENJOY!!!!

Yours in Lionism,

PCS Gail Krebs

BELLEFONTE LIONS CLUB

Bellefonte Lions is thrilled to report that the Bellefonte Farmers Market season has started, and with it the launch of its Mobile Farm Stand. The Mobile Farm Stand, sponsored by community members, the Bellefonte Lions, and the Delaware Lions Foundation, is a small RV that has been converted into a collapsible farm stand with wheels!

The Farmstand has now started travelling to underserved neighborhoods in Wilmington and surroundings to sell affordable, fresh, locally and responsibly grown produce in areas that have no local supermarket. It is also open every Friday afternoon from 5 pm to dusk in the garden behind the Bellevue Community Center.

Last but not least, once a month, the Farmstand becomes the hub of the Bellefonte Farmers Market, where Bellefonte Lions help out behind the scenes -- vendors sell honey, soap, clothes, handmade dog treats, and more -- and visitors listen to live music, enjoy food truck treats and even visit the beer tent!

The next big market is the Jam in the Garden Market, Friday July 13, 5 pm to dusk, in the community garden/playground on Brandywine Blvd. behind the Bellevue Community Center, 500 Duncan Rd., 19809. We would love to see you there!

BROOKSIDE LIONS CLUB

Brookside Lions continue doing preschool eye screenings and community road clean up. We sold food at two events in May, at the Pencader Heritage Museum and Iron Hill Museum. We have been parking cars at the University of Delaware for 21 graduations. Lion Dave, Lion Linda and Lion Don attended the MD22 convention in Ocean City. Lion Dave and Lion Linda helped at Armed Forces Day at Victory church serving lunch. Lion Ronnie, Lion Dave and Lion Linda helped at Special Olympics Summer games Opening Eyes.

HAPPY SUMMER

We also had a walker returned to our hospital supplies.

We made monetary donation to the YMCA and the IRIS Vision Device.

Mary Randall, left, Kent County Coordinator for the Read Aloud Delaware Program, visited the Capitol City Lions meeting on May 16. She is joined by Capitol City Lions President Melvin Nace. It was a very interesting and informative speech.

LEWES LIONS CLUB

Our club is currently soliciting volunteers to help with a new vision-screening project. According to educational experts, 80% of learning is visual. If children can't see well, they will have more difficulty learning. Lions KidSight USA is a new national program to ensure that our children receive eye screenings and follow-up care when needed. Our very own Lion Dr. Rachel Hartman has agreed to take the lead on this. If interested, please email Glenn Kohr at glennsmagic@gmail.com

Don't forget the Inaugural Lewes Lions Golf Tournament.

The club is well on our way to a successful golf tournament. For those of you who attended the May's club meeting you should have received the signup flyer. Be sure and tell all your friends, neighbors and local businesses who might wish to golf, become a sponsor, donate an auction item, or attend the dinner. We've had many golfers already signing up for this event, be sure to pass along promptly as we're sure this will be sold out! We will also be looking for volunteers on the event date of September 10, 2018, no experience necessary. Remember, this year's tournament will benefit the Tunnell Cancer Center's Special Needs Fund. For any questions or if you wish to volunteer, please contact Lion Joe Donohoe.

LORD BALTIMORE LIONS CLUB

What a great Environmental Chairman we have this year. Lion Steve Straneva, a Lion for just a year, is pictured in the center, with Lion Beverly Straneva and Lion Don Sherwood. Lion Steve has something for us to do for the environment almost every month. Last month we were repairing the turtle fences along Route 1 south of the Indian River Bridge. This month he has us volunteering to count Horseshoe Crabs on the beach along Whites Creek at James Farm. These three Lions were up late at night to take a moon light walk through the forest to reach the beach and count how many Horseshoe Crabs were laying eggs. The crabs counted then had to be marked. Job well done Lions. Can't wait to see what he has for us next.

Memorial Day is the day we start selling Car Raffle chances in earnest. We will be at Hocker's Supercenter, Rt. 26 & 14, also at Hocker's G&E on Cedar Neck Rd. and at Giant on Rt. 26 every other weekend until September's Bethany Arts Festival. That is a lot of Lions working a lot of hours so we can give it all back to our Lions Community Charities.

June started with our Officers Training in Dover. Four of our Lions participated in the classes; Region Chair Jack Bauer, Zone Chair John Monahan, Vice Pres. Anne Gude and PCS Janet Bauer was one of the presenters at the Secretary class. June 9th, three of the LBLC Lions helped out at the Opening Eyes event for Special Olympics. What a rewarding day that was. On June 13th, we held our Charter/Installation Night at Cripple Creek Country Club. DGE John Burris was on hand to install our new officers and to install a new member Jim Clark. Earlier that day we held this year's last "A" Party for the exceptional students at John Clayton Elementary School. Lions Pat Monahan and Janet Parham provided 60 students with Papa John's Pizza and drinks. Last but not least, we held our BIG CLUB ANNUAL YARD & BAKE SALE ON JUNE 16TH. To be continued.....

The New Castle Lions have been involved in the Separation Day celebrations for many years.

New Castle Hundred Lions have been working with the City of New Castle's Tree Advisory Commission to donate a commemorative Centennial Tree in historic New Castle. After many meetings, and many stops and starts due to weather, the tree was planted.

Lions Clubs International
FOUNDATION

June 18, 2018

Nice job District 22D you have reached and exceeded this LCIF goal by donating
\$31,585.04

District Governor Charles Taylor and I have set this year's LCIF goal at \$30,000 and 100% club participation and the clubs and the Lions have stepped up having donated \$31,585.04 as of the end of May. Also 30 of our 36 clubs have made a donation to LCIF which is 82.76% of the district clubs.

There is still one month for the remaining three clubs to make some donation to LCIF; even a \$20.00 Bronze Sustaining membership donation will get us 100% in donations for this year. The LCIF continues to do great work especially with the recent flooding again in Ellicott City which has just received a \$10,000 emergency grant. Puerto Rico still has not recovered from Hurricane Maria. Please continue to help those hurting by donating to LCIF. Especially, during this the 50th Anniversary of the start of your Lions Clubs International Foundation.

Our MD 22 LOVRNET project, funded by LCIF Sight First grants, continues to serve those people who suffer from low vision. Dr. Daniel Barrufi, who spoke at the MD 22 Convention, is now seeing low vision patients in Wilmington. LOVRNET continues to need more Lion volunteers to help with patient interviews, direct service, and grant writing. Please contact PID Ted Reiver or me to volunteer to help. Hands on Service is what Lionism is all about, please volunteer!

NEWS FROM THE DISTRICT

THANK YOU

A special thank you to the Dewey Beach Lions Club for all their help over the five years we have chaired the Walk for Sight. They have not only done the cooking but saw that the water and sodas were iced and ready for the Walk. This year they also opened their Lions Club House and one of their members saw that all businesses were told about the Walk and some even posted on their billboards.

To all Lions Clubs and Lions Members who purchased an ad on the tee shirt thank you. Through your help, this being the only fundraiser for DLF, allows grants from any Club who has a project over their budget to help them serve their community.

Thanks to all who attended your support was greatly appreciated. Last but not least a very special thank you to all the VOLUNTEERS the day of the Walk.

Yours In Lionism

DLF WALK FUND RAISING EVENT

Submitted by Lion Jack Bauer, DLF Fund Raising Chair

On a sunny, breezy Sunday, April 29th, 158 walkers and workers contributed to help make DLF Walk for Sight a fun and successful fund raiser. We were fortunate to have the Delaware Eye Institute once again co-sponsor the Walk with a \$2500 donation. Special thanks to Lions Ed and Delores Springer who co-chaired this event and all the clubs and individual businesses who took an ad on the Walk shirt. I would like to thank PCS BJ Ryder and PCS Janet Bauer for their work keeping records and sending thank you letters to our sponsors. Last but not least, thanks to the Dewey Beach Lions who hosted the Walk and served lunch. With a total income of \$19,014 and after expenses of \$3,195.01 we should have a profit of \$15,818.99.

About atTAcK addiction

P. O. Box 36 • Bear, Delaware 19701 • attackaddiction.org

atTAcK addiction is a 501(c)(3) non-profit group created in memory of Tyler Armstrong Keister after his accidental overdose. Our goal is to help young people realize the dangers of alcohol and drugs so that they and their families never have to experience the pain, tragedy and loneliness that accompany addiction. The main purpose of the group is to educate and bring awareness of addiction as a disease, rather than the stigma that is suffered in shame by the person with the disease and their loved ones. Attack Addiction seeks to educate by speaking at schools, prisons and any other venues where there is an interest in learning more about the disease of addiction. We strive to bring real and effective change to existing drug policy. We are not a support group, but we end up supporting those in recovery, those who have a loved one in recovery or those who have lost a loved one to the disease.
