The Delaware Lions Foundation held their walk on April 29, 2018 at Dewey Beach great turnout and lots of food. Thanks to all on the committee for the hard work they put into it. May arrived and The Multiple 22 Convention was held at The Princess Royal in Ocean City, Maryland. Attendance increased this year but attendance should be better. You get to meet Lions that come from other parts of the Multiple. District 22-D won the Trophy with largest attendance.

Elections were held and our District Governor Elect John Burriss will be installed at the Convention in Las Vegas. Lion Kenny Vincent will be our First Vice President for the year 2018-2019. I would like to say congratulations to both .

### First Vice District Governor

#### Having the Courage

Dear Fellow Lions,

The SS 22D has one more port of call to do in June and July and that is in the International Convention. I am looking forward to attending and getting that last part of my training so that I can be that wonderful District Governor for the best district in the multiple.

But that last port call at the MD22 convention was one of the best that has been held in some time. This event had many things to do and see for all Lions that jumped aboard to see this convention. As well as hearing the wonderful year in-review from our own District Governor Charles Taylor. DG Charlie along with the rest of 22D made this Lion's year a truly fruitful one. Just look at all the Clubs and Lions he had working for him to make this district the best district.

But I will say this to close out my article. I am blessed and humbled that this district believes in me enough to vote me in as your next District Governor. Thank you to District 22D for having the courage to make a difference with your communities. This is the most rewarding thing that has every happened in my life.

So Lions of 22D lets continue the courage and jump aboard the SS22D to see all the wonderful port calls we will do in the coming year.

DGE John Burris

### Notes from the Editor

Dear Lions:

Our big event this past month was the MD22 Convention. There are plenty of pictures in this issue of the Bulletin. If you didn't attend this should give you a good idea of what happened and what you missed.

This month we only had 20 clubs submit articles or newsletters for this bulletin. I try my best to get what you send me in so everyone will know what the other clubs in the district.

Again this month I have included the information for the Memorial Day Parade as an attachment.

I know the Lion year is coming to an end but not all clubs take the summer off. If you have any activities or fundraisers coming up send me the information for the June Bulletin.

Don't forget about the upcoming Officer Training on June 2, 2018. Deadline to sign up is May 18th. Flyer and registration form is on Page 4 & 5.

The email address for sending information to me is **begailkrebs@gmail.com** Please send your information in word and **NOT in PDF**. This makes it easier to copy as I am not a computer geek. For some reason Publisher does not work with PDF's.

Please do not hesitate to contact me with any questions.

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

Bulletin Editor

DG Charles Taylor requests to please include him in any emails informing the Cabinet Secretary of club functions and notices. He especially wants to be notified when you have a member who passes away.

**TRAVELING IN AN URBAN ENVIRONMENT**

In 2013, Leader Dog conducted our first urban travel guide dog class in Chicago. Designed for people who live, work or travel in large city environments, this specially focused training helps clients and their Leader Dogs learn how to safely navigate crowded streets, subways, elevated trains and other elements unique to large cities.

Catalina Martinez lives in downtown Minneapolis which is quite busy, so training in Chicago was very helpful for her and her Leader Dog Elroy. Especially learning how to safely navigate street construction. "Minneapolis is just finishing remodeling the downtown for the Super Bowl in February. Elroy's an expert at moving through the construction—orange cones, broken cement, temporary sidewalks and having to go into the street.

Like all Leader Dog's programs, Urban Environment training is provided free of charge to clients thanks in part to the continued support of Lions.

*Catalina Martinez and Leader Dog Elroy train in Chicago under the supervision of Guide Dog Mobility Instructor Jamie Togonal.*

**CLUB HIGHLIGHT**

**Our First Ever Leo's Top Dog Club**

The Walkersville Leo Club (District 22-W) set a goal to raise \$2,000 for Leader Dog through their first Dinner in the Dark fundraiser. With the support of the Glade Valley Lions Club and their local town government, both financially and through attendance at the event, the Leos ended up making a \$9,527.13 donation to Leader Dog's annual fund!

Lion Jennifer Smith, who is also a LDB puppy raiser, stated, "[This] wonderful group of kids were so excited they oozed energy everywhere they went." Obviously, that energy was contagious.

We congratulate them for becoming our first Leo's Top Dog Club!

## NEWS FROM THE DISTRICT

Hello Lions,

You may have seen the President at the Washington, DC Law Enforcement Memorial yesterday honoring the officers who's names are memorialized on the walls. We can also show our appreciation to the officers and the agencies that protect our community.

Peace Officers Memorial Day is held annually in the United States on May 15<sup>th</sup> in honor of federal, state and local officers killed or disabled in the *line of duty*. Since the year 1791 over 20,000 law enforcement personnel have made the ultimate sacrifice in the line of duty. Many people go into law enforcement because of their feelings of a moral obligation to help others. They are sworn to keep us be safe 24 hrs. a day 7 days a week. The police job descriptions and duties are as long as your arm. They must have exemplary judgement and knowledge; be able to multitask and face impossible situations while keeping calm, fair and unbiased; they must be able to make split second decisions that could end a life. But, they go to work every day and they are there to answer your call.

We can place a blue light in your window to show support for the local law enforcement. You can also show appreciation by displaying blue ribbons which are a symbol of law enforcement support. Display your feelings with blue ribbons on your car, mail box, front porch or door. You can also honor their sacrifice by flying your flag at half mast. These are great gestures to support law enforcement but, please do one thing more that will make a bigger difference. Talk to your local officers and thank them personally.

Before this year the last Delaware police officer to die in the line of duty was New Castle County Lieutenant Joseph L. Szczerba on 9/16/11. In 2017 on 2/2/17 Delaware Department of Correction Lieutenant Steven Floyd and on 4/26/17 Delaware State Police Corporal Stephen J. Ballard was killed in the line of duty. Blue lives are precious and they do matter. Honor and remember their sacrifice and pray for them and the families that they left behind.

## We Support the Delaware Law Enforcement Officers and their Families

The Lord Baltimore Lions Club members and families want to thank all of the law enforcement officers that serve and protect our community.

We recognized the sacrifices that law enforcement officers make 24/7. They are there when needed, and confront those that would harm us.

Your willingness to make the ultimate sacrifice to serve and protect others can never be forgotten. **THANK YOU!**

## About atTAcK addiction

P. O. Box 36 • Bear, Delaware 19701 • [attackaddiction.org](http://attackaddiction.org)

atTAcK addiction is a 501(c)(3) non-profit group created in memory of Tyler Armstrong Keister after his accidental overdose. Our goal is to help young people realize the dangers of alcohol and drugs so that they and their families never have to experience the pain, tragedy and loneliness that accompany addiction. The main purpose of the group is to educate and bring awareness of addiction as a disease, rather than the stigma that is suffered in shame by the person with the disease and their loved ones. Attack Addiction seeks to educate by speaking at schools, prisons and any other venues where there is an interest in learning more about the disease of addiction. We strive to bring real and effective change to existing drug policy. We are not a support group, but we end up supporting those in recovery, those who have a loved one in recovery or those who have lost a loved one to the disease.

For general information, to schedule a speaker, or to receive items such as atTAcK addiction wrist bands, please contact:

## About atTAcK addiction

P. O. Box 36 • Bear, Delaware 19701 • [attackaddiction.org](http://attackaddiction.org)

### Mission

*Our mission is to raise awareness about the disease of addiction. Through educating communities, assisting families in their quest for information and supporting those in recovery, atTAcK addiction seeks to remove the stigma of addiction by effecting positive change in Delaware.*

atTAcK addiction is a 501(c)(3) non-profit group created in memory of Tyler Armstrong Keister after his accidental overdose. Our goal is to help young people realize the dangers of alcohol and drugs so that they and their families never have to experience the pain, tragedy and loneliness that accompany addiction. The main purpose of the group is to educate and bring awareness of addiction as a disease, rather than the stigma that is suffered in shame by the person with the disease and their loved ones. Attack Addiction seeks to educate by speaking at schools, prisons and any other venues where there is an interest in learning more about the disease of addiction. We strive to bring real and effective change to existing drug policy, We are not a support group, but we end up supporting those in recovery, those who have a loved one in recovery or those who have lost a loved one to the disease.

Our focus is Delaware and we are all volunteers - atTAcK addiction has no paid employees

### SUBMITTED ARTICLE

The Lord Baltimore Lions Club recently presented a donation to Frankford Public Library to support its adult literacy program.

Club President Janet Bauer and Lions Jack Bauer and John Monahan visited the library to present the donation to Library Director Rachel Wackett and Joan Loewenstein, literacy coordinator.

"This donation will be used toward the purchase of reading texts called English in Action that support English Language Learning. Last year the LBLC donation went toward the purchase of books and CDs to facilitate better comprehension and retention for our adult learners," said Wackett.

The Literacy Program at Frankford Public Library offers tutoring in Basic Reading and Writing, Math and Financial Literacy, English Language Learn-

ing and Civics Education.

"The Adult Literacy Program now has grown to 24 adult students. There are presently 20 tutors in the program, but more are needed to accommodate the increase in adult students," said Loewenstein.

The Lions Club learned about this program two years ago after assisting a woman in need of an eye examination and eyeglasses. It turned out that the woman was a student in the Adult Literacy program at the Frankford Library.

For information on the Adult Literacy Program, contact Joan Loewenstein at the Frankford Public Library at 302-732-9351.
