Fellow Lions, Lioness, Leo's:

Hi everyone, and welcome to a new Lion's year. I trust that you are as excited as I am about the next 12 months as we serve with pride and passion. It's about putting ourselves forward and keeping the famous "We Serve" spirit at heart as we give our time and efforts as Lions.

Our International President, Dr. Jitsuhiro Yamada has announced that his theme is **Dignity, Harmony, Humanity**. His directive is to respect the dignity of those we serve. Serving others is not only an act of kindness, but also a means to build understanding and harmony. Serving humanity is not a duty but a responsibility.

As of June 30, 2015, our District has 1251 Members. Reflecting upon 2004, our district had 1503 members. **Statistics** don't lie, so it up to us to turn this decline around. **We all need to make it our personal obligation to increase membership.** Looking at our 5 year average on membership, we are currently down 40 members. **The district needs your help!**

I am looking forward to seeing all of you during visitations this year.

Yours in Lionism,
DG James Coverdale

From Our Vice District Governors

The Power of Service to Others

I hope all of you are enjoying your summer with family and friends. As we begin a new Lion Year I want to thank the District for all of your support as I take one step closer to being your District Governor.

On June 20 IPDG Cheryl Jones sponsored the traditional tailgate party prior to the Blue-Gold Football game. Thank you for hosting this event and for all you did last year.

I encourage the clubs of 22D to begin letting your members know about your meeting place, date and time. Make sure you have a community project on the agenda-Invite a friend. Above all set a positive tone. Make new members and retention of members a vital part of your entire year.

I look forward to working with DG Jim Coverdale and SVDG Charles Taylor this year. Together with the newly appointed Region and Zone Chairpersons and other cabinet members we will work to build on this all ready great District.

I hope to see you at the Banner Transfer on July 21 at the Modern Maturity Center. It will be a special time to thank IPDG Cheryl and to welcome and show our support for DG Jim Coverdale and First Lady Brenda.

FVDG Glenn Williams

Moving Forward to Score

Hello To My Family (Lions, Lioness and Leo's):

This past year, 2014 and 2015, has really been enjoyable traveling to all the clubs in District 22-D and interacting with them. Every club has something different on their agenda which was of interest for me to see how they operate. Some clubs provide new ideas to enhance and support District 22-D; this is extremely helpful when you are running for office. I want to thank each and every club for hosting me to come and speak for a short time.

I, my wife, and my older daughter traveled to Hawaii recently. The ladies went sightseeing while I attended many of the convention functions. It was wonderful meeting different Lions. What a spectacular opportunity to see other parts of the world!

Now we are starting a new year of Lionism. We need to create a stronger and better 22-D. We need to do this by setting up an infrastructure within each club making them stronger. Working together we can do this by going out and getting new members.

As always, all clubs need to unite and work together.

Bless all of you,

2nd VDG Charles Taylor

Join In the Legacy at Leader Dogs for the Blind

Since the first bulldozer pulled on campus in August 2014 (top picture) to where we are now (bottom picture) is the most comprehensive renovation project this building has undergone. The Canine Development Center is aptly named because it isn't just our kennel but houses puppy development, a veterinary center, breeding program and the staff and volunteers.

At any time, we can house up to 310 large dogs in this facility—it will, when complete, cover almost 80,000 square feet. Parts of the current building date back to the 1950s.

"It was state of the art in the 1950s but today our clients travel in more complex environments to get to work, school...we need to raise a much different type of dog to handle these changes," states president and CEO Lion Sue Daniels.

The Lions have reached \$1.6 million of the \$3 million goal in the first year. "This is such a huge commitment from the Lions and it is coming in gifts of all sizes. Lions started Leader Dog and their support is still as important today as it was in 1939", states Lion Mike Dengate, Lions capital campaign manager.

To find out how your Lions club can get involved in this legacy, go to LeaderDog.org or call your Leader Dog chair for a presentation.

Millsboro Lions thankful for Variety Show support

The Millsboro Lions Club celebrated its 75th anniversary with a very successful Variety Show, featuring local musical talent and comedy by club members & their families.

The financial support of 25 local businesses and organizations really helped make it a great fundraiser for the club's projects, which include assisting local citizens with eye-glasses & exams and screening

all Kindergarten children at East Millsboro and Long Neck Elementary Schools.

The audience was well entertained and involved, and certainly enjoyed the songs and acts. We thank Rebecca Wilson, Danita Robinson, Joyce Bowden, Greg Fuller, Melissa Alesi, and Aimee Parker — all for the wonderful singing. Plus, we appreciate the special performances by Jaclynn Cordrey, Linda Mitchell, Kim Jones, and Chris Cordrey's family of youngsters, Jasmine Stuart, and Reagan, Joey and William Gamuciello. A huge thank you goes to Matt Price, a Sussex Central High School senior, who did a tremendous job with sound and lighting. Also, we thank Taylor Rogers who videotaped the production.

Finally, the local Boy Scouts, Troop 89 of Millsboro, did an outstanding job on the stage design. We had a lot of fun, and really appreciate the community support.

LIONS HEAR ABOUT SIGHT TEAM'S TRIP TO NICARAGUA

LIONS PDG CLYDE BRAGG, Delaware Sight Team, was guest speaker at the Milton Lions Club. He told the Lions about the Delaware Sight Team's recent trip to Nicaragua. While there, the team did eye exams for 1,160 people and gave out 1,200 pairs of eyeglasses. Due to the trip's success the team is planning to stay for two weeks next year.

Lions Clubs collect donated eyeglasses in boxes placed in area businesses. Then they are taken to the local prison where they are cleaned, refracted and have prescriptions written on them. The Lions then sort and pack them in boxes ready for distribution by the Delaware Sight Team.

Please pass this information/form on to members of your club that do not have e-mail.

Would you like the District Bulletin, in Black & White, delivered by regular mail for next Lions Year? Please fill out form below and send with a check for \$20.00, made out to District 22D to cover the cost of postage/printing.
