Hello Fellow Lions, Lioness and Leo's,

The second half of March was one busy month with several events for all Lions of the District. First was the Mid-Winter Social. I want to thank Co-Chairs BJ Ryder & Janet Brown and the committee for an event filled with fun, food, and dancing. I would also like to thank the clubs for the door prizes. The next event was the district bowling tournament. I'd like to thank Barry Munoz and his committee for a great event and a truly fun time. Then to top it all off we had two great programs for Leader Dog North and South. Lion Pauline Ulrey and Leader Dog Satch presented a really personal message on what it is like to retire a dog and get a new one.

Now we move right on to the first weekend of April. We had the second program for District Orientation presented by IPDG Cheryl Jones and PDG Bob Jones. I have to say the program gets better each year. Thank you for a program well done. Let's move on to April 24th when we will have the DLF Walk in Rehoboth Beach. Please sign up and donate to the walk. Lions, let's help support the Delaware Lions Foundation. Remember the foundation enables us to help serve our communities with their matching grants.

April is known as the month to do Vision Days. Please go out and shake those cans for the cause. The money we raise for LVRF operating funds helps support the daily operation of the Wilmer Eye Institute.

At the beginning of the year, each club got a pack of 50/50 tickets for the Multiple District Convention. Please buy these tickets either by club members or by the club. This provides funds for the convention committee to pay for the convention plus some lucky lions receive some cash, after all it is a 50/50. The convention is May 16th to the 18th. in Hagerstown, Md.

As the last statement of every district bulletin, I have been reporting our membership. **The current number for the district is 1235 members.** We are down **11** members from the beginning of the year. We need **15** members to get us back to the minimum of **1250!** **We all need to make it our personal obligation to increase membership. The district needs your help!**

Thanks for letting me serve this great organization.

Yours in Lionism,
James R. Coverdale

From Our Vice District Governors

The Power of Service to Others

Fellow Lions,

The District Cabinet Meeting was held April 10. This was the final cabinet meeting of this Lion Year. I know the year is not quite over but I want to personally thank DG Jim Coverdale for his leadership. The reports given show how active District 22D is. At the writing of this article the District is only down 11 members for the year. I heard from some that new members are being inducted this month. I feel very confident that we can grow this District to a positive number by June 30, 2016. **ASK ONE**

I hope many of you are able to attend the Multiple District Convention in Hagerstown, MD, May 16 through May 19. This is a great opportunity to participate with other Lions from our Multiple District. Our clubs need to be represented by their voting delegates because we have a contest for 2d Vice District Governor. It is very important to support this process.

In June there will be the District 22D Leadership School. This is scheduled for June 4. Further information will be released by our Global Leadership Team Leader, Lion Tee Bell.

Thank you to every Lion in 22D for what you do.

Believe In the Power of Service

Moving Forward to Score

Hello Fellow Lions, Lioness and Leos,

It has been a fantastic year and time has flown, with the fellowship of our Lions, Lioness and Leos.

Our final Cabinet meeting was held on April 10 at the MMCS in Dover. The meeting was long and very interesting. Lots of awards were presented to Lions that worked very hard this year for DG Jim. Social time is always fun to chat with fellow Lions, and learn more.

On April 2 there was an orientation session held in Dover. The presenters were IPDG Cheryl and PDG Bob Jones. They did a great job and as always we learned more about Lions. Hopefully we will have better attendance next time.

Leader Dog was held in the North at the Waterfall in Claymont. Leader Dog South was held in the Milford Firehouse. Both events were fantastic and we had great attendance.

The Mid Winter Social was a fun time for all and many thanks go to those that worked and put it on.

Do not forget the MD Convention in Hagerstown on May 16 thru 19.

Always remember we need more working members!

Thank You to All

Blessings

Additional Happenings

Camp Abilities Delaware 2016

The Division for the Visually Impaired and the Delaware Association of Blind Athletes are sponsoring a summer day camp for Delaware youth with visual impairments. This camp will run for 5 days this summer, 9am-4:15pm, July 25-29, 2016. A one-week program would allow students to refine sport skills, develop relationships with other students with visual impairments, have access to positive role models that encourage independence, and increase understanding of healthy lifestyle.

The Camp Abilities program will be located at Killens Pond State Park in Felton, Kent County, DE. This will allow the maximum number of students to participate from all three counties. Students will be pooled from DVI school-age caseloads (5-21). We have secured transportation for the New Castle County students, via All In One Transportation; for Kent County students, via ParaTransit; and for Sussex County students, via DelMarVa Transportation. Last year, we had 13 students participate in our trial program. We hope to increase that number to 20 this year, and then expand even further in subsequent years. We have 7 students from NCC and KC registered already.

We are requesting involvement of your Lions Club with a financial donation. Lions Clubs are involved in various ways at other Camp Abilities camps. In Tucson, AZ and Brockport, NY, the Lions donate food and cook for us. In West Chester, PA, the Lions Clubs donate money and visit throughout the week. Any sort of assistance in our first year would be greatly appreciated.

From: Parade Committee

To: Lions

On Behalf of the Parade Committee, I would like to take this opportunity to say thanks to the many Lions, Leos and Guests that helped to make the Lions participation in the National Memorial Day Parade a tremendous success. Over the past seven years this function has been viewed by an ever increasing number of people. 2015 estimates were for over 500,000 along the viewing route, and millions more reached by multiple TV broadcasts, and printed advertising. Plus, Miss America was the celebrity on our Float, so we received extra exposure when we were stopped at the reviewing stand while she sang God Bless America.

However, all of this comes at a price, and in the past, LCI has stepped up and provided grants to help cover the cost of our participation. LCI has stated that during the next two years, this particular financial help will not be available, so if we plan to continue participating in this parade, we will have to find other methods to finance it. The cost of participation in the parade comes in at around \$19,000.00 (\$15,000.00 Entry Fee and Float.

The rest is for transportation, additional advertising, water and refreshments for Marchers, and etc.) The committee has worked to keep costs down and continues to do so. We have over half of the needed amount on hand but need to come up with the rest.

This year, the emphasis is on our upcoming Centennial, and the only PR Funding I can find is a Grant of \$1,500.00 for each District. Needless to say, that is not enough to continue our participation. If we are to continue, we need the support of not only MD22 and District 24A, but all the States of the Eastern part of the United States. If we are able to participate, our Float will be decorated with the Centennial Motif, so I think it would qualify as a Centennial PR Project that could be supported by all Districts.

The bottom line is that without funding, this tremendous PR event will die on the vine. Your monetary and physical support is needed. We also have T-Shirts and Neck coolers for sale to help offset the costs.

The article featured in the November Lions Magazine is attached, as you can see we were a very prominent entity.

Thankfully yours

Bunnies (And Lions) Hop Into New Castle

Despite the overcast afternoon, rabbits and humans of all shapes and sizes came to New Castle to join in the fun at the Lions Club Easter Parade.

Old New Castle friends, David and Lula Atherton, with their grandson, Connor, (at left) took Best Dressed, but many other great-looking families competed in the fun, as you can see. Brooklyn and Adelaie Gordy (at right) seemed to take the "Having The Most Fun With The Easter Bunny" prize, as Adelaie couldn't hide her excitement.

The New Castle Hundred Lions Club puts on this very popular event every year.

Lions to award three scholarships to IRHS graduates

The Lord Baltimore Lions Club recently announced that, again for 2016, the club will award three scholarships to eligible graduating seniors of Indian River High School. Each recipient will receive a one-year scholarship valued at \$1,500, toward their freshman year of college.

Scholarship applications are now

available on the website at www.lordbaltimorelionsclub.com or through the guidance office at Indian River High School. The scholarships are awarded annually to senior students who attend Indian River High School and reside within one of the following ZIP codes: 19930, 19939, 19945, 19967 or 19970. Applications are reviewed by a committee who will rate

each applicant on community service activities, as well as academic achievement and financial need.

Scholarships are in memory of Lion Ralph Helm, who was a member of the Lord Baltimore Club and who served as club president, district governor and an international director of Lions International.

"His accomplishments were outstanding in both the local and international environments. The Lord Baltimore Lions Club is honored to award these scholarships in his name. The Lions also wish to extend sincere thanks for the continued financial support received from our local community which enables us to award these scholarships," representatives said.

LORD BALTIMORE LIONS LEARN ABOUT LEADER DOGS

SUBMITTED PHOTO

MEMBERS OF THE Lord Baltimore Lions Club attended the Leader Dogs for the Blind Dinner held recently in Milford. Approximately 140 Lions and guests gathered to learn about leader dogs and how these skillfully trained animals empower people who are blind or visually impaired with lifelong skills for independent travel.

The guest speaker was Leader Dogs representative and Lion Pauline Ulrey, a member of the Southport Lions Club of Indiana. Ulrey told the story of losing her sight at 26 months of age through a fuse box explosion in her house caused by a lightning strike. She introduced her leader dog Satch, who is a 2-year-old retriever. During her talk, she engaged the audience with stories of how she has lived her adult life as a self-sufficient and independent person with the support of her leader dogs. Ulrey informed the audience that Satch is her 10th dog and first retriever. Her previous dogs were all German shepherds. Leader Dogs for the Blind was founded by three Detroit-area Lions Clubs members in 1939. Lions Clubs in District 22D, including the Lord Baltimore Lions, actively support the work of this organization on behalf of those who are blind or visually impaired. For more information on the Lord Baltimore Lions go to www.lordbaltimorelionsclub.com or call Lion Janet at 302-537-5175.
