

BELIEVE IN THE POWER OF SERVICE

Glenn's Message

Welcome Lions, Leos, and friends of District 22D,

The enthusiasm of District 22D was displayed at the Banner Transfer. Thank you KL Anita Bird and IPCC Lee Bird and the Claymont Lions Club for organizing a great program. Most clubs attended making it a very special event.

The enthusiasm continued August 14 at the first District Cabinet Meeting. Thank you to the Wilmington Manor Lions Club for allowing us to use the Winnie Spence Lion's Den for this meeting. More than 70 people attended.

I hope each club will be involved in some project during this Centennial year. It is not too early to register and plan to attend the International Convention in Chicago, June 2017.

Our district will be honored with a visit September 24, 2016 from our International President Chancellor Bob Corlew and his wife, Lion Diane. Plans are still forming for the event and details will follow. Hopefully the International President can induct some new members and we can continue to grow our district.

Increased membership has to be a goal. More hands will grow our ability to serve.

I believe in the Power of Service.

DG Glenn

From Our Vice District Governors

Moving Forward to Score

Dear Lions, Lioness and Leos,

It is with great pleasure that I send to our fellow Lions, Lioness and Leos a Thank You for all the great work you do. This is a new year with lots of new challenges. We would like to have a new club started and also we would like to see our District 22-D really explode with membership. If we could get this to happen, just think what we could accomplish in District 22-D!

With this in mind 22-D and 22-B are working on Membership rebuilding . The Districts are calling this 'Membership Summit'. If you are interested, call Mary Lee Phillips, our GMT, for more information. On Aug. 24 at Hebron, Md. there will be a dynamic speaker by the name of Brandon Johnson speaking on membership.

Lion Kathy and I just returned from Leaderdog in Rochester Hills , Michigan, and we had a wonderful time seeing the new facility. If you ever have the opportunity please visit Leaderdog.

Our First Cabinet Meeting was held on Sunday Aug.14 and was a complete success with a very good turnout. The Cabinet would still like to see more Lions join us.

Blessings to all,
1st VDG Charles Taylor

Having the Courage

Dear Fellow Lions,

I was so pleased to see so many clubs show up for the transfer of banners. To me, this shows that District Governor Glenn is going to have an awesome year. That means clubs will report more activities to LCI and to the district, as well as grow the membership.

As you may remember I stated I wanted to 'HIRE' as many lions as I could. I am a firm believer that we all have the **H**=humanity, **I**=integrity, **R**=respect and **E**=empathy to grow this district; as well as to better serve the people of the world.

This year, I will be starting the year out a little slower than I had wished for. As many of you know I had surgery on August 2nd. I would like to say thank you for all the heartfelt get wells I have received.

2nd VDG John Burris

Centennial News

As we approach our Centennial in 2017, we have so much to celebrate. This once-in-a-lifetime event commemorates not just our association, but every Lion and club who has made a difference in the world. No matter where you are, there's an opportunity for each and every Lion to join the celebration.

I encourage you to join the Celebration by supporting our three signature programs:

- Lead through service by hosting youth, vision, hunger and environmental projects to help us reach our **Centennial Service Challenge** goal of helping 100+ million people. Set a goal of hosting at least 1 service project for each.
- Invite for impact by asking family, friends and neighbors to serve with you as Lions, and you'll earn recognition in the **Centennial Celebration Membership Awards**. Set a goal of adding 3 new members.
- Connect with community by planning a **Legacy Project** that commemorates the Centennial and provides a lasting gift to your community.

Let's work together to show the world that where there's a need, there's a Lion!

Very truly yours,
Chancellor Bob Corlew
Your International President

Attention Lions & Leos:

Think about entering the 2016-17 Environmental Photo Contest.

All photos depicting a nature theme (such as plants, animals, weather phenomenon, etc.) are welcome.

For full contest details, contact District Environmental Chair Lion Jack Bauer at 302-537-5175.

I look forward to visiting your club to speak about the environment and programs your club can accomplish.

Around 170 Lions attended the July 19th Banner Transfer at MM in Dover. As each Club's Banner was announced, the 2015-16 Awards earned by that club were presented to the President carrying that Banner. Below is a picture of DG Glenn installing the 2016-2017 Zone and Region Chairs and a picture of most of the 2016-2017 Official Cabinet. (Do you know who is missing from this picture?)

Club Happenings

Laurel Lions

Laurel Lions Club assisted a resident with materials to build a ramp .

The Laurel July 4th Parade was a lot of fun for the ten Lions who participated in it. (picture on top right) To top it off, we won the trophy for "Best Civic Entry!"

On Saturday, July 23rd twelve Laurel Lions worked at the Greenwood Fire House BBQ. (Pictures on right)

Saturday, July 30th we held our club summer outing at Phillips Crab House in Fenwick and Saturday, August 6th we attended the Delmarva Shorebirds game as a group.

Middletown Lions

Our club participated in MIDDLETOWN 2nd ANNUAL NIGHT OUT held on Aug 2. We raffled off a school backpack and basket of school supplies won by Chelsea Roundtree of Middletown. Our goal was to inform the community of all the services our club performs for the community.

We have received our new concession trailer from the Brookside Lions Club. Hopefully this will help us in our endeavor to give quality service to the MOT area. (picture on right)

The Peach Festival (Aug. 20th) is rapidly approaching and we will need all hands on deck for this event in order to sell our crab cakes.

We will then schedule our crab cake workshop for the Art-on-the-Green fundraiser, as hopefully we will have sold all the crab cakes we now have at the Peach Festival.

Beginning September 26th, meetings will be held at GROTTO's PIZZA 315 Autopark Drive, Middletown, 6:30 PM sharp.

Milton Lions

We had 817 riders on the Clipper Express Train on the 4th of July and the train ran great. 15 Lions worked selling funnel cakes, lemonade and car chances, and running the train in the park.

We served free 4 inch funnel cakes and gave free train rides at Milton National Night Out.

We sponsored a concert in the park for \$250.00.

We will be running the Clipper Express for "Bargains on the Broadkill" on Aug 20th and selling tokens for the rides.

Club Happenings

Clayton Lions

Lions Clifton Howart and PDG Bob Daniels sat at Smyrna's National Night Out from 4:30pm to 8:30 pm on Thursday evening August 11, 2016. They gave out information on the location of our eye glass boxes, as well as information about our club.

These men are picking up an electric wheel chair to give to Al Kraft. Our club has partnered closely with Al Kraft who works up and down the state with veterans. The club gives extra hospital beds, wheel chairs, potty chairs, canes and crutches to him so he can give to Vets in need.

Dover Lions

Dover Lions Club is pleased to announce the winner of our 2016 Crab Feast Raffle. The winner has the choice of a crab feast at their home or \$400 cash. The Feast will consist of a bushel of crabs, 24 pieces of fried chicken, 24 ears of corn, a case of beer of their choice and a case of soda of their choice. It also includes all the paper products, delivery to their home and clean up afterwards. The drawing was held during our August 15th Dinner Meeting. The winner is Jennifer Williams!

At this same meeting Lion Rennie Quible gave a presentation about the Navajo Code Talkers of WWII. These Native American soldiers helped win the war against the Japanese by providing a means of communication that the Japanese could not break. In 1982 President Ronald Reagan declared August 14 to be Navajo Code Talker Day in recognition of their bravery and service. Since that date just occurred, Lion Rennie thought it would be a fitting time for this presentation.

Brookside Lions

We've had a busy month of service so far. Food and water were provided to a needy family in Brookside.

An eye screening is scheduled for the 16th of August.

Sixty-five eyeglass frames, with the support of the Delaware Lions Sight Team were sent to a Lions Club in Bangladesh. We supported a medical mission to Kenya with 100 pairs of reading glasses, from the Delaware Lions Sight Team, and 35 pairs of N/P sunglasses. Included in our mission support from the Brookside Lions Club were medication, coloring books and crayons.

Lion Fred visited the American Sign Language Summer Camp, at the Delaware School for the Deaf. The Brookside Lions donated \$ from the "Ed Thompson Memorial Fund" to help support some of the children, who otherwise would not be able to attend the camp.

Everyone enjoy the rest of the summer, try to keep cool.

Club Happenings

Lewes Lions

The Lewes Lions Club has been sponsoring the Lewes Little League for many years and again sponsored the league for the 2016 season. Pictured on the right is our new banner. The club has also purchased a large engraved brick for a new concession stand renovation. We held our annual picnic even though the weather was a bit scary but in the end it worked out.

Frederica Spring Creek Lions

We have collected \$22+ in pennies for the Frederica Senior Center 'Raise a Mile of Pennies' project.

Our second Road Clean-up of this year has been scheduled for August 18.

We have White Cane scheduled at Camden Redner's on September 23 & 24.

We will be manning a table at Boscov's on Sept. 10 & Sept. 23 in hopes of selling more Boscov's Friends Helping Friends passes.

Between 7/1/15 to 6/30/16 The Wilmington Manor Lions Club contributed \$65,252 and spent 917 Lion hours on charitable causes.

Harrington Lions

We will be working at Harrington Heritage Days on August 27. We are selling Hot dogs, Soda, Water, baked goods and car raffle tickets that day.

Club Happenings

Contact Harry Grandel to donate items for this project. Claymont Lions are asked to bring food items for the **Claymont Community Center Food Closet** to the first meeting of each month.

Save empty computer printer ink cartridges and soda can tabs to bring to dinner or board meetings. We are collecting both of these items.

The Policeman's Prayer

Oh Almighty God, whose great power and eternal wisdom embraces the universe. Watch over all policemen and law enforcement officers.

Protect them from harm in the performance of their duty to stop crime, robberies, riot and violence. We pray, help them keep our streets and homes safe by day and night.

We recommend them to your loving care because their duty is dangerous. Grant them your unending strength and courage in their daily assignments. Dear God, protect these brave men, grant them your almighty protection. Unite them safely with their families after duty has ended.

Amen

STUDENTS LEARN ABOUT U.S. FLAG FROM MIDDLETOWN LIONS

Kindergarten and first grade students at St. Anne's Episcopal School in Middletown are pictured here with the Middletown Lions Club lion mascot after members of the club presented their U.S. flag program to the classes on May 27. The students were eager to let the Lions know how much they already knew about U.S. flag trivia. At the end of the program, each student received a 4-inch x 6-inch U.S. flag, in addition to a Flag Trivia booklet with flag facts and word puzzles.
