## Glenn's Message

Welcome Lions, Leos, and friends of District 22D,

The Month of August passed by so quickly. It was a very productive month for our District. The first Cabinet Meeting was held August 14, 2016. On August 24<sup>th</sup> the President, Secretary, Treasurer, Membership Meeting was held at the Modern Maturity Center. I was very pleased with the turnout and the enthusiasm. It was my honor to introduce the Region and Zone Chairs. I appreciate what they have done. Many have already conducted or have scheduled their first meetings. This is where a lot of district work gets accomplished. Please support them and stay involved. Thank you to the chairpersons who gave oral reports.

Please plan on greeting our International President, Chancellor Bob Corlew and his wife Lion Dianne, on September 24, 2016 at the Bellevue State Park from 9:30 - 11:00am. I hope we can have a large number of Lions from 22D present. Information will be in the Newsletter and will be sent to each club. We are hoping to have the IP induct some new members. Children, family and friends are invited to participate.

September is the start of my official club visitations. I look forward to meeting as many Lions in District 22D as possible. I want to know how the clubs are doing and serving their communities. Please take time to review the District activities listed in the newsletter.

Our membership numbers are down through August. The clubs are starting to meet this month and I know the effort and desire is there to grow this District.

Believe In the Power of Service  
DG Glenn Williams

## First Vice District Governor

### Moving Forward to Score

Happy September Lions, Lioness and Leos,

In August, we had a great turnout for the PSTM meeting; I am so glad that most clubs were represented. We had lots of reports and comments taking place. DG Glenn discussed his goals for the 2016-2017 year. There is hope to increase our membership and add a new club which would be fantastic.

The Cabinet has started their visitations; Murderkill was the first. We all had a great time, and DG Glenn awarded them a Centennial Project Award which was sent by LCIF. Great job Murderkill for the excellent work!

USA/Canada forum is approaching quickly. We leave on September 14, 2016; I am attending with PDG James "Jim" Coverdale. It should be a wonderful trip. Before we go, I get to visit my own club, the Harrington Lions.

Leo Bash is coming up very soon, on October 1st at Camp Barnes. There always seems to be a lot of fun happening there.

Our second Cabinet meeting is October 19 at the Modern Maturity Center. The next night is Sight Night at Dover Downs. I hope to see you there! Time is surely flying by!

Always remember to ask "what can we do for you?" because we are Lions. "We serve" so that we always are "Moving Forward to Score" for our District 22-D.

Thank you for allowing me to serve in your district, which is a phenomenal district!

Blessings to All,

FVDG Charles Taylor

## Second Vice District Governor

### Having the Courage

Dear Fellow Lions,

The International President has stated "New Mountains to Climb". Well as many of you know, I have climbed a few mountains in the last month with my surgery and all. It was great to be able to come out to the PSTM meeting that we just had. Again, it just goes to show how much we Lions care for each other and the projects we do for our communities.

I am looking forward to getting out with District Governor Glenn and working with him to build a stronger district.

As of the other day, our district is down just over 25 members! Please, whenever you're out and about, ask the person in front of you if they know what the LIONS are and what they do! If we begin to inform people, I truly believe we can grow the district.

Also we cannot forget the leadership training that our own multiple has in February.

2nd VDG John Burris

## Commemorative Coin

Lions have teamed up with the U.S. Mint to create a commemorative Centennial coin. The stunning design was unveiled at the International Convention in Fukuoka. The first strike will take place in late fall and coins will be available for purchase on January 1, 2017. For each coin sold, \$10 will go to the Lions Clubs International Foundation.

Lions of 22D,

"Now and Then" Project Update - (photos taken at various locations throughout the state, from the same angles of old pictures that are in the Archives. )

What a great response! We have at least 6 Lions willing to participate in the above mentioned project and several more may be forthcoming! I welcome each and every one of you!

Mr. Small is having a selection of the initial 12 photos being done and, once I get those in hand, will be contacting the volunteers so that each can be part of this great project. Lions, you are great!

# PSTM Dinner

The PSTM Dinner on August 24th was a great opportunity to hear from DG Glenn as he reviewed his Goals for 2016-17. The growth and strengthening of membership is one of his key goals. The message to all Lions in the room was based on his theme "Believe in the Power of Service".

Pictured here are some of the 130 Lions who attended this event and enjoyed good food and great fellowship.

# Official Visitations

## ENVIRONMENTAL NEWS

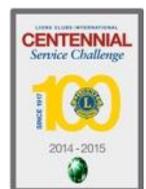

Environment is one of the four Centennial Service Challenge activities!

Your club can receive a special Centennial Banner patch when you report your environmental activities through the MY LCI Service Activity Report.

Environment club projects can include community clean-up, tree planting, education and recycling. There are many recycling options such as; paper, books, magazines, aluminum, plastic, etc. The good news, collecting eye glasses and hearing aids, a function many clubs already do, count as an Environment project with LCI. Also, under Reuse Projects, such as clothing drives or collecting medical equipment to donate to those in need, these would qualify under LCI Service Activities.

Please do not forget the Environmental Photo Contest. I need your club pictures by Dec. 1, 2016.

Lion Jack Bauer  
Environmental Chairman

The Delaware City Fire Company was also a huge supporter, allowing the use of their facility as well as man power in the organizing and filling of the back packs. State Representative Valarie Longhurst and State Senator Nicole Poore also supported this event with Back Pack and supplies donations. Representative Longhurst assisted during the event also. The Back Pack Drive was advertised throughout the community and on social media for two weeks prior. Due to the

generosity of members of the involved organizations, as well as the local community, 86 back packs were collected and filled for distribution. Children and their families started arriving 30 minutes prior to the scheduled start time, and continued to come for the next two hours. On a hot Sunday afternoon, 81 children received filled back packs to start the school year. Free hot dogs and drinks were also provided. All who participated felt the event was a total success, and hopefully, the start of an annual tradition.

## Additional Happenings

### LCIF

Did you know that since its founding in 1968, our Lions Clubs International Foundation (LCIF) has given out more than US\$950 million in grants? That is an incredible amount of money. What is even more incredible is that we have improved the lives of hundreds of millions of people throughout the world. We could not have done that without you! Did you also know that LCIF relies entirely upon donations from Lions and friends? Yet, only six percent of Lions make an individual donation to LCIF each year. You read that correctly: only six percent of Lions give an individual gift to LCIF. To those who have already made a donation this year, thank you.

If every Lion gave only US\$100 this year, we could raise US\$140 million. A single US\$100 donation can provide measles vaccinations for 100 children, a week's worth of food for a family after a disaster, life skills training for a classroom of students through Lions Quest, or a loan to an entrepreneur whose business will support an entire family. That donation can, in fact, change someone's life.

For clubs who donate as little as US\$50 per member, LCIF will award special Club Giving Banner Patches. Please encourage every member of your club to support LCIF this year. Help us to help those who need us most.

Can I count on you to demonstrate your commitment to the LCIF mission?

Sincerely,

Dr. Jitsuhiro Yamada

Chairperson, Lions Clubs International Foundation

### DLF

DLF will hold its second meeting of the 2016-17 year on Tuesday September 20 at Fraziers in Dover. If your club needs financial help with a Lions project, don't forget, DLF may be able to assist. Make sure to send your application in 1 week before the meeting. (Application available on DLF Website)

Aim for Sight is a fundraiser for the Lions Vision Research Foundation (LVRF), a 501(c) 3 foundation whose primary purpose is to support low vision research and rehabilitation and to minimize the disabilities caused by low vision and blindness. The objectives of the LVRF are being met through its partnership with the Lions Vision Research and Rehabilitation Center (LVC), at the Wilmer Eye Institute of The Johns Hopkins Medical Institutions, Baltimore, Maryland.

All donations to LVRF are tax deductible but more important are the research and rehabilitation efforts this donation will support in giving hope to the blind and low vision population. For the past few years we have funded a Post-Doctorate Fellowship. These Fellows have not only conducted significant research which could have national implications but have reduced the waiting time for an appointment to the LVC to a few days or less. Due to our efforts many new clinics have been established throughout the state and the country.

Your donation will allow us to continue this outstanding effort.
