# “Moving Forward to Score”

## DG Charlie's Message

Dear Lions, Leos & Lioness:

The last of Club Visitation with the Cabinet are about to come to an end. Visiting the Lions Clubs of District 22-D has been a joy. I have had the opportunity to be educated on how each club has their own way of doing their Projects and Fundraisers, I believe that all Lions should visit different Clubs to learn how each club function.

Polar Bear Plunge, what a great time we had as we were waiting for the horn to blow. Then we all made a mad dash to fall into the Ocean and then run back out to find a blanket. This is a worth while experience for Special Olympics. We all need to thank our Special Lady "Barbara Spence" and her volunteers PID Ted and PCT Ann Reiver.

On Feb. 7, 2018 our Third Cabinet Meeting was held at the Modern Maturity Center. The meeting was run by First VP John Burris who did a "Good Job". Lots of reports were made by The District Chairpersons and by our Zone Chairs. They all did a very good job. Thanks to all who came and hope you gathered lots of information.

Region 2 held a joint meeting of the two Zones where all clubs came together to give reports of their activities. They voiced their opinions about Members and Retention. Thank You Region Chair Bill Walls for having the Meeting.

On Feb 24, 2018 there will be classes on what The Lions Quest is all about and also we will be working on Opioid epidemic for our District and for our Country. We really need these programs to work, if not we will lose our Generations to come. If you are interested in joining us call DG or Daniel Elkins there are a few openings left.

Thank You again Lions for working in our District to help those that really need our help, ( WE SERVE)

Way to go District 22-D—a very strong group of Lions, Lioness and Leo's  
God Bless all of You

### First Vice District Governor

#### Having the Courage

Dear Follow Lions,

PDG Ken and Lion Marie Chew and I just returned from Milford, Massachusetts, the area DGE School was held. PDG Ken did a great job in teaching the service and LCIF sections of the training that I was attending. The training was a long one but a good one. It was a training session to teach the incoming district governors how to set goals for the upcoming year.

Now it is time to start setting the goals for the upcoming year for the district. I am setting my goals but I know I cannot reach the goals without the help of each and every Lion with in District 22D. It will be an all hands on deck effort to ensure this ship steams along a course.

The course that the S.S. 22D is sailing on is a course to continue to grow our members and clubs with the district. Learn about Lion's Quest and how it is greatly needed to help our young people of today. To create more Leo clubs as well as to teach the LEO to Lion's transition of becoming a Lion.

She just finished up a port call at the polar bear plunge. She had a little hard time getting through the cold water but she made it. And the Lions of 22D make a great showing.

Although the S.S. 22D can't forget the stops she already has charted out for her in the coming year. Such as all the Visually Impaired Parties and Leader Dog programs, as well as the many other stops that she has plotted out.

She has two port calls coming up very soon and that is the Leader Dog North and the Leader Dog South. In the past these port calls have been wonderful. They have shown the Lions that their money is going to a great cause as well as seeing how their money is being put to use.

I will sign off now to let all the passengers wonder where the S.S. 22D will be sailing next.

1VDG John Burris

### Notes from the Editor

Dear Lions:

We only had 16 clubs submit articles or newsletters for this bulletin. I know there are many projects and activities going on in the district that can be included in YOUR bulletin. I did receive a couple of newsletters that there was no mention of any service activities for their club, therefore, there was nothing I could include in the bulletin for their club.

Again this month the bulletin is an especially lengthy bulletin this month. There's a lot going on in the next several months. Please pay attention to the District Events as there are several sign up forms including the MD 22 Convention information.

#### FUNDRAISERS

Don't forget to send me flyers about your upcoming fundraisers!!! There is only one new flyer for fundraisers in this issue. PLEASE don't forget to send me your information for your upcoming fundraisers.

The email address for sending information to me is **begailkrebs@gmail.com** Please send your information in word and **NOT in PDF**. This makes it easier to copy as I am not a computer geek. For some reason Publisher does not work with PDF's.

**Please pay close attention to page 8—Corrections to the Roster Book. There are quite a few very important changes relating to the club's officers and meeting places.**

Please do not hesitate to contact me with any questions.

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

Bulletin Editor

DG Charles Taylor requests to please include him in any emails informing the Cabinet Secretary of club functions and notices. He especially wants to be notified when you have a member who passes away.

### CLUB HAPPENINGS

#### LORD BALTIMORE LIONS CLUB

After the blizzard of 2018, we were all back to work; four of our members attended the Melvin Jones Breakfast where we presented our yearly club donation. While there, two of our members also presented personal donations to LCIF. GO LIONS! Our fruit sale in January included the ever popular Honeybell oranges and was a big seller. Unfortunately the February and March sales had to be cancelled due to lack of fruit available from Florida. Hopefully they will have recovered from the storms this past year by next Fruit Sale season. Our Eye Exam/Glasses committee continues to provide exams and glasses; recently providing exams and glasses for two residents at the Bethany Homeless Shelter. Our Medical Equipment committee has been very busy delivering and picking up equipment; averaging about 35 pieces per month this year. At least 5-6 of our Lions head up to the DE Food Bank in Milford the last Friday of the month. We also have 8-9 members that spent 156 hours last month at Food Pantry's, Soup Kitchens and collecting bread from local stores for the soup kitchen. We have helped build two ramps with other club members from our Zone this month. Our "A" Student parties continue at John M. Clayton and Lord Baltimore Elementary Schools.

Lion Paul Bolton is presented with a LCI pin by LCIF Coordinator Ken Chew at the Melvin Jones Breakfast for his support.

### CLUB HAPPENINGS

#### MILLSBORO LIONS CLUB

At the Feb 13 meeting, Millsboro was delighted to have 2 guests from the Ocean City Lions - King Lion Brian Bankert and Club Secretary Steve McMillan. Our speaker was from the Laurel Lions Club, PDG John Shwed, who brought us information on the Lions Vision Research Foundation, and its newest endowment campaign. Lion John was very entertaining beginning his talk with a series of questions that the Lions could answer and earn (Valentines right!) candy for correct answers! Since he was the driver way back in 1988 for PDG Tom Shockley and PDG Norm Powell the first question related to the 2 of those Lions! Fun questions - and informative facts. Who knew that \$390 BILLION dollars were given to charity in 2016? And that 80% of that came from PEOPLE like you and me - not from corporations as many of us mistakenly assume!! only 3 % comes from Corporation. WOW.. We are generous people - especially Lions!! Questions from the floor included - do clubs earn Patz Fellowships for Endowment contributions (yes). A very informative evening. At the meeting awards were given to: King Lion David Mitchell for being 100 % President in Lion year 2016-17 (Given by IPDG Glenn Williams to PDG Mary Lee Phillips at Cabinet meeting on Feb. 7), and King Lion David gave PDG Mary Lee Phillips a recognition received from LCI for sponsoring 10 members. Next meeting will be March 13, with the Boy Scouts as guests.

#### MILTON LIONS CLUB

Milton Lions special speaker for February was John Yaeger from Bayhealth.

Mr. Yaeger gave us a tremendous program about Diabetes.

Four members attended the 3rd. Cabinet Meeting.

Candidate for 1st. VDG Kenny Vincent visited Feb. 12th. with a visitation from Dewey Beach Lions.

Renewed our sign at the Milton Little League Park.

Four members will attend the DLF Breakfast on Saturday.

### Keep celebrating LCIF’s 50th— Enter the *Together We Can Contest: Lions Quest Edition*

In 1975, a teenager named Rick Little set out on a quest to help other young people develop the skills and strength of character needed to succeed as adults. His unique mission was so successful, the program he created eventually grew into one of the most widely-used life skills programs in the world.

LCIF began supporting the program now known as Lions Quest in 1984, and took over the program in 2002. Since then—together with individual donors, dedicated educators, caring parents, and engaged students—LCIF has awarded more than \$25 million to expand or establish Lions Quest programs across the United States and around the world.

The *Together We Can Contest: Lions Quest Edition* gives you exciting ways to enter and learn about LCIF’s efforts to help students gain self-confidence and make responsible decisions.

This month, more lucky winners from around the globe will win an exclusive LCIF 50th Anniversary medal, plus an invitation to LCIF recognition events at the Lions Clubs International Convention in Las Vegas (travel and convention registration not included). [See who won last month’s contest.](#)

We’ll be running a new contest every month through April 2018, so [enter now](#). Keep coming back for more chances to win, and to learn how LCIF supports your service.

#### LAST CHANCE LIONS

Selection of the logo for LOVRNET is scheduled to take place on March 2, 2018. Do not pass on this opportunity to be immortalized in the annals of Multiple District 22. Send entries to [info@lovrnet.org](mailto:info@lovrnet.org). Deadline for entries is Monday, February 26, 2018. As a gauge of the competition, see the entry below.

If you are not artistically inclined, you can still make an impact through LOVRNET. Most of you are aware of the role that Lions play in the Patient Interview and Direct Services areas of the project. As the number of patients grows, so too does the need for volunteers to assist with these critical areas. There is a whole range of other opportunities to engage in beside those two.

- LOVRNET is revisiting the community of eye care providers in our Multiple to identify new businesses that we can approach seeking their participation and support. We will need help to scrub a list of providers and select those we want to target.

- A small group of Lions are currently engaged in identifying topics and gathering information that can be posted to the LOVRNET web site and distributed through social media to enhance the visibility of the project. We need Lions who can spot and report interesting articles. You can also elect to do your best Ernest Hemingway persona and create articles on your own. (You can even get a byline!)

- PDG Steve Finger has pulled out all the stops to raise the LOVRNET profile. He may be reaching his limit. Loose your imagination and offer him some thoughts on how to market LOVRNET.

- \$\$\$ It almost always comes down to dollars, doesn't it. To date, the LOVRNET project has been funded by grants. When the initial LCIF SightFirst grant was about to expire, a call went out to Lions and several clubs responded with donations to bridge an anticipated delay in receipt of our follow on SightFirst grant request. We do not intend to make this a standard practice. Until LOVRNET can become self-sustaining through revenue obtained from fees from new Lions districts joining the network and sales of the shopping carts, we need identify and seek grant funding from other organizations. Johns Hopkins has access to a database of potential grant sources. We need volunteers now to search that database and identify likely targets for LOVRNET. We then need volunteers that can put together grant requests for submittals. LOVRNET has identified a need in our communities to help our neighbors with low vision. And, Where There's a Need, There's a Lion. Please be one of those Lions that help our neighbors. Please consider volunteering in any way with LOVRNET. Go to [www.lovrnet.org](http://www.lovrnet.org) to sign up or call me at 301-919-5451.

## NEWS FROM THE MULTIPLE

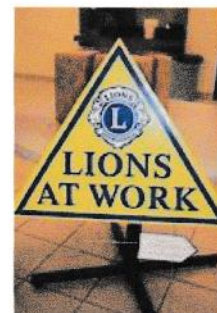

### Membership Summit

MD22 began the Lions' Year on July 1, 2017, with 6,813 members. After six months, as of December 31, 2017, 22A has 801 members in 29 Clubs, 22B has 1,320 members in 46 Clubs, 22C has 1,337 members in 47 Clubs, 22D has 1,263 members in 35 Clubs, and 22W has 1,929 members in 59 Clubs. We have added 283 new Lions in the first half of the Lions' Year, but have dropped 442 Lions, for a net loss of 159. We have 216 active Clubs, but have cancelled 3 Clubs and have one in status quo. We have no pending new Clubs.

What are we going to do? Are we going to wait for our five Districts to be reorganized with all of the Districts impacted? Or, are we going to take action in each Club and each District to slow the loss of members which will allow our organization to grow?

At the request of the Council of Governors and the Long Range Planning Committee, MD22 Global Membership Team Coordinator PDG Dee Hawkins and MD22 Global Leadership Team Coordinator Lion Martin Bonura are hosting a Membership Summit to be held on two different dates and at two different locations. This is the third and final step in a two-year process. The Summit will be an interactive event with action plans provided to each participant to bring back to their Clubs and their Districts. These action plans will emphasize how to succeed in retaining members, as well as action plans for recruiting new members.

The first Summit will be held on Saturday, April 14, 2018 from 9:00 a.m. to 5:00 p.m. at the Elks Annapolis Lodge #622 at 2 Pythian Drive, Edgewater, MD 21037. The second will be held on Saturday, April 28, 2018 from 9:00 a.m. to 5:00 p.m. at the Myersville Fire Department Hall at 301 Main Street, Myersville, MD 21773. Coffee and donuts, as well as lunch will be provided.

We are asking each Club in each District to send two or more attendees to either of the two Summits. We ask that each Club or individual Lion RSVP to [md22membership@gmail.com](mailto:md22membership@gmail.com) with the names of those who will attend and which Summit they have chosen.

Come and be a part of the solution! Take home tools that you can use to help grow your Club, your District, and MD22, and expand service in your communities.

For more than 25 years, Lions have embraced the idea of helping children grow in a positive direction. Lions Quest PreK-12 programs use a social and emotional learning (SEL) curriculum to

teach character education, drug and bullying prevention, and service-learning through comprehensive lesson plans that educators use in the classroom. Our programs work. They help young people become better students, better decision makers, and better citizens.

The success of Lions Quest relies on the Lions who champion the program in their own communities.

### DELAWARE LIONS SIGHT TEAM

3 Lions from the Delaware Lions Sight Team traveled to San Carlos, Nicaragua in January for a long, arduous trip. Lion Walt Roshon, Bill Walls, and Clyde Bragg joined the Promise in Sight Brigade advance team to pack the many boxes of glasses and hospital equipment needed for the week long trip. On arrival in San Carlos, Dr. Ruiz, Hospital Director, had his staff assist with the task of unloading, and it went quickly! The team allocated clinic items to the school, where registration and exams would be conducted, while Dr. Vivian Fasula setup the operating suite. On Monday morning the team was met by a huge mob of people! And all week long they kept coming! On Friday the final count was 1300 people seen, 94 operations and procedures done, and many people had regained better vision. One little boy came in with a badly infected right eye, after catching his eye on barbed wire. He sat so stoically on his mother's lap, waiting to see the MD. His eye was cleaned and antibiotics were dispensed. He will be followed by the local doctor, and hopefully his vision will be restored. And restoration of vision occurred more than once! A number of cataract patients were seen, cataracts removed and they were seen post-operatively. All were grateful for their new sight! Our working conditions, as well as accommodations, were basic yet functional. The food was delicious! And the people we saw were truly gracious! The need is still there, and we will go again! Cost? Total, with airfare, is about \$1500, and it is money well spent! Come experience International Lionism! Come be a part of a great team!

### “Thank You”

Dear Participant,

Your participation in the Walk for Sight enables the Delaware Lions Foundation to continue to support the Lions, Lioness and Leo clubs of Delaware in their efforts to help those Delaware citizens who need assistance. This is made possible by way of grants that the Foundation issues to the local clubs enabling the clubs to provide service projects they may not be able to do otherwise.

The Foundation is also able to provide several Scholarships to qualified high school students each year.

### MISSION

Each year the Foundation provides matching grants to assist local communities. Examples of these grants include: purchase of a mini van lift for a physically disabled child, stair lift for a senior citizen, hearing aids, preschool vision screening to check children’s eyes for eye disease, large print optical readers for individuals and libraries, assistance with eye surgeries, FM hearing devices, etc.

All grants made by the Delaware Lions Foundation are to assist residents of Delaware only.

## MOVING FORWARD TO SCORE

# CLUB FUNDRAISERS

## MILLSBORO LIONS HOLD VISION FUNDRAISER

The Millsboro Lions Club does much to serve our local community including scholarships, medical equipment loans to everyone who needs equipment, support for the Millsboro Little League and Boy Scout Troop 89, and funding eye exams and glasses for the less fortunate in our local area who cannot afford them. The community is familiar with the club's famous oyster sandwiches, available September through December at the Lions' Fritter Shack in the Millsboro Town Hall parking lot. Funds garnered from those sales are used to fund the Lions' many community service projects.

This year's heavy demand for vision assistance and eye glasses in particular has drained the Millsboro Lions Club's financial resources, and they need the community's support. The club is having a special fundraiser on Tuesday, February 27, 2018, from 11 a.m. to close at the "Ocean Grill" restaurant in Long Neck, 26089 Shoppes at Long Neck, to raise additional funds specifically for our local vision program.

## Lord Baltimore Lions celebrate high-achieving elementary school students

Lord Baltimore Lions Club members recently paid tribute to some high-performing students at the two elementary schools located in their service region. The Lions held a celebration party for "A" students at John M. Clayton Elementary School on Feb. 1, and then on Feb. 2 at Lord Baltimore Elementary School.

A total of 110 students were honored for their good grades during the prior marking period, and each student received special congratulations from attending Lions. Each student was given a choice of a snack and refreshment, and received a bookmark as well to honor their special achievements for the marking period.

This is the second year that the Lord Baltimore Lions Club has partnered with both schools to pay tribute to "A" students at both elementary schools. Lions participating this year included Janet Parham, Pat Monahan, Joanne Withers, Pat Brinsfield, John Monahan, Jack Bauer and Lion President Janet Bauer.

The group offered its thanks to Jan Bomhardt at Clayton Elementary and Pamela Webb, principal at Lord Baltimore Elementary and staffs at both schools for working closely with the Lions "to
