## DG Charlie's Message

Hello Lions, Lioness and Leo's:

We are now into November already! Time really flies when you are having fun! As of November, we have visited twenty Lions Clubs.

On October 28, 2017, we held a Membership Summit Meeting at the Modern Maturity Center for District 22-D. Ideas were presented and were brilliant strategies, but we always welcome more. The next time you hear that we are having a membership meeting, please plan on attending. We have a great Leader GMT Ed Springer.

Friday, November 3, 2017, Lion Kathy and myself were invited to have dinner with DG Paul Rufe from 22-A. Other guests included PID Ed Lechius and wife Elaine, Rowe Haywood and his wife Senora, Dan Scott and Bob and Angela Bruce. It was a great time together. The next night was an evening of fun at the 22-A Social.

Our District 22-D will be hosting Visually Impaired Parties in each Region. Region III will hold their party at the Laurel Fire Company on December 5, 2017. Region II will be holding their party on December 7, 2017 at The Harrington Moose Lodge. Region I will be holding their party on December 9, 2017 at Wilmington University from 4 to 7 p.m. Please join us for an evening of laughter and fun!

Invite your Global Action Team (GAT) to speak at your clubs and any Zone meetings. They are GLT PDG Cheryl Jones, GMT Lion Ed Springer and GST is Lion Kenny Vincent. They are great speakers!

As we move on for the rest of 2017, don't forget to do your service work, fundraisers and take care of your clubs and community. Always remember the more Lions we have, the better we can serve our community and world.

May we always remember (The Power of We)

Our Motto-(We Serve)

Thank you and God Bless all Lions of 22-D,

DG Charles Taylor

## First Vice District Governor

### Having the Courage

Dear Fellow Lions,

I am sitting here looking at Lions Clubs International, looking at all the wonderful projects each club is conducting for their communities to make it a much better place than before. So I guess we all have a little scouting in each of us because we want to leave the place better than when we came here. Of course it is not easy to do this but with the 1,268 members we have in this district it has been a little easier to complete these projects that are being done.

I am having so much fun traveling with District Governor Charlie; there have been some many laughs as we are traveling in his van to get to the clubs. But there are many things he has shared with me that will help me next year. Just as PDG Jim Coverdale and PDG Glenn Williams did in their years of sharing what they learned and wanted to pass onto me. There are great hopes that there are other Lions that wish to step up and become great leaders for this wonderful district. Whether you know it or not you are a great leader just as a Lion. When you joined the club you were willing to take that step forward and become a person that is willing to help others both in your club and in your community. You are also willing to let your friends and other people know that you're a Lion; you don't hide that fact. This is yet another sign of a person that is not afraid to step forward and become a leader. As I am starting to put the cabinet together for next year I am doing the same as the ones before me have done. That is to take those leaders and give them a roll so that they do understand that they are a great leader.

When I wrote this article there were only seventy two days until Christmas. WOW, there are not many days left until Christmas. So as we Lions go about our daily lives let's not forget those Thanksgiving baskets, Christmas baskets, adopt-a-family and any other projects we do to help the needs of people within our own communities. The items in the basket or the box that is given to the family may very well be the only nice thing that happens to them this year. So let it warm your heart as it has warmed the heart of the person or family that received the gift.

I am so looking forward to the District Governor's Ball. Without a doubt his ball committee will put on yet another phenomenon event. Since it is in the first weekend of December I kind of treat it like the first Christmas party of the season. To me Christmas parties are always so much fun; they bring out the best dresses and jackets of the season. As well as seeing everyone with a huge smile on their face celebrating the wonders of the governor.

The other three events that are always so much fun are the three region VIP parties that are done each year. Each region does a great job in putting on a Christmas party that no one will ever forget. And each region is different in what they do for the party that they put on. Region one does a nice sit down dinner with other activities; region two, as well as having a dinner they have clowns with face painting, a DJ with the LEO's dancing, region three has beautiful tables set up with a great dinner and they have the Humanaires sign Christmas songs. So as anyone can see all three regions have great parties.

### Notes from the Editor

Dear Lions:

First I would like to apologize to any club that I have missed putting something in the Bulletin that you have sent me. I am trying my best but I get many items close to the deadline and it becomes a little overwhelming.

I would also like to thank all the clubs who do send me information for the Bulletin. We had 23 clubs submit either a newsletter or summary for the Club Happenings this month.

I'd like to remind everyone to send me your news from your club. Whether it is in the form of a newsletter or you designate someone in your club to send me an email with information about what your club is doing I'll do my best to get it in the Bulletin. Also don't forget to send me the information about your fundraisers.

#### **THIS IS YOUR BULLETIN!!!**

The email address for sending information to me is **begailkrebs@gmail.com** Please send your information in word and **NOT in PDF**. This makes it easier to copy as I am not a computer geek. For some reason Publisher does not work with PDF's.

Please do not hesitate to contact me with any questions.

I hope everyone has a HAPPY THANKSGIVING!!! Don't eat too much turkey!!!

ENJOY!!!!!!

Yours in Lionism,

PCS Gail Krebs

## NEWS FROM LCIF

### LCIF NEWSLETTER

Dear Lions,

As a leader of this organization, something I want you to know is that Lions Clubs International Foundation (LCIF) stands with Lions. LCIF helps Lions' projects reach more people and benefit more communities. Have you ever thought about if the service project in your community could have reached more people if provided additional resources? Have you ever been involved in a project that you wish could have helped more people? LCIF grants are available to help you do that.

Receiving a grant for your service project may seem like an abstract idea, but it is possible to accomplish this for your own community. The donations that LCIF receives go directly to Lions who apply for grants and meet the required criteria.

Think about the service projects your club is participating in. Can a grant make your projects more impactful to your community or the community you are serving? In addition, think about this the next time you consider giving a donation to LCIF.

We have some exciting changes happening to our grants framework, so I hope you will talk with your club about LCIF and the potential grant opportunities available to you.

Very truly yours,

### News from Region 3 Zone 2

Fellow Lions,

At the last zone 2 meeting we discussed how to help with the addiction epidemic that is affecting so many in our area. You may be aware that Delmarva Teen Challenge has been working to help men from all over Delmarva recover for 9 years. 202 men have graduated this one year residential program with an 80% success rate. They are now in the process of opening a women's center in Bridgeville on an 80 acre campus at the former location of The Cedar Academy. There are many needs to get the doors open and continued support is necessary to operate this facility.

December 9th at 10 AM , we will be hosting a presentation and tour of the facility for all of the Lion's clubs in our area to see how we can help. The address is 10936 Leadership Way, Bridgeville, DE 19933. We will have coffee and donuts and should be done in about 90 minutes. We are hopeful that every club in our area will send a representative to this presentation and support this zone/region project.

Bob Carey the director of Delmarva Teen Challenge is included in this email so please feel free to reply all with any questions you would like answered at the presentation. Also please respond if you or someone from your club can attend so we know how many to expect.

Thank you for your service in Lionism,

Sincerely,  
Lion Frank Parks

The following two articles have been submitted by Lion Paul Bolton of the Lord Baltimore Lions Club.

### **Serving/Mentoring = That Lion Feeling**

On Monday morning Nov. 13th. I meet my Mentee at the Selbyville Middle School. I feel so strongly about this program that I wanted to share the opportunity with my Delaware Lions. If you have questions about the Delaware mentoring program call 302-686-2122 for Jennifer Marek or contact your local school coordinator. Less than an hour a week from Oct. to May/June is all that is asked. No academics are involved just be the young person's adult friend. Background check, a one day 3 hr. class and a discussion with the school coordinator to find the best match and you are on your way. Classes are still being scheduled. There are many more future citizens in need a mentoring. There is also a great need for male mentors.

Give me a call in a couple weeks and I will give you a more personal perspective on the program. Lion Paul Bolton LBLC 301-774-5084

- **How does a mentoring a student help?**

The benefits of mentoring are well documented. Studies by Big Brothers Big Sisters of Delaware and Creative Mentoring have found the following improvements by youth:

- 81% exhibit improved self-confidence, self-esteem, and self-control
- 61% show an improved attitude toward learning
- 46% are less likely to start using illegal drugs
- 52% are less likely to skip school
- 27% are less likely to start drinking

**Do not wait for leaders; do it alone, person to person.**

[Mother Teresa](#)

Hello Again,

FYI I meet my mentee today and I was very impressed. He is a nice young man in the 7th grade. I am looking forward to becoming his friend in the weeks/months to come. I have an announcement of a special opportunity for Lions in the District. The zone/clubs in the area are committed to helping people with drug use disorders. Frank Parks the zone chair of Bridgeville is telling us about an organization that he is personally aware of called Teen Challenge <http://www.delawareteenchallenge.org/home.html> They have obtained an old boys academy with 80 acres in Bridgeville. They have made some repairs and will need help with additional repairs, (work days for Lions perhaps), matching funds, and other items with the expectation of opening in the Spring. The plan is for this to be a woman's facility for about 20+ with the ability to take care of their children under 6yrs. The help offered is a one year program and is faith based, reasonably priced and no one will be turned away. On Sat. Dec. 9th. if it can be arranged a meeting/open house is planned to show off the facility and the renovations that have been completed from tentatively 10-12 AM. Frank is going to send me some more information and I would like to send it to you for the NOV newsletter and share it with the other Lions Clubs of Delaware who care and may want to help. Please hold a little space and I will get something to you before you 15th deadline. Hold the date. Dec. 9th.

Thanks, Paul 301-774-5084

Lions Clubs International  
**FOUNDATION**

November, 2017

District Governor Charles Taylor and I have set this year's LCIF goal at \$30,000 and 100% club participation and the clubs and Lions have stepped up having donated \$16,668.00 as of the end of October. Also 22 of our 35 clubs have made a donation to LCIF which 62.71% of the district clubs. The number that makes me most proud is the large number of Lions who given donation to LCIF from their own pockets. **WOW! WOW! WOW!**

The recent disasters with the three hurricanes, Harvey, Irma, and Maria and the fierce earthquake in Mexico have certainly moved clubs and individual Lions to make a donation to LCIF. The worst disaster is the ongoing plight of the people of Puerto Rico. Some of your fellow Lions from our district remember the USA/Canada Forum held in San Juan in 2014 and the whirlwind tour of the island sponsored by PID Carlos Justinano. The scenery of Puerto Rico was spectacular but the warmth of the Lions of Puerto Rico was even more spectacular. So now is not the time to rest on our accomplishments but to reach down and continue to support LCIF who will be there for the long haul helping the people of Puerto Rico.

Our MD 22 LOVRNET project, funded by LCIF, was recently evaluated by a Sight First team led by Dr. Silvio Mariotti, Senior Medical Officer, World Health Organization, Sight First Secretariat; Dr. Tracy Williams, Sight First Technical Advisor, USA & Canada (also the eye doctor for the Chicago White Sox and the Chicago Bulls); and Ms. Ayla Olvera, Regional Program Specialist, Sight First North/South America/Caribbean. The draft of their evaluation has yet been received by the LOVRNET Executive/Steering Committee.

## Lord Baltimore Lions Club observes Week of Service in Sight

Every October, since 1988, Lions Clubs International World Sight Day has aimed to raise awareness about the importance of eye health and the need for quality eye care services for all.

This year, the World Wide Week of Service in Sight for Lions Clubs was scheduled by Lions Clubs International for the week of Oct. 10-16. The Lord Baltimore Lions Club observed the week by scheduling its first round of eye screenings for elementary school students in the kindergarten and first-grade levels at the John M. Clayton School on Oct. 11 -12.

Lions Don Austin, Janet Parham, Don Sherwood, Pete Moore, Paul Bolton and John Monahan assisted as 126 students proceeded through the eye screening process. The screenings were completed by Oct. 12, which was designated "World Sight Day" for 2017.

The Lord Baltimore Lions Club will conduct eye screenings for the children at Lord Baltimore Elementary School later in October, and the club will participate in a screening sponsored by Beebe Healthcare in November. Lion Don Austin coordinated the screening at the schools, working with school nurses and the school administrations.

For additional information on the Lord Baltimore Lions Club or the eye screening service, contact Lion President Janet Bauer at (302) 537-5175 or Lion John at john.monahan13@gmail.com.

## A SPOOKY NIGHT IN NEW CASTLE

Witches, goblins and unicorns were out on the streets of old New Castle on Monday night. But so were Superman, Supergirl, lions, a mermaid, a robot and even the GEICO gecko. They were all there for the New Castle Hundred Lions Club's Annual Halloween Parade. Led by Good Will Fire Company and New Castle Police vehicles as well as the William Penn High School Marching Band, also in costume, they paraded down Delaware Street to the square in front of the Court House, where they were judged in their various age groups. We can imagine it was hard for the judges to pick the winners; every child/adult was worthy of a prize. We have included pictures and names of all the winners on this page and on pages 12 and 13. Thanks so much to Kim Burgmuller who diligently took down the names amid all the chaos and sent them to us. And thank you to all the kids (of all ages) and, in many cases, their parents who really got into the Halloween spirit!
