First Vice District Governor

Having the Courage

Fellow Lions,

The Lion's year is in full swing now; the clubs are out doing fund raisers and using those funds to help their own communities. The clubs in this district do some really great projects that help the communities but let's see if each club could add one service project. This project can take as few Lions as two, but it is getting each club a new project, as well as having a better presence with in the community.

The trip to the USA/Canada forum was great. There were many seminars that were offered to the over 1,600 Lions that attended. Our own 22D had 14 Lions attend. This is also a way for Lions to gain leadership skills; not only for Lions but also for everyday life. The forum for 2018 is only a day's drive away. I do hope that there are more than 14 Lions planning on attending next year. Again it is a great opportunity to gain knowledge about Lons and leadership.

Speaking of training the district is having an orientation on the 21st of this month. I have attended this in the past and every time I go I learn something new about Lions. So please try and make it on the 21st of this month. It is being held at the Dewey Beach Lions Club house.

As we go through our lives we think about Lions, what it stands for and how we can help. Well to help get new members is not always easy. This past weekend I heard someone state that they have many Lion's polo shirts that they are always wearing them to things that are not even Lion functions. WOW!! What an idea; wear Lion stuff whenever you can. Even before I heard that I have been wearing my different shirts; no I have not gotten a new member yet, but people have been asking me about the Lions. So I feel as if this is planting a seed and hopefully it will grow into a great Lion.

FVDG John Burris

You still have time to order Peace Poster kits. They are available until October 1, 2017, if you are interested in participating. We will be collecting winning poster of each club immediately after November 15, 2017. We will make arrangements with each club to collect their poster. They will then be judged and returned to DG Charlie Taylor. They will then be judged at the Governor's Ball December 2, 2017. The winner of the multiple district will then go on to International for judging. This is a great way for Lions to be seen in their Communities requiring only one or two lions. There is a possibility that we may have an essay this year. The essay is for the visually impart child in the age group of 11, 12, 13 years.
